in his New Creation

"The Country
Editor"

A - COMEDY - DRAMA - IN - FOUR - ACTS

Holsman

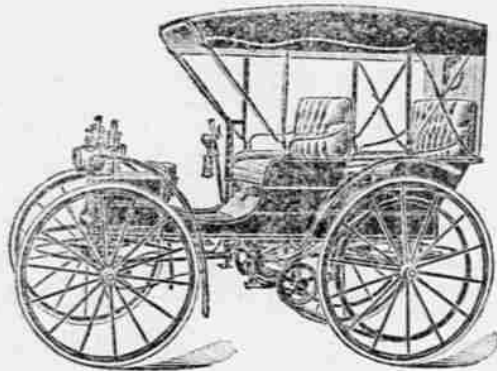

Automobiles

were put on the market five years ago, and since that time have been giving perfect satisfaction, with the result that they are constantly increasing in popularity.

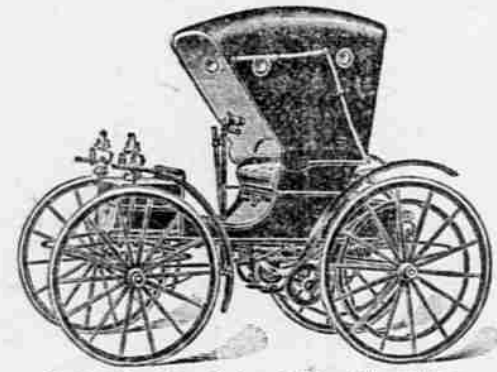

The motive power is supplied by an air-cooled 10 H. P. engine, and the high wheels and solid rubber tires make them especially desirable for use on country roads.

For Sale by

McCook Automobile Co.

Model No. 11. Price, \$800, without top.

Model No. 10. Price, \$750, without top.

A Good Partner

A substantial bank account makes a good partner—one who will work to your interest; one who will remove many a stumbling block from your path; one who will add to your opportunities for usefulness; one who is powerful enough to assist you in doing good in the world; one who can assist you to make a real success of your life; one who will furnish you and yours the extra comforts and little luxuries you will want in your old age.

If you want this partner for yours, start an account with us, practice thrift and economy—you can do it if you will—and the outcome will be satisfactory to you.

THE FIRST NATIONAL BANK, McCook, Nebr.

March 15, 1907

THE TRIBUNE Office for Office Supplies

with disinfection according to the rules of the board of health under the direction of the health officer and after certificate of full recovery from the attending physician.

Fifth: The physician to use due precaution during exposure by using disinfection upon retiring from such premises.

The nurse, when no longer required, may withdraw with a permit from the board of health and proper disinfection of person and clothing. All patients upon recovery to do the same.

Sixth: All necessaries required by the quarantined household to be deposited by a messenger not less than thirty feet from the house, the physician only to approach nearer except by permission of the board of health.

Seventh: Quarantine shall be maintained in each and every case from the beginning of the disease for the following period:—namely,

Small Pox: Not less than 21 days and until desquamation is complete.

Scarlet Fever: Not less than 28 days and until desquamation is complete.

Diphtheria: Until 14 days after local symptoms have disappeared from the throat. (Or better until two negative tests have been taken for the Klebs-Loeffer bacillus).

RULE 8.—Exposures. When any person has suffered exposure to small pox he or she shall be held in quarantine for seventeen days thereafter, provided, however, that when vaccinated immediately after the exposure, and subject to daily inspection by the board physician, shall not be quarantined unless taken ill.

When exposed to scarletina, quarantine to be for fourteen days thereafter; when exposed to diphtheria, for fourteen days.

RULE 9.—No quarantine shall be released except by order of the board of health, and upon a physician's certificate and a proper disinfection as described herewith.

RULE 10.—Whoever shall interfere with or break an established quarantine by removing or injuring a disease placard, by entering or leaving such quarantined premises, or by removing any articles, clothing or otherwise, liable to be infected, or shall induce any quarantined person to leave any quarantined premises, or counsel or advise any such person to leave such quarantined premises without a permit from the board of health and proper disinfection, or in any other way endanger the public health shall be deemed guilty of a misdemeanor and subject to a fine and prosecution as provided by the statutes of the State of Nebraska and the ordinances of the City of McCook.

RULE 11.—In case of death from small pox or other contagious disease, there shall be no public funeral, and the body of the deceased, after embalming, shall be wrapped in sheets saturated with reliable disinfectant and placed in a tight casket and box and not carried to or near any assembly of people, but buried or cremated immediately.

RULE 12.—Disinfection shall be done under the supervision of the board of health, and shall be as follows:

In severe cases boil or destroy by fire any bedding that has been in contact with the patient. In the sick room lay out loosely all other infected material (such as a line across the room on which to suspend linen and clothing). Open closet doors, bureaus, etc., close all cracks about doors and windows or elsewhere with pasted paper strips, a register fireplace or stove-pipe hole similarly closed, or if a fire is left, close all the drafts in the stove closely, stop smaller openings with putty. With the room thus sealed, evaporate (10) fluid ounces of 40 formaldehyde solution to each (1000) cubic feet of space in the room. The formaldehyde may be sprayed upon sheets, using a large plant spray. Have the air in the room moist from steam; warm the room to 80 degrees Fahr.; the room to remain closed for six hours. The other rooms need the same treatment with slightly less care. That each person quarantined take a full hot bath in suds containing corrosive sublimate one to two thousand. Scrub thoroughly, especially the hair, and put on fresh clothing. This may be done as soon as half of the house is through fumigation, that the clothing removed may be disinfected with the rest of the house. After all fumigation the house is to be thoroughly cleaned with hot sublimate water one to a thousand. All the walls are to be brushed with a brown cover with a cloth dampened in sublimate water, and the wood work scrubbed with hot sublimate water, care being taken to remove all dust above doors and windows. Carpets are to be rubbed in an antiseptic solution and exposed to air and sunlight. The same exposure will be given to all personal and bed clothing.

