

ENGLAND SAYS NO ALUM IN FOOD

and strictly prohibits
the sale of alum
baking powder—

So does France
So does Germany

The sale of alum foods
has been made illegal in Washington and the District of Colum-
bia, and alum baking powders are everywhere recognized as
injurious.

To protect yourself against alum,
when ordering baking powder,

Say plainly—

ROYAL BAKING POWDER

and be very sure you get Royal.

Royal is the only Baking Powder made from Royal Grape
Cream of Tartar. It adds to the digestibility and whole-
some-ness of the food.
