The announcement has been made that a new train schedule will go into effect on western roads, June 9th. Also the fact has been made public that the time of trains, notably of through trains, will be lengthened out considerably. This will allow of better local facilities for passenger traffic, so will suit Nebraskans.

### A CORRECTION.

In a recent issue of THE TRIBUNE appeared an article concerning the box supper held at the school house, April 12th, when \$108.20 was raised to buy books for the library. As some dissatisfaction and comment has been caused, we hope the TRIBUNE will grant us space to rectify the same. In the first place the supper was started by the ladies of the Pleasant Prairie Cemetery Association, for the purpose of raising money to fence the cemetery, and was announced that way. The teacher, Miss Hawkins, was requested to assist in preparing the program, which she consented to do, but asked that a part of the proceeds go to the library, as some of the pupils would not help unless 50 per cent of the proceeds went to the library. In the interest of harmony, the request was allowed. The library is in fine condition and the cemetery neglected. It is hoped the money will be wisely and judiciously used.