All policemen and police officers of the city are charged with the execution of the foregoing rules and it is made the duty of such officers to report to the board of health all cases of which the disease is contagious, and arrest all persons violating any of the provisions of these rules; report same to the board of health.

Passed and approved this 20th day of March, 1907.

H. P. WAITE,
Chairman.
M. LAWITSON,
Pres. City Council.
THOMAS BURGE,
Chief of Police.
J. D. HARE,
Sec. City Board of Health.

BLOCKADED.

EVERY HOUSEHOLD SHOULD KNOW HOW TO RESIST IT.

The back aches because the kidneys are blockaded.

Help the kidneys do their work.

The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

W. H. McCay, engineer at the Abernathy Mfg. Co., and living at 110 Dakota street, Leavenworth, Kan., says:

"Though I doctored and tried all kinds of medicines I suffered severely from kidney trouble for all of a year, and nothing seemed to do me the least bit of good. The pain in my back was terrible and sharp twinges would cramp me up at times so that I could hardly move. The kidney secretions were irregular and contained a great deal of sediment that looked like brick dust. One physician who treated me said I had muscular rheumatism, but he did not help me. After giving up all hope of finding relief I happened to learn through a friend about Doan's Kidney Pills and got a box at E. C. Fritzsche's drug store. I found benefit in the treatment and continued it until

I had taken three boxes. I was entirely cured of kidney trouble and have had no sign or symptom of it since. If ever any medicine saved a man's life Doan's Kidney Pills saved mine. I have been well for six years, and know several people who have used Doan's Kidney Pills on the strength of the testimonial I gave in 1899 recommending them. I have yet to hear of a case in which this remedy failed.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

INDIANOLA.

G. W. Shepherd is again able to attend to business after a short but severe spell of illness.

Mrs. Jas. Boldman is in the eastern part of the state visiting relatives.

A new carpet was put down in the Masonic hall Saturday, which improved its appearance very much.

John Du cher, John Fritz, and Mr. Waiton each shipped a car of cattle to Kansas City Saturday night.

Quick and King shipped six cars of cattle and one of hogs to Kansas City Saturday night.

Mrs. Wm. Gotchall near Danbury died Saturday morning at 3:30 o'clock. The funeral was preached at the home and the remains laid to rest in the Indianola cemetery.

Rev. W. J. Cragg, who has been assisting with the meetings here left for his home in Republican City Saturday morning.

Henry Long has moved to town and is occupying the residence of the Widow Phillips.

R. E. Smith drove over to Marion Sunday afternoon on business returning Monday evening.

Richard Holcomb is now engineer in the Indianola roller mills.

Miss Annie Madden is in Chicago visiting friends, not Miss Annie Marsel as erroneously stated in our last week's correspondence.

Mrs. Ernest Smith is a sufferer from neuritis this week which confines her to the house.

All the sick are improving, and no small wonder with four resident doctors warranted to kill or cure.

Editor Byfield and wife spent Sunday with relatives in McCook.

Merle Powell arrived home Tuesday morning for a visit with the folks.

Miss Minnie Love of Colorado visited with her sister Mrs. W. H. Powell this week.

Mrs. Curry and children left Tuesday morning on No. 12, for their new home in Hastings.

Mr. and Mrs. A. Deane and daughter drove up from Cambridge Saturday and visited with their daughter Mrs. Roy Mann until Sunday evening.

Miss Rozella Wolfe and grandfather, A. N. Puckett visited with relatives in Bartley, Sunday.

Miss Gladys Stewart is staying with Mrs. Arch Mann and attending school here in town.

Rev. Porter of Holdrege is conducting the revival meetings at the Methodist church this week.

Weyeneth-Berndt Marriage.

Mr. J. H. Weyeneth and Miss Olga Berndt were united in marriage in this city, Wednesday, March 20th. After the ceremony they returned to the home of her parents near Cedar Bluffs, Kans., where they and a company of invited guests enjoyed a splendid wedding supper. An evening of music and social pleasure ensued. They will make their home on a farm near Cedar Bluffs. They received quite a number of useful and pretty presents. All join in wishing the sterling, popular young people.

Seeing Is Believing

If you will figure with us, and quality of material is any object, you will be easily convinced that we out-class all competition.

What
does
the
Breakfast-Bell
mean in
your
household—

Light, wholesome
Biscuit
made with

Dr. PRICE'S
Baking Powder?

or unwholesome food made with an
alum baking powder?

It is worth your while to inquire.

WE are prepared for the spring trade with the best and largest stock of implements ever brought to McCook. Among the good things we have to offer are the following well known machines:

Moline

Gang, Sulky and Walking Plows, Disc Harrows and Western Belle Listers.

J. I. Case

Gang and Sulky Plows, Walking Plows and Listers.

Oliver

Gang, Sulky and Walking Plows.

Mitchell

Wagons still continue to be our leaders, but we also carry the Milburn Wagon and a good line of Farm Trucks.

Bradley

Listers and Cultivators.

In addition to these famous lines we have a large assortment of cultivators, among which we call especial attention to the DUTCH UNCLE and BADGER. You will also find in our yards the best two-row listed corn cultivators, feed grinders, gasoline engines, wind mills and almost anything else you may need in the farm machinery line. We still have plenty of hog fence, poultry fence and barbed wire.
