DEMOCRATS SWEEP NEBRASKA.

Incomplete Returns Indicate Plurality of 10,000 for Bryan.

Lincoln, Nov. 5.—Returns on Tuesday's election, while far from complete, are sufficiently definite to confirm and emphasize the first report that the Democrats have made a sweeping victory in Nebraska. While the pluralities for the victorious party are not phenomenally large, they are complete, the state ticket and candidates for congress in most instances running parallel with Mr. Bryan, who was expected to lead the ticket by several thousands. Complete returns from a third of the counties and scattering precinct returns from most of the remainder show that Bryan will have a plurality of not less than 10,000. J. Shallenberger, Democrat, for governor, and the balance of the Democratic state ticket will have hardly a thousand less.

But the Democratic victory does not stop there. At least three, probably four, and possibly five of Nebraska's six congressmen are Democratic, only one, Hinshaw, in the Fourth district being assured of escaping from the wreck. Nearly complete returns from every county in the Fourth district shows that Hinshaw has won by nearly 700 votes, although his district gave Bryan a plurality. There is a close fight in the Fifth district between Norris, Republican, and Ashton, Democrat, with the chances favoring the Democrat. Not enough returns have been received from the Sixth to base an estimate, but the trend in the district is Democratic.

The greatest surprise of all is the overwhelming majority the Democrats will have in the legislature. Of the 133 senators and representatives elected, the canvassers of returns could find but sixteen Republicans who had won. These, of course, are incomplete, but the Republican state committee concedes the Democrats will control both branches. Lancaster (Lincoln) county, which has for thirty years elected none but Republican members to both branches, this year sends four Republicans and three Democrats. The defeat he sustained did not weigh heavily on Mr. Bryan. He was one of the most cheerful of those at his home and laughed and joked good naturedly with his many visitors.

IOWA 70,000 FOR REPUBLICANS.

Jamieson Elected to Congress From Eighth Iowa District.

Des Moines, Nov. 5.—More complete returns received indicate that Taft's plurality in Iowa will pass the 70,000 mark. The estimate is based on practically complete returns from two-thirds of the counties, and it will probably be sustained by complete returns. This plurality of 70,000 is 6,000 more than was given to McKinley in 1896 and is more than a normal Republican plurality.

Hepburn was defeated in the Eighth district by Jamieson, Democrat. Hull's majority in the Seventh district will be 6,000. Cummins, for United States senator, has won by an overwhelming majority. Returns from nearly every county in the state indicate his election over Lacey by at least 25,000. The complexion of the next Iowa legislature will be progressive Republican.

Shenandoah, Ia., Nov. 5.—Complete returns from the eleven counties in the Eighth congressional district show that W. D. Jamieson, Democrat, defeated William P. Hepburn, Republican, 439 votes. Jamieson is thirty-five years old and is a native of Iowa. He has conducted a newspaper here for the past seven years and two years ago was elected to the state senate. Mr. Hepburn was first elected to congress from Iowa in 1880, and has served continuously, with the exception of six years between 1886 and 1892.

Kansas Still Republican.

Topeka, Kan., Nov. 5.—Returns from fifty-nine counties have been received. These give Taft 22,024 and Bryan 16,417. Later returns are reducing the estimated plurality of Taft and of Stubbs for governor. Stubbs' plurality is placed at 20,000 and Taft's about 3,000 more. The election of Joseph L. Bristow to the United States senate is assured. Returns show the election of thirty-nine Democratic representatives and five Democratic senators, seventy Republican representatives and thirty Republican senators. This leaves sixteen representatives and five senators still in the doubtful column. The Republicans have a majority in the legislature of fifty-six, not counting the doubtful members said of thirty-five counting all the doubtful ones in the Democratic column.

Michigan.

Detroit, Nov. 4.—With Taft and Sherman carrying the state by a large majority, estimated at about 100,000, the successful candidate for governor of Michigan is not known this morning. Returns from the state are slower than they have been for years. Republican candidates for congress have been elected in all but the First district, where the votes have not been counted, and the result is not known.

Taft Wins in South Dakota.

Pierre, S. D., Nov. 4.—This state has been carried by Taft by a plurality estimated at 30,000. In 1904 Mr. Roosevelt received a plurality of 50,114. Robert S. Vessey, Republican candidate for governor, has been elected.

Bryan Loses in Utah.

