# Ayer's

Why is it that Ayer's Hair Vigor does so many remarkable things? Because it is a hair food. It feeds the hair, puts new life into it. The hair cannot keep from growing. And gradually all the dark, rich color of early life comes back to gray hair.

When I first used Ayer's Hair Vigor my hair was about all gray. But now it is a rich, dark, and as thick as I could wish. — MRS. SUSAN KLOPFERT, TOSCONDA, Ala.
