The road grader was in evidence about the city, first of the week, occasioned by the condition of the streets following the recent rains. Work is being done on some of the cross streets, tending in considerable measure toward the city beautiful.

The new live stock judging coliseum on the state fair grounds is rapidly nearing completion and will be ready for the 1910 fair to be held September 5-9. This building is peculiar in its construction in that only enough money was appropriated to build one-half of a building such as are on other state fair grounds, so the board of public lands and buildings decided, upon recommendation of the state board of agriculture, to erect the south one-half, which is 209 feet in width by 175 feet in length. The half judging ring therein will be 120x135 feet with surrounding seats for more than 2000 people.

At San Antonio, Texas, Mrs. Topperwein broke 961 out of 1000 targets thrown from regulation traps at unknown angles.
