DOUBLE WEDDING.

A very pleasant double wedding occurred at the home of A. P. Bodwell, west of Lebanon, when their only daughter Vena was married to Frank Weatherwax, and Miss Lou Kaiser was married to their second son Ora C. Bodwell, February 15th, at high noon, Rev. W. H. Scofield officiating. After the ceremony a bounteous dinner was served to the numerous guests. The young couples will occupy their new homes just north of Lebanon, about March 1st. We congratulate warmly.

W. M. Ball, who has been in the Burlington railroad service as agent and operator for over ten years, has resigned his position as agent at Lebanon to become manager of a line of photograph galleries in the Beaver Valley with headquarters at Beaver City. They moved, this week, to Beaver City and will build or purchase property in the near future. George Fritzing will be manager of the Lebanon gallery and pictures taken at this place will be finished here; other work will go to Beaver City to be finished.

While going to Danbury, recently, we noticed an old well with one post set on each side and wire stretched across. Quite likely there were four once. Not two feet from the well was an old sod house. Why not shove the old tumble-down house into the well? On still farther we noticed just outside a field a strip of sod broken out and a row of cottonwood trees and then outside of this another fence to keep the travelers off the trees. In the field was old rotten hay. With a straw mulch the water could be lowered eight feet in a season. We would like to see that old hay around those young trees. We also noticed how low and flat most of the roads are, making it almost impossible for the water to run off.
