Announces the Production of the

"Passion Play"

For Two Evenings

Wednesday

3,200 feet of beautifully hand colored film is used in showing these pictures, which are Pathe's best style. For lucidity of picture and story it is unexcelled. The life of Christ is portrayed in an interesting and Biblically correct manner. The services of a competent lecturer will serve to make the story equally interesting to all whether versed in Bible history or not.

STORY—Commencing at the appearance of the Star of Bethlehem to the wise men and their journey to Jerusalem where they find the Savior. The flight into Egypt; the early life of Jesus. His teachings and work of Miracles and His entrance into Jerusalem. The rulers conspire against Him; the last supper; the betrayal in the garden of Gethsemane by Judas. The trial and crucifixion. The Resurrection.
