TWENTY-FOURTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, SEPTEMBER 15, 1905

NUMBER 16

Death Ends Months of Suffering.

Mrs. Paulina Philippi died on Monday morning of this week, after an illness of almost a year of a painful and distressing character.

(Mrs. PAULINA HENRIETTA TARTCHER was born in Germany, September 20th, 1854. The United States became her adopted country in 1876. She was united in marriage with Allen Austin Philippi of Illinois on November 30th, 1876.

Two years later, in 1878, they came to Red Willow county, Nebraska, where the family has since resided. Death came in the city of McCook, September 11th, 1905. Five children, three sons and two daughters, survive, her husband and two children preceding her into the future world.)

Funeral services were held in the Baptist church, Tuesday afternoon, September 12th, conducted by Rev. A. B. Carson, and attended by a church filled with sympathizing neighbors and friends from country and city. The church was handsomely decorated with flowers for the sad occasion. The remains were buried in Riverview cemetery.

Red Willow county loses a pioneer citizen, the Baptist church a consistent member and her children a most devoted mother. Quoting the text of the sermon, "Blessed Are the Dead That Die in the Lord."

The surviving children are objects of tenderest sympathy of many friends.

We wish to make grateful acknowledgment of the many kindly services extended to us during the illness and at the passing away of our mother.

THE PHILIPPI CHILDREN.

District Convention, D. of H.

The Fifth district convention, D. of H., closed a two-days' session in the city, last evening, with a public meeting in the McCook hall, where a literary-music program, team drill, and social time with refreshments made up the bill of fare. A reception was held on Wednesday evening in Ganschow's hall in honor of the grand chief of honor Mrs. Latka and the visiting delegates, at which time refreshments were also served by the local lodge.

The sessions on Wednesday and Thursday afternoons were given over to business.

At the closing business session it was decided to hold the next annual meeting in McCook, some time in October next, and Mrs. Augusta Anton was reelected district superintendent for the Fifth district, Miss Zulauf of Stamford, district recorder, and Mrs. Erickson of Holbrook, district treasurer.

Coroner's Jury Places Responsibility.

One of the most unexpected incidents of the great Brush wreck is the finding of the coroner's jury, which rendered a decision on Monday at Brush. Following is copied from the Denver Post of Tuesday evening:

Fort Morgan, Colo., Sept. 12.—The coroner's jury returned a verdict as follows on the fatal accident which occurred on the Burlington near Brush, last week.

"The cause of the accident was the failure of train No. 13 not being properly equipped with proper rear end lights or signals.

(Signed) "W. P. HEISKELL, Foreman." The engineer on train 77, E. A. Mellen, was given a separate letter of commendation for sticking at his post.

Bertollette-Waddell.

The Methodist parsonage was the scene of a quiet wedding, Wednesday noon, September 13th, 1905, when Rev. M. B. Carman spoke the words uniting in marriage David K. Bertollette of Driftwood precinct, this county, and Miss Sadie Waddell of Leetonia, Ohio. Mr. Bertollette is a brother-in-law of W. N. Cratty of that precinct. The newly married couple will make this county their home. Congratulations.

Sold Out.

This is to state that I have sold out my poultry business to The Gurney Poultry Co., who will assume possession October 2nd, 1905. In thanking you for your patronage, will add that my successors appear to be a decent kind of people and I guess you will like them well enough to trade with them. Give them all your trade as long as they treat you right.

Public School Opened, Monday.

"Old Glory" is flying over the several public schools of the city, the stars and stripes having been run to the tops of the various flag-staffs, Monday morning, notifying the youth of the city and surrounding country that another golden opportunity, another season of promise of educational advantages, was at hand. May they improve the shining hours.

All the grades were provided with teachers and the manner in which they settled down to the regular work of the year was very gratifying to Supt. Thomas and corps.

INCREASED MUSIC OPPORTUNITIES.

The placing of Miss Carrie Budlong in charge of the music work of the system is regarded as one of the most desirable advances of the year. Miss Budlong will be principal of the west school, will be supervisor of music and act in the capacity of substitute teacher as well.

Upon her will naturally fall much of the special work in connection with the schools, a work for which she is especially well qualified and equipped. Last year her work was divided—teaching the first grade west in the forenoon and devoting the afternoon to music in the several grades of the system.

CHANGES, REPAIRS, ETC.

The brick school building was quite thoroughly cleaned and new paper hung where necessary, while the woodwork was oiled and the physical condition of the building made very comfortable and attractive.

One move made in the brick building places all the distinctively high school work on the second floor of that building—the placing of the laboratory upstairs. This will be a time-saver and conduce to greater convenience.

The schools of the city were dismissed for today on account of the presence of the great circus in the city, to enable the children to see the animals.

On account of the overcrowded condition of the preparatory grades only half-day sessions will be held. The babies in the A and B will go in the forenoon; the beginners in the afternoon.

Beginners must enter the preparatory grades on or before Friday, September 22nd, or wait until the beginning of the spring term. Parents will do well to make a note of this fact.

While the attendance is slightly less than on the opening day of last year—than is eight less—there is no doubt but that in a few weeks the total will exceed last year or even any year in the history of the McCook public schools. The school population is eighty more than it was in 1904. This indicates that many pupils have not entered, being employed at work somewhere, or absent from the city.

