IDLE men and idle money are the twin facts now menacing prosperity in America, according to E. H. Harriman, the U. P. magnate. Profitable employment for capital and labor spells prosperity. He thinks it a function of government to create and foster conditions to bring about such a desirable result.

Jndge H. S. Dungan of Hastings will deliver an address on "Fundamental Needs of Business" in the Congregational church, next Sunday evening at 8 o'clock. Mrs. Dungan will sing several selections on the same occasion. The public is invited. Services under auspices of the Men's Sunday Evening

If this semi-weekly stunt looks good to you, tell the publisher. If you are not already an advertiser, join the boosters. Perhaps you are not a subscriber. Get on the list.

### PUBLIC LIBRARY NOTES.

"Who shall decide when doctors dis-

And soundest casuists doubt, like you

Doctors and critics are much alike; each works upon his own theory, and often to a disagreement. One eminent to blow in at the window is past. critic, writing of the work of Thackery, can hardly call him a great novelist because he insists upon the intrusion of himself into his novels, and makes himself more conspicuous between the lines then his characters upon the lines. Another critic, of equal eminence and learning, lauds Thackeray for this same characteristic trait of putting himsame characteristic trait of putting himself into his novels with remarkable truthfulness, and so giving life to his

If you, the reader, then, feel inclined to be supercritical, you will find some one high in literary authority to agree with you, whichever opinion you may hold, and will have cause to be well satisfied with yourself, in that you have reached the plane of other master

If, however, you are desirous of reading for your personal pleasure, and are content to leave criticism to the critics, you will find much to enjoy, and great reason to marvel that a man has created characters and accidents so like roal

Thackeray placed his pictures upon a large canvas, and worked them out with a minuteness of detail which gives the reader of today, who is impatient of delay in getting at the "story", a chance to complain of his wordiness. To the thoughtful reader, however, his style does not suffer by comparison that of the author of "Granstark," or of "Richard Carval," both of whom are creators of some of the best sellers.

Thackeray may be guilty of snobbery, as his accusers assert, but he has written novels that have lived, and will continue to live after many a one, written by authors who repudiate snobbishness,

has been long forgotten. You can read Thackeray, feeling always that you are in good company. LIBRARIAN.

ANSWERS EVERY CALL. McCook People Have Found that This You Strangle? True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys Spells of backache often follow, Or some irregularity of the urine. A certain remedy for such attacks,

A medicine that answers every call,

Is Doan's Kidney Pills, a true specific. Mrs. B. F. Marshall, living in the western part of Arapaboe, Neb., says: \*While lifting some years ago I strained myself and after that I began to have trouble with my kidneys. If I worked a little harder than usual, or caught the slightest cold, I was sure to suffer more severely, and at times would be forced to remain in bed for a couple ofidays. My back was very sore and when I straightened after stooping, sharp pains would dart through me. I also had frequent headaches and dizzy spells and the kidney secretic as annoyed me somewhat, by their irregular action Not until I used Doan's Kidney Pills was Igable to get relief. They went directly to the root of my trouble and before long[I] was in good health again."
