**FOR SALE**—A nice front door for a residence, with screen door to match. Also window frame and two sashes with glass. Will sell very reasonable. Call at this office for further particulars.

**Consumption**

There is no specific for consumption. Fresh air, exercise, nourishing food and Scott's Emulsion will come pretty near curing it, if there is anything to build on. Millions of people throughout the world are living and in good health on one lung.

From time immemorial the doctors prescribed cod liver oil for consumption. Of course the patient could not take it in its old form, hence it did very little good. They can take

**SCOTT'S EMULSION**

and tolerate it for a long time. There is no oil, not excepting butter, so easily digested and absorbed by the system as cod liver oil in the form of Scott's Emulsion, and that is the reason it is so helpful in consumption where its use must be continuous.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

**CLASS POEM**  
It is but a happy dream,  
Seen in the frelight's glow,  
Busy, joyful school days seem  
Only bright days vanished long ago?  
Faces dear to men'y there  
In the frelight's glow:  
While scenes of youthful days so fair  
Softly come and go.  
Alas, 'twas but a happy dream  
Of happier days long flown:  
'Twas but the frelight's golden gleam,  
The picture now is gone!  
—WINIFRED E. BROWNE.

**ELEVENTH GRADE RECEPTION.**

One of the happiest incidents of "the week" was the reception tendered the graduates by the members of the eleventh grade at the home of Sup't and Mrs. G. H. Thomas, Saturday evening. The high school teachers were also guests of the occasion. There was a brief program, games and refreshments. Miss Lona Phelps and Miss Ruby Fitzgerald recited their class day numbers, Miss Gertrude Storer gave one of her always-enjoyable readings, Mrs. G. H. Thomas a piano selection, and Mrs. Thomas and Miss Storer a vocal duet. Miss Celia Gorby's senior biography was better understood and appreciated than the reader will apprehend. Ice cream in class colors—blue and gold—was served with cake. Miss Elsie Campbell and Miss Mildred Berry presided over the punch-bowl. There were about forty present.

The members of the 11th grade were ushers for all the occasions—as is the custom.

Last week's account of the events of commencement week were necessarily brief, disconnected and on the whole unsatisfactory, hence we cover the entire week's doings, this week, more in detail and more harmoniously.

The decorations for commencement were the same as those for class day. They were appropriate and tasteful, a large flag forming the background for the class, whose motto on a field of blue, and done in gold, "Pro Bono Publico," was suspended over the flag; palms, ferns, potted plants and cut flowers formed the rest of the simple but pretty effect, the labor of the members of the class of '05.

**Notice, Teachers and Prospective Teachers**  
The first and second weeks of the McCook Junior Normal school, June 5 to 17, inclusive, will be the institute weeks for Red Willow county. One week is the limit on compulsory attendance at institute, so I am designating the SECOND WEEK as the one for compulsory attendance. Let me urge you though, to be present the first week also, to get your work planned, yourself comfortably located and all preliminary arrangements made so that the second or institute week may be given wholly to school work. Excuse from institute attendance will be granted only after previous consultation with the superintendent, and then only for good and sufficient reasons. This is the annual business meeting of the teachers and it is for the best interests of the schools and of all concerned that each teacher be present. So come, and let us make this the best institute yet held in this county.

FLORA B. QUICK, Co. Sup't.

Set an hour for assembling at school house on morning of the 4th. Start early enough to reach the court house in McCook between nine o'clock and twelve noon central time. The judges will be there and count up the delegations as they arrive and the prizes will be paid in cash money by 12:30 o'clock. The number of vehicles determines the size of the delegation. The captain must be mounted and wear a sash of red, white and blue over his shoulder and present his delegation before the judges, ready for counting by handing to them a card containing the count, the number of the district and his own name. The prizes will be paid over to the captains in each case. If any delegation contains wagons or families contesting for the other prizes, the captain will notify judges. For further information write or call on the committee who will do all they can to assist.