There are a few boys and girls attending school who would like to find places to live and to work for their board and lodging or partially so during the school year. Those looking for such will please report the matter to Supt. Thomas, who will see that applications are filled.

The fall session starts out with an addition of six new faces to the teacher corps—and THE TRIBUNE is pleased to note that the corps is apparently in no wise weakened but on the contrary strengthened.

Miss Margaret O'Connell, who has the 6th A and 7th B, is a Tecumseh girl; has attended the state university; was for two years in charge of a grammar grade in the Rushville schools under Prof. Martin, who taught in the McCook junior normal two years ago; and was a teacher in the Edgar schools previously, for two years.

Miss Mollie Weiss, second grade teacher in the new frame, comes from Collegeview, and is a graduate of Union college, class of 1898. For the past three years has been doing primary work in the Maywood schools, and has the reputation of being one of Frontier county's best teachers.

Miss Katherine Hurley claims Shelton, Nebraska, for her home. Was graduated from the state university with the class of '95. For five or six years previous to her university work was a primary teacher in the schools of Grand Island.

Miss Edith Walker, the new 1st grade teacher, west building, comes from Cedar Rapids, Iowa. She is a graduate of the Nebraska university, class of 1905, and for five or six years previous to her graduation was a primary teacher in the Lincoln public schools with success.

Miss Anna Hannan, the new city hall school teacher, is home-grown. A graduate of the class of 1900, she has successfully taught several rural schools in this vicinity, and last year the 7th and 8th grades of the Lebanon schools, this county. They elected her principal of the Lebanon schools this year, in recognition of her services, last year. Miss Hannan has attended the full ten weeks' sessions of the three McCook junior normals, and attracted the attention of her instructors in each for her careful, earnest work.

Miss Nina Kenagy of the preparatory east is a graduate of the Chicago Kindergarten College; has attended the state university two years; has been kindergarten director at the Wesleyan; has taught in the Lincoln city schools, and was appointed kindergarten director in the Lincoln city schools—passing up this flattering offer to come to McCook.

Andrews--Marsh.

On Monday evening, September 4, 1905, at eight-thirty o'clock, at the home of the bride's parents, Mr. and Mrs. I. R. Andrews, Indianola, Neb., occurred the marriage of Miss Delia Marie Andrews to Mr. Frank E. Marsh of Guide Rock, Neb., Rev. E. Crippen, pastor of the M. E. church of that city, officiating and using the beautiful and impressive ring service of the M. E. discipline. The bride was attired in beautiful champagne colored chiffon taffeta silk, trimmed with white lace chiffon and pearl buttons. She wore a white lace bridal veil and wreath of orange blossoms and carried a beautiful bouquet of white hydrangeas. The groom was dressed in conventional black. A large number of guests were present. Those from out of town were Mrs. and Miss Clara Marsh of Guide Rock, Neb., mother and sister of the groom, Mrs. J. B. Moser, who was once a resident of this city, and Mrs. H. Maley of Mount Pleasant, Iowa.

Miss Jeannette Short played the wedding march, Miss Edna Hardesty and Miss Millie Bentley, two little girls, of the bride's Sunday-school class were the bride's maids, and were dressed in white. The house was tastefully decorated for the occasion and an elaborate wedding feast was served immediately after congratulations. Miss Hazel Phillips, the charming daughter of the editor of the Indianola Independent presided at the punch bowl. Mrs. Maley sang two selections which were highly appreciated by all present. She was accompanied by Miss Jeannette Short on the piano. They received a large number of beautiful and costly presents, consisting of silverware, cut glass, china, linens, pictures, etc., and one hundred dollars, from the bride's parents. The happy couple left, Wednesday morning, on a short wedding tour, after which they will return to Guide Rock, Neb., where they will be at home to their friends after September 15th. The Indianola people en masse extend warmest congratulations and wish these estimable young people a very prosperous and happy journey through life.

SPECIAL CORRESPONDENT.

Death of Mrs. William E. Bower. Last Friday morning, about six o'clock, after an illness of some length, Mrs. William E. Bower of Valley Grange precinct was called home. Her final sickness was a complication of illness resulting from inflammatory rheumatism, and was about a month in duration.

(NELLIE J. WALKER was born in Lancaster, Grant county, Wisconsin, November 15th, 1852, where the most of her life was spent until her marriage with William Edward Bower, May 17th, 1876. She lived a short time in Texas with her parents. Of their married life two years were spent in California, six years in Wisconsin and fourteen in Iowa. They moved to Red Willow county in February of 1898. Eleven children were born to these parents, of which ten survive and were present at the funeral, seven sons and three daughters. A brother of the deceased, A. K. Walker of Grant county, Wisconsin, was also present at burial.)

Funeral services were held in the Methodist church, Sunday afternoon, at three o'clock, a large company of friends from their neighborhood and from the city attending the impressive services conducted by Rev. M. B. Carman. After which the remains were buried in Longview cemetery.

The deceased was an estimable Christian mother greatly loved by all who knew her in her loving sacrifice and devotion to home and family. THE TRIBUNE but utters a general sentiment in extending the bereaved husband and children tender and deep sympathy in their great loss and sorrow.
