TWENTY-FOURTH YEAR

McCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, MARCH 23, 1906

NUMBER 43

Reception and Banquet.

The Ladies' Aid Society of the Methodist church gave a reception in honor of their president, Mrs. H. H. Berry, in the church, Friday evening. It came in the form of a surprise to Mrs. Berry, who was caught quite unawares and deceived to the church.

The Epworth League room was tastefully decorated and used as a reception room. After an hour spent in social greeting, Mrs. G. H. Thomas and Mrs. W. B. Mills played a piano duet and and Rev. M. B. Carman read an original poem in which he paid tribute to Mrs. Berry's faithfulness, assuring her of the love and approval of the society and church, at the close, presenting her with a set of Haviland china dishes, as a token of appreciation.

Mrs. Berry responded in a happy manner, thanking all for their kindness.

Rev. Carman then invited all to the banquet hall, where a refreshing two-course luncheon was served in a dainty and pleasing manner. COMMUNICATED.

REV. CARMAN'S POEM.

Some women came to me to ask
If I'd perform the little task
Of speaking a word of love and cheer,
Explaining our reason for being here.
It is because we wanted to do
Something nice in honor of you.
They say it's now about three years.
Years of work, of joys and fears,
Since you have led the Ladies' Aid
To the success that they have made.
Through all these years your noble hand
Has helped the church, with heart and hand,
To rear her walls, and pay her debts.
For you all's praise, and no regrets.
We do not believe when folks are dead
Is the time when good things should be said,
So we are here that we may state,
Your work, your self we appreciate.
In these hearts of ours you have a place
That the finger of time cannot erase.
But we must stop this little talk
And to the tables take a walk:
For there I know, all fixed so neat,
Is something good for us to eat.
And that's not all—with our best wishes
We all clipped in—here are some wishes.

Came Back to Nebraska to Die.

Miss Margaret Howard died at the Palmer hotel, Tuesday morning of this week, of throat and lung trouble. Deceased was formerly of Alma, Nebraska, but not long since went to the state of Washington in search of health, returning to Nebraska and McCook about ten days since, in company of her mother, to be with her half-sister Miss Sallie McCann at the Palmer house.

Miss Howard was born in Alma, Nebraska, July 11th, 1859.

Funeral services were held in the Pade undertaking rooms, Wednesday afternoon, Rev. M. B. Carman officiating, and a choir of young girls of the Methodist church singing, after which interment was made in Riverview cemetery. Deceased was a member of the Methodist church and Epworth League of Alma, Nebraska.

The Proof of the Pudding.

Well you know it is not in chewing the string. This holds good in meats as well as in puddings. The B. & M. meat market guarantees you the best the market affords in the meat line—in any and all kinds of meats. They throw in liberal and courteous treatment and prompt delivery. You will find the market at the old stand, first door south of the Walsh block. We bespeak a liberal portion of your patronage during the new year. DAVID MAGNER, Prop.

Dissipation Makes a Destitute Family.
A friend of the family appealed to the generosity of McCook people, this week, in the interest of a wife and five little children made practically destitute, or at least needy, by dissipation and failure of husband to provide adequately for the needs of the family. What need of a more appealing temperance sermon?

Men Wanted.

Men and boys wanted to attend the Men's meeting at the Congregational church, which will be held Sunday, next, at three p. m. at the church. Rev. P. A. Sharpe will speak to the men, and a large audience is expected.

Closed With a Splendid Number.

The closing number of the entertainment course, Wednesday evening, was as announced one of the best of the entire course, and closed the series to the entire satisfaction of a splendid and appreciative audience. The Lulu Tyler Gates Co. is composed of artists and they give a music entertainment at once artistic and enjoyable. THE TRIBUNE believes the people of McCook are fortunate in that a company of McCook citizens took upon themselves the task of giving them a series of entertainments of worth and high grade during the past winter. We wish also to congratulate the committee on the success of the course, especially Sup't Thomas, upon whom the work and responsibility has largely rested.

REPUBLICANS NOMINATE

Full City Ticket Placed in the Field Last Saturday Evening.

WITH UTMOST HARMONY

Political Lines Were Not Closely Drawn in the Personnel of the Voters and Hence Small Opposition if Any May Be Expected to the Ticket.

Republicans of McCook got together, Saturday night, on short notice—it being discovered that the published date, Tuesday evening, March 20th, did not meet legal requirements as to length of notice,—and placed in nomination a full city ticket.

Albert Berry called the meeting to order and Albert Barnett was promptly made chairman and Albert Berry, secretary of the caucus.

J. E. Kelley placed Mayor H. P. Waite in nomination and Rev. M. B. Carman nominated C. B. Gray. The uplifted hands were counted by the secretary, who found 86 votes for Waite and seven for Gray, making the renomination practically unanimous.

W. A. Middleton was made the nominee for city clerk by acclamation.

For city treasurer A. C. Ebert was unanimously renominated.

