

RED WILLOW county gave Congress-man Norris the largest majority of any county in the district, 704.

WITHOUT being specific in making charges, both the Lincoln evening papers unite in asking the state central committee for an accounting, intimating in general terms that the necessity is urgent.

THE railroads of Nebraska have found no insurmountable obstacles in the way of their forming another community of interest in fighting the state's new revenue law. Self interest leaves very small room for patriotism or any other noble sentiment, these days.

COLONEL TIBBLES, (for whom "Bix," persistently urged his readers to vote for president without avail,) is out in an emphatic announcement that Colonel Bryan like Dave Hill and a few others, is a Democrat, — was born a Democrat and will die a Democrat. And that settles it.

THE railroads of the state are taking the initiative in a movement to contest the legality or constitutionality of the new Nebraska revenue law. They contend that they are taxed too high as compared with other property. This move will be more or less embarrassing to the state's finances.

GOVERNMENT ownership of public utilities, of railroads, telegraphs, telephones etc., is destined to become a more vital issue in America. And the postal savings bank system will not be entirely lost sight of. In the mad rush for combination, trusts etc., the people are being somewhat lost sight of.

To lift that load off of the stomach take Kodol Dyspepsia Cure. It digests what you eat. Sour stomach, belching, gas on stomach and all disorders of the stomach that are curable, are instantly relieved and permanently cured by the use of Kodol Dyspepsia Cure. S. P. Storr, a druggist at 297 Main Street, New Britain, Conn., says: "Kodol Dyspepsia Cure is giving such universal satisfaction and is so surely becoming the positive relief and subsequent cure for this distressing ailment, I feel that I am always sure to satisfy and gratify my customers by recommending it to them. I write this to show how well the remedy is spoken of here." Kodol Dyspepsia Cure was discovered after years of scientific experiments and will positively cure all stomach troubles. Sold by L. W. McConnell.

**Graceful Women**  
A Desire for a Perfect Figure is inseparable from a Love of the Beautiful.  
The scent of the violet or rose is as precious as the lovely flowers whose breath they are, and while the lives of flowers are brief and we can only enjoy them for a day, the beautiful woman gives the pleasure of her fragrance to us as a permanent blessing. The soft fragrance of a beautiful woman suggests purity, health and elegance; she is the refinement of civilization; an index always of good taste and an unerring badge of gentility.  
**BRADFELD'S Female Regulator**  
in regulating the lunar periods in woman permits of no wrinkles, pale cheeks or tortured nerves and shapeless figures. It is Nature's remedy. The druggist may offer something else and call it "just as good," but the menstrual organs will not be deceived, and permanent injury may result. Try our Regulator. Of all druggists \$1. Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boesche's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough racked consumptive. New trial bottles, 25c; large size, 75c. At all druggists.
