IF YOU TOUCH your tongue to ALUM

and look in the glass—you will see the effect— You can't help puckering—it makes you pucker to think of tasting it.

By the use of so called cheap Baking Powders you take this puckering, injurious Alum right into your system—you injure digestion and ruin your stomach.

AVOID ALUM

Say plainly—

ROYAL BAKING POWDER

Royal is made from pure, refined Grape Cream of Tartar—Costs more than Alum but you have the profit of quality, the profit of good health.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some parts of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine etc. But if you keep the filters right you will have no trouble with your kidneys.
Mrs. Nellie May, of 308 Pennsylvania ave., Joplin Mo., says: "I know from my own experience that Doan's Kidney Pills are a reliable kidney remedy. I was bothered for six or eight weeks with a constant dull heavy aching in the small of my back. I was tired all the time, lacked ambition and in the morning always felt worse. Having reasons to believe these symptoms were caused from the kidneys I got a box of Doan's Kidney Pills. They proved to be the very remedy I required, and under the treatment the backache, languor and other symptoms disappeared."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
