Thomas R. Robison, who has been dangerously ill for several days, died Monday at 6 p. m., and was buried in the Bartley cemetery, Wednesday at 11 a. m. Elder Wilson of the Christian church, officiating. Mr. Robison came here from Iowa, a few years ago, and made a nice home about three miles north east of Bartley. He has been a successful farmer and stock raiser. He owned several good farms in this vicinity. Although a great sufferer from asthma, he has been a very industrious man, always hopeful of better health. Strictly honorable in all his dealings he had a host of friends who with his family and other relatives greatly mourn his decease.
The dedication of the M. E. church here, last Sunday, was the event of the season. For several weeks the zealous workers had been getting ready for this occasion. The committees had everything well in hand for the day. It was desired to raise a fund of \$500.00 to meet the indebtedness of the church and to finish pews. At an early hour teams by the score well loaded with interested occupants came to the church and soon their was a crowded house. Every available space inside being filled, with a large number standing outside. Rev. Wilson, presiding elder of this district, delivered the dedication sermon, Gov. Mickey delivered a splendid address in the evening. The three sessions, morning, afternoon and evening, were all well attended. The instrumental music by Fletcher and Fisher was fine. The vocal music and especially the solos by Mrs. Guthrie of Indianola, Miss Swartz and Mr. Ryan of Cambridge, which were especially interesting features of the occasion. The minister of the home church Rev. Kirby and the members all faithfully labored to make the meeting a success. When the time for collection came the pleasant solicitation by Rev. Wilson and the encouraging remarks by Gov. Mickey had the audience in a generous mood and soon a collection of nearly seven hundred dollars was raised, which amount was far in excess of the most sanguine expectations of church.

TESTIMONIAL
Delmont, S. D., Dec. 17, 1902.
I used L. K. for hog cholera and it was all right. It cured my hogs. I had three sick ones and they all got well and done fine. I also used it for chicken lice and mites and it is all you claim for it. It is the only medicine for hog cholera, I think.
GOTLIEB JERKE.

Harrington, Neb., Dec. 11, 1902.
I am using Liquid Koal and am well pleased with it. I am sure I saved my hogs with it last year, and am going to keep it in stock all the time as it is the best thing I ever had on the place for everything it is intended for. It is good for chicken cholera, lice on stock, insects of all kinds; it will destroy all kinds.