Salt Lake, Nov. 4.—Mr. Bryan has lost Utah by a majority estimated at 5,000, 52,500 of the state's 100,000 votes going to Mr. Taft. William Spry, Republican, has been elected governor by a small majority.

NEW JERSEY GOES REPUBLICAN.

Taft's Plurality Will Be About Seventy Thousand.

Trenton, N. J., Nov. 4.—Revised returns indicate that Mr. Taft's plurality in New Jersey will be 70,000. The Republicans elect seven of the ten congressmen, the Democrats two, the Sixth district, which is now represented by a Democrat, William Hughes, being very close and in doubt. The Democrats elect their congressional candidate, Kinkead, in the Ninth district and Hamill in the Tenth. Thomas Foxhall is the Republican candidate in the doubtful district. The Republicans have re-elected Loudenslager in the First, Gardner in the second, Lowell in the Third, Wood in the Fourth, Fowler in the Fifth, Parker in the Seventh and have elected Congressman Wylie in the Eighth, which now is represented by a Democrat, Pratt. The present congressional representation is now six Republicans and four Democrats, so that the Republicans gain one and possibly two congressmen.

THE SOUTH STILL SOLID.

Usual Democratic Majorities Returned in Dixie.

Guthrie, Okla., Nov. 4.—Oklahoma has continued loyal to the Democratic party, but the majority has been reduced materially, and Bryan's lead is estimated at only 25,000. The five members of congress, four Democrats and one Republican, have been re-elected. The legislature is two-thirds Democratic, insuring the re-election of United States Senator Thomas P. Gore, the blind orator.

Texas.

Austin, Tex., Nov. 4.—William H. Taft did not make as good a showing in this state as President Roosevelt, who polled 51,242 votes in 1904. The vote this year is approximately as follows: Bryan, 226,000; Taft, 20,000. Thomas M. Campbell, Democrat, has been re-elected governor.

Georgia.

Atlanta, Ga., Nov. 4.—Georgia's thirteen electoral votes will be cast for William J. Bryan, and the state's representation will continue solidly Democratic. The state election was held in September. The Taft vote in this state fell 10,000 below that of Mr. Roosevelt, which was 24,000.

Kentucky.

Louisville, Ky., Nov. 4.—Kentucky has gone Democratic by a vote of 230,000 in a total vote of 430,000. The Republicans have lost two of their congressmen, giving the state now nine Democrats to two Republicans. There was no state election.

Florida.

Jacksonville, Fla., Nov. 4.—Albert W. Gilchrist, Democrat, has been elected governor of Florida, and the Democratic national ticket has carried the state by a majority of 25,000, the Republican vote showing a loss of 3,000 since 1904.

South Carolina.

Charleston, S. C., Nov. 4.—The Republican party polled only 2,000 of the 58,000 votes in this state, running slightly behind the figures of four years ago. M. F. Ansel has been re-elected governor without opposition.

Virginia.

Richmond, Va., Nov. 4.—The Old Dominion is still safely within the Democratic ranks by a very large majority. Taft polled only 30,000 votes in a total of 130,000, a Republican loss of 17,850 since 1904.

North Carolina.

Raleigh, N. C., Nov. 4.—The Democratic national ticket has carried North Carolina by a majority of 25,000, the total vote being 210,000. W. W. Kitchin has been elected governor.

Alabama.

Montgomery, Ala., Nov. 4.—Bryan, 90,000; Taft, 13,000, are the election figures in this state. Mr. Taft polled 9,472 fewer votes than Mr. Roosevelt did in 1904.

Arkansas.

Little Rock, Ark., Nov. 4.—Arkansas has given Mr. Bryan a majority of 30,000, an increase of 12,436 over the vote polled by Mr. Parker in 1904.

Tennessee.

Nashville, Tenn., Nov. 4.—Tennessee is still strongly Democratic by a majority of 80,000. The Republican vote of 1904 was greatly reduced.

Mississippi.

Jackson, Miss., Nov. 4.—Mississippi's ten electoral votes will go, as usual, to the Democratic candidate. There was no state election.

Louisiana.

New Orleans, Nov. 4.—As usual, Louisiana is solidly Democratic by a very large majority. There was no gubernatorial election.

Bryan Carries Nevada.

Carson City, Nev., Nov. 4.—Nevada has been carried by the Democratic party, reversing the result in 1904. Of the state's 10,000 votes Mr. Bryan has received 7,000.

Montana Goes for Taft.

Helena, Mont., Nov. 4.—The three electoral votes of this state will be cast for Taft. Norris, Democrat, has been elected governor.

