RURAL FREE DELIVERY NO. 1.

Gus A. Roedel is entertaining his father in law G. H. Barthel.
G. H. Barthel left, last Thursday, for his home at Deshler, Thayer county.
W. N. Rogers has organized a gun club including those in his neighborhood about Shadeland Park.
W. P. Burns is home from his eastern and northeastern Nebraska visit—and he is better than ever satisfied with western Nebraska now.
The little son of Mr. and Mrs. G. H. Rowland was playfully kicked by a colt, Thursday last week, sustaining a fractured leg between the knee and thigh. He is coming on nicely.
Mr. and Mrs. Charles Ebert celebrated their silver wedding anniversary, Thursday last week. Many friends from the neighborhood assisted them in making the occasion a memorable one, with feasting and a merry time.
The people in the Ash Creek neighborhood enjoyed a serenade, last Thursday night, from sweet singers. H. M. Schamel insists, however, that he had to dig one of his dogs out from under the straw stack, and the other family dog has not been seen since.
W. N. Rogers has received his great gun for that famous hunt. It will kill an elephant at any old distance, and the manner in which Walter polished off that coyote, the other day, is encouraging his self-esteem as a marksman. He has donated the club to friend Brittain.
The Whitefaces and Pumpkinhuskers were in conflict on the Rogers diamond, Sunday last, the Whitefaces winning by one score:
Whitefaces.....3 0 2 0 1 1 0 4-11
Pumpkinhuskers...1 2 0 3 0 0 4 0-10
There are indications that the trouble may be repeated next Sunday.

Theodore Thomas, travelling passenger and traffic agent for the Burlington and connecting lines, was in Lebanon, last week Tuesday, looking over the ground with a view to locating the proposed farmers' elevator on the Burlington right-of-way. He says the Burlington will insist on the elevator having 5,000 bushels capacity. The farmers have about 100 names. The shares are \$25. The share limit is six—and some are going the limit.
The Decoration day exercises were held in the Presbyterian church. Rev. W. H. Scofield delivered a short address. Several vocal quartets were given. Mrs. W. H. Scofield sang a solo. Rev. Scofield and Ora C. Bodwell gave a music number on organ and violin, representing the booming of cannon and noise of battle; this was finely rendered. Those constituting the quartette were Misses Minnie Nelson and Alta McCarty and Messrs. Clyde Bodwell and Elwin E. Devoe. After the programme in the church Miss Viola Devoe's school children gave a flag drill just outside the church. The band played a patriotic selection and then led in the march to the cemetery playing a march on the way. After decorating the graves the crowd dispersed, many going to witness the ball game between the clubs of Indianola and Lebanon. This was an exciting game, resulting in victory for Lebanon by a score of 9 to 7.

A. C. CRABTREE, Sheriff.
Boyle & Eldred, attorneys.

Good farming, such as is practiced by the most skillful and successful farmers of Red Willow County, is not a matter of chance or opportunity, but largely a result of study and special and general education. The best farmers are constantly in touch with the progress of agriculture everywhere, and are quick to adopt all real improvements, and slow to take up fads. The best way to know both the good and the bad is to read an ably-edited farm paper like The Homestead, of Des Moines, Iowa, a paper conducted by practical farmers, living on their own farms; with departments devoted to every branch of farm and home industry; employing the ablest experient station workers and writers of the West to discuss important topics, and presenting each week all that a farmer needs to know of his calling. The Homestead is a grand paper for both the reader and the advertiser, because it is so good a paper and read by so many farmers of the best class. The Tribune is always pleased to forward subscriptions for this excellent farm journal.

TESTIMONIAL
Delmont, S. D., Dec. 17, 1902.
I used L. K. for hog cholera and it was all right. It cured my hogs. I had three sick ones and they all got well and done fine. I also used it for chicken lice and mites and it is all you claim for it. It is the only medicine for hog cholera, I think.
GOTTLIEB FRISKE
Harrington, Neb., Dec. 11, 1902.
I am using Liquid Koal and am well pleased with it. I am sure I saved my hogs with it last year, and am going to keep it in stock all the time as it is the best thing I ever had on my place for everything it is intended for. It is good for chicken cholera, lice on stock, insects of all kinds; it will destroy all kinds.

Ayer's Hair Vigor
Why is it that Ayer's Hair Vigor does so many remarkable things? Because it is a hair food. It feeds the hair, puts new life into it. The hair cannot keep from growing. And gradually all the dark, rich color of early life comes back to gray hair.
When I first used Ayer's Hair Vigor my hair was about all gray. But now it is a nice rich black, and as thick as I could wish.
