Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb of brush belonging to some one else No matter how cleanly the maner may be, these articles may be infected with mic obes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat Many a hat band is a resting clace for microb-s.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scal and bair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the bair naturally silky, soft and glossy. It does this because it stimulates the hair forlicles, destroys the germ matter, and bring about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair, We want everybody who has any trouble with hair or scalp to know that Rexall "93" Hair Tonic is the best hair tonic a id restorative in existence, and no one should scoff at or doubt this statement uutil they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in McCook only at our store-The Rexall Store. McConnell, Drug Store.

In Rhode Island Governor Pothier (Rep.) was re-elected over Olney Arnold (Dem.) by a small majority.

In Philadelphia, another battle ground on reform issues, Samuel P. Rotan (Rep.) was elected district at torney over D. Clarence Gibboney, representing the Law and Order society and the reform element. Rotan's majority exceeded that in a previous reform campaign, being upward of 30,

The returns from San Francisco, where reform issues are uppermost indicate the defeat of Francis J. He ney for district attorney.

The Pennsylvania state elections for treasurer, auditor general and judge of the supreme court resulted in the usual Republican majority.

In addition, the Republican-Fusionists elected Charles S. Whitman district attorney of New York county, who defeated George Gordon Battle, the Democratic nominee, by at least 13,000 plurality, and John S. Shea for sheriff over C. D. Sullivan (Dem.) by approximately 10,000 plurality.

The election throughout the state for members of the assembly resulted in the choice of a lower branch of the legislature having a Republican majority of about thirty-eight, as com-Successor to District Attorney pared with a Republican majority of forty-eight in the last assembly.

Gotham Election Scenes.

The features of the election were the general absence of disorder and the rapidity with which the vote was cast, notwithstanding the unwieldy and complicated ballots.

Although many arrests were made for violation of the election laws, the greater part of these were found to be due to clerical errors or misunderstandings. The professional repeater and the guerrilla were chiefly notable by their absence. Credit for this satisfactory state of affairs was given largely to the new signature law, put into practice for the first time in a New York municipal election. Under this law every voter after receiving his ballot is compelled to write his name and have it compared with the signature which he made at the time of registration.

If ever a New York election was well watched, it was yesterday's. Every polling place had its full quota of watchers, including nearly 2,000 college students from Columbia, Yale and many states and cities throughout the Princeton, and other nearby institucountry, with varying results there be tions, who were distributed throughing no national issue involved to out the greater city. The entire police force of 10,100 men was on duty be- forty each in favor of the amendment. fore daylight, the majority of them at as compared with the vote on the Poc the polling places, with squads of amendment. These figures would indi "plain clothes" scouts and detectives cate a majority in Baltimore of about ready for any emergency.

> Robert A. Taft, the president's son, was stationed early in the day at a Third avenue polling place. His pres ence, however, proved such an attraction to the east side crowd that the police were called upon to disperse the spectators and young Taft was transferred to work as a Republican 'scout." For the remainder of the day he spent his time hurrying by automobile from voting place to voting place, investigating reports of trouble and witnessing the playing of the political game in 100 different corners of the greater city. Elihu Root, Jr., also studied the election system of the city as a scout watcher.

The weather was all that could be desired.

Otto T. Bannard, the Republican nominee for the mayoralty, voted early. A long line of his supporters kept up a continual cheering during the minute or two which it took him to receive his ballot, mark it and place it in the hands of the officials.

Both Hearst and Justice Gaynor were more tardy in getting their ballots in. Mr. Hearst voted in an up-Justice Gaynor appeared at a little Brooklyn tailor shop where he cast his ballot only an hour before the time assigned for the polls to close. Both were pretty thoroughly flashlighted and snapshotted while they were preparing the vote.

The betting odds, which had made Justice Gaynor a 1 to 2 favorite, advanced still more in his favor during the day. By the time the polls closed Gaynor went begging at 1 to 3. There was far less confidence among the bettors, however, as to the remainder of lican majority is somewhat under the Democratic ticket, and the Gaynor men demanded slight odds on the entire city ticket. With Gaynor quoted at 1 to 3, Bannard money asked 4 to 1 and Hearst dropped to 8 to 1.

Herbert Parsons, the Republican county chairman, said that the election had been the hardest fought municipal contest ever held in New York.

"It is true that this has been a quiet election," he said, "but there has been much crookedness, and I think we shall hear more of this later. Our watchers reported all day long that ballots had been found already marked with a cross in the Democratic column before being handed to the voter. There were other peculiar things going on, too-how generally I cannot say at this time."

Governor Hughes cast his vote just before noon. He was in the booth several minutes, and declined to make any comment on the election.

The districts now traversed by the 3-cent fare lines instituted by Johnson went against him.

Herman Baehr, the first Republican to be elected mayor of Cleveland in ten years, declared that his election was due to the dissatisfaction of the people with the methods of handling city business.

The mayor in conceding his defect announced that he will be a candidate for mayor two years hence. Rumors that he would remove to New York were denied by his friends, but John son did not comment on them.

The election of Baehr is taken to mean the settlement of a long street railway war, which Johnson began eight years ago. Baehr has pledgeu himself to a 6 per cent return on the stock. The company has accepted the terms and Mayor Johnson has tenta tively done so, reserving the right to fight the settlement at a referendum

#### AMENDMENT DEFEATED

Maryland Turns Down Disfranchise ment Plan.

Baltimore, Nov. 3.-Five precinct: in Baltimore show an average gain o 8,000 against the amendment.

Owing to the very slow count, only a few precincts have been heard from. They indicate that the constitutiona. amendment aimed to disfranchise the negro is running slightly ahead of the Poe amendment, having a similar purpose, which was defeated four years ago. It is estimated that in Garrett county, which is strongly Republican, the amendment will be defeated by 800. The Poe amendment was defeated in Garrett county by 1,400.

The Republican chairman concedes Kent county to the Democrats by 206 votes. Several Democratic officials up for re-election show a falling off in their vote.

PENNSYLVANIA

Opposition of Reformers Proves Small Obstacle to Rotan.

Philadelphia, Nov. 3.-Philadelphia re-elected Samuel P. Rotan district at torney on the Republican ticket by a large majority. His opponent was D. Clarence Gibboney, long a leader of the reform element and well known by his connection with the law and town garage shortly after noon, and order society. The vote was the larg est in the city's history and the in terest was intense.

> On the state ticket the Republicans elected J. A. Stober state treasurer, A. E. Sisson auditor general and Robert Von Moschzisker judge of the supreme court. Against the latter C. Larue Munson (Dem.) made a spirited campaign and returns indicate that in many counties Mr. Munson ran ahead of his ticket. Two years ago John O.