G. O. P. Wins in Idaho.

Boise, Ida., Nov. 4.—Idaho has gone Republican on both state and national issues. James H. Brady has been elected governor.

Gave Him All the Lot.

"So that is your final word?" said the rejected one. "Very well, then, Arabella. In your presence I will end the life you have blighted."

He drew forth a small bottle labeled "Poison," drank off the contents and fell senseless at her feet. Did she sink beside him sobbing with remorse? No. She hastily left the room and in two minutes had returned and was kneeling beside him. Then she forced between his lips the following: Half a cup of turpentine, one pint of milk, a cup of warm soapuds, a tablespoonful of aromatic ammonia, a cup of black coffee, a glass of mustard and water, a gill of vinegar, the juice of a lemon, the beaten whites of six eggs and one cup of flour and water. "Algernon," she observed coldly as he slowly opened his eyes, "it is evident you had forgotten that I am a graduate of a correspondence course in first aid. My one regret is that, as I could not on the instant ascertain whether you had taken an acid or an alkali, I was compelled to administer all the antidotes I had learned."—London Scraps.

A Picture Romance.

It is said that one of the most beautiful ladies in French society today was first revealed to her husband on the walls of the salon. It was while visiting the salon in 1878 that the youthful Marquis de C. was struck by the childish beauty of a young girl, one of the prominent figures in a picture of a village fete. Her tumbled golden locks, her dancing blue eyes and the freshness and graceful abandon of her figure so fascinated him that he sought out the artist and learned from him that the "little witch" was the daughter of a poor peasant near Avanches, where the picture was painted. To seek out the peasant and to make the acquaintance of his fascinating daughter, child of nine summers, was soon accomplished, and the marquis lost his heart even more completely to the real than to the pictured maid. With the father's approval he had the girl educated at one of the best schools in Paris, and nine years later, on her eighteenth birthday, the maid of the village fete blossomed into the still more lovely Marquise de C.

Ivory Jelly.

The jelly was singularly pale. It almost resembled junket. "It is ivory jelly," said the invalid. "My English cousins sent me a case of it from Sheffield."

"But why is it called Ivory jelly?" they inquired. "Precisely because it is made of ivory. A third of England's ivory goes to Sheffield, and in the process of grinding and cutting it for knife handles, and so forth, a lot of ivory dust remains, a fine dust, similar to the best flour. Of this the Sheffield folk have made jelly for many years."

"The jelly for some reason is nourishing, extremely so. The doctors prescribe it for the anemic. And of late a Sheffield firm has taken to manufacturing it on a large scale. Sheffield ivory jelly is now on the market."

"Out of courtesy to my cousins I tried it. To my surprise I found it good. My doctor, sampling it, found it good too. He told me to take the whole case."—Buffalo Express.

An Interesting Book.

A French marquis whose country house is crowded with guests during the hunting season hit upon the original idea of placing a register at the disposal of her visitors in which to record their desires and criticisms. The pages of the richly bound book soon began to be covered with notes such as:

"Count de R. still owes 25 louis. He knows to whom."

"The green peas yesterday were burned."

"Baroness M. dirts—unfortunately not with me."

The marquis has withdrawn the register.

Parents' Hairs and Heirs.

It is possible to predict from the hair of parents the form of their children's hair. Two blue eyed, straight haired parents will have only blue eyed, straight haired children. Two wavy haired parents may have straight, wavy or curly haired children, but the chances of curly hair are slight. Two curly haired parents may have children with either straight, wavy or curly hair, but the proportion of curly haired offspring will probably be large.—American Naturalist.

The Bolster.

The crusaders are said to have brought home with them the bolster, and, according to Dr. Cantile, their wives, in ignorance of the only rational way of using the article (i. e., lengthwise as a support for the back of a person when lying on his side) and not knowing what else to do with it, put the bolster where it is still found on the beds of those who have not learned the wisdom of discarding it altogether—under the pillow.—London Chronicle.

Truth in a Turkish Bath.

"Judge," said the colored witness "I'm hungry now I been tellin' de truth for two hours"

"Is that the longest time you ever told it?"

"Yes, suh, an' it's had me sweatin'!"—Atlanta Constitution.

Always Counting.

"Your husband says that when he is angry he always counts ten before he speaks," said one woman.

"Yes," answered the other, "I wish he'd stop it. Since he got dyspepsia heuc seems nothing but a class in arithmetic."
