TWENTY-SIXTH YEAR

McCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, FEBRUARY 22, 1907

NUMBER 39

### Dutton-Hammond Nuptials.

Monday morning, at 7:30 o'clock, at the home of the bride's brother M. H. Hammond in this city, Mr. LeRoy E. Dutton and Miss Marie E. Hammond, two well known young people of our city, were united in marriage, Rev. M. B. Carman of the Methodist church officiating.

After the ceremony a wedding breakfast was served in five courses.

It was a quiet home affair with only the immediate families of the contracting parties present.

The bride wore a gown of white crepe de chine over white silk.

They were objects of numerous handsome gifts.

The young couple departed on No. 1, same day, for Denver, where they will make a short stay, after which they will proceed to their new home in the San Luis valley, Colorado, where the groom has real estate in that irrigated El Colorado.

The Tribune voices a general sentiment in wishing them much joy and prosperity in their new estate and home.

### About Your Eye-Sight.

I have been fortunate in securing the services of Dr. C. H. Law, to give me a post-graduate course in optics and higher prisms, and I would urge all those who have suffered from eye strain to see Dr. Law during his stay here. We especially invite severe or "chronic" cases. Examination will be absolutely free, and all work will be personally guaranteed by me. Please call at the store. H. P. SCRITON, Jeweler and Optician.

### Expressions of Kindness.

I wish to express my sincere thanks and high appreciation to the friends and ladies of McCook, who so sympathetically and graciously rendered every comfort and assistance to the late Mrs. Florence E. Wiley, during her few days of illness resulting in death, and Dr. Kay, who stood so nobly by her with all his medical knowledge and skill. C. E. WILEY.

### Lacked One Thing Only.

The farmers' institute held in McCook, Tuesday and Wednesday of this week, lacked only one thing—that is attending and interested farmers. The instructors were here and a fine program was on tap. But for some inscrutable reason those who had the largest interest at heart were conspicuous by their absence.