The only contest of the evening worthwhile was in the case of the office of police judge. H. H. Berry and W. H. Ackerman were the nominations made and in the voting the secretary enumerated 45 for Mr. Berry and 33 for Mr. Ackerman, a result which was received with marked disapproval. The chair declared Mr. Berry the nominee and no formal appeal was taken, so the incident was closed.

The nomination for city engineer was given C. H. Meeker by acclamation.

Louis Suss was nominated to succeed the late A. Campbell on the board for two years, and W. S. Perry and C. W. Barnes were both renominated for members of the school board.

The city Republican central committee was constituted as follows: First ward—G. S. Scott and S. B. McLean. Second ward—Louis Thorgrimson and Alonzo Cone.

The caucus then divided into ward caucuses and the following councilmanic nominations were made: First ward—C. G. Gray, L. H. Lindemann and Joseph Menard. The upraised hands gave Gray 40, Lindemann 7, Menard 2. Albert Barnett was chairman of this caucus and F. M. Kimmell, secretary. Second ward—L. W. McConnell received the nomination by acclamation. Alonzo Cone was chairman of this gathering and Howe Smith, secretary.

The convention was remarkably harmonious and the result will doubtless be approved by the voters of McCook by a practically unanimous vote.

While the administration of our municipal affairs during the past year has not met the highest expectations of some of our people—those particularly who may be styled reformers—it has been approved by a large majority of the people of the city.

THE TRIBUNE expects from both the city and school officers named, Saturday night, a good account of their stewardship during the ensuing year, which gives promise of being one of the most momentous in the history of McCook, which we expect to mark an epoch in the development of the valley's finest.

Lost—A Sum of Money.

Miss Elizabeth Beach, a teacher in our public schools, had the misfortune to lose thirty dollars, Saturday last or Wednesday night. She will pay a suitable reward for the recovery of the money, if left at this office.

Notice to I. O. F.

All members of the McCook lodge No. 137 and sojourning brothers are requested to meet in Odd Fellows hall, March 30th, in special session. A full attendance is urged.

S. L. DOAN, Secretary.

Agnes Elizabeth Huber.

A dainty flower came into this beautiful world and grew in the sunshine of God's love. Its delicate petals expanded into dainty graceful smoothness and its sweet face was always smiling and happy, gladness and sympathy at the sight. But the cold winds blew and the dainty flower, despite care and protection, withered and sank, leaving only the sweet memory of its presence. But the Spring of Resurrection will come soon, and then will this pure flower grow again, and instinct with life eternal, wax strong and vigorous in the world which knows no death, the Kingdom not built of hands, but God's eternal mansion in the skies. There will those sorrowing ones, left behind to struggle for a time, behold their dear child again, and gaze upon her sweet face for evermore. Agnes Elizabeth Huber first saw this world's light in 1900 and she lived six short years to bless those around her. March eighteenth was her last day on earth, and her pure soul took flight into peace and love eternal. Her sorrowing parents are more than grateful to those kind friends who helped them in their hour of sorrow and need.

A WORD OF THANKS.

Our hearts are full of gratitude to all for the many acts of kindness and words of sympathy extended freely during the illness and after the death of our daughter. We shall ever hold them all in grateful remembrance.

MR. AND MRS. E. P. HUBER.

Revival Meetings.

The special meetings at the Congregational church have been handicapped by the weather but are growing in interest and power. Rev. P. A. Sharpe is a spiritual leader and a man of large experience. Meeting every night at 8 p. m. Prayer meetings every afternoon at 3 p. m. On Sunday a great day is planned. Mr. Sharpe will preach at 11 a. m. and 8 p. m. At 3 p. m. in the afternoon a meeting will be held for men only. The general public is cordially invited to attend these meetings.

An Uncommon Snowfall.

The snowfall of Sunday was quite extraordinary for this section of country. Perhaps the fall exceeded a foot. Fortunately it spread evenly over the landscape and there was little or no wind, and the thaw of Monday and Tuesday soon removed danger of drifting and soaked much of the precious moisture into the soil. Fall small grain and fruit are left in superb condition.

Looks Like a Late Spring.

Spring seeding promises to be late. The wise man will place his orders early for his farming machinery and avoid the delay that is sure to come when the spring opens up and there is a great rush for machinery. Coleman is prepared now for just such an emergency with a large stock of all kinds of machinery for the early demand.

Announcement.

Having discontinued the cream business in favor of the Gurney Poultry and Egg Co., I would most respectfully solicit the patronage of all my old customers and friends selling cream to this new firm, assuring you of prompt, courteous and fair treatment, by both them and the Harding Cream Co. Yours truly, W. T. COLEMAN.

No Public School Next Friday.

On account of the absence of most of the teachers in attendance upon the district association meeting in Arapahoe, Friday and Saturday of next week, there will not be any sessions of the city schools on Friday next.
