**Practically Destroyed.**  
The old James G. Hamilton dwelling on 2nd street west, occupied by E. F. Brunswick, was practically destroyed by fire, last Friday afternoon, entailing a loss of perhaps \$500. The building was an old one. No insurance was carried by Mr. Hamilton, who has for many years lived in Pass Christian, Miss. Mr. Brunswick carried \$400 insurance on his household goods, hence his practically complete loss is doubtless well covered. We understand that the interior of the dwelling was being cleaned and that gasoline was used in part in the process. The gasoline caught fire and quickly enveloped the interior, and the house and contents were well along to destruction by the time the department could get a stream of water on the structure.

**SANFORD DODGE PLAYS AT THE KEITH THEATRE.**

**Good Company and Elegant Scenery. Play Arranged by Mr. Dodge.**  
"Sanford Dodge, with his splendid company, gave the play, 'The Three Musketeers,' at the Keith theatre, last evening, and the audience enjoyed an evening of rare entertainment. Every actor in Mr. Dodge's company showed an intelligent and masterful appreciation of the part he played.  
"It is safe to say that most people know little of 'The Three Musketeers.' Scarcely anyone knows the subject matter of this classic, so to most people the attendance at the play furnishes an intellectual treat. This play is arranged by Mr. Dodge himself, and reflects great credit upon his talent and ability."—Daily Telegraph, North Platte, Neb.  
Temple theatre, Friday, Sept. 2.

**Fined for Assault.**  
Mrs. Pearl Perkins was fined in Judge Heaten's court, Tuesday morning, for an assault on Floyd Barritt. The judge made the fine \$3.00 and costs, which brought the total up to \$11.70.

There was a small livery bill of \$3.00 due the Barritt barn. Barritt thought the Perkins were going to leave town, Monday night, per train. He met the husband at the train and sought to get the amount due. There was a wordy interview and the defendant smote Floyd one or so. The husband became involved. Subsequently arrests were made, and the judge did the rest. The fine and costs were duly paid. It would have been cheaper to have paid the account.

**Public Schools Open September 5.**  
McCook public schools will open September 5. It is requested that all pupils report to the same rooms they were enrolled in last spring, and promotions will be made from the several rooms. The boundary lines between the several buildings will be the same as in the past.

Owing to sickness last spring a number of pupils did not get to take final examinations. A special examination will be held in the high school building, second floor, for all such, as well as for those who wish to enter from other schools, on September 2, beginning at 9 o'clock in the morning. A number of boys from out of town are wanting to get places to work for board and room or part of such. Any one wanting help of this nature or knowing of those who do, will confer a mutual favor by calling up Supt. Taylor.

Parents of children who are to enter school for the first time should have them started before October 1. All parents should start pupils at once. The school work is so planned that every day represents so much of a definite progress toward a specific end, and that pupil who starts to school late or attends irregularly is handicapped just that much.  
CHARLES W. TAYLOR, Superintendent.

**A Great Production.**

Each and every act is set with special scenery, the costumes are beautiful, and every feature is presented with strict attention to detail and dramatic perfection. At the Temple theatre, McCook, during the race meet. Don't forget the dates, Aug. 31, Sept. 1 and 2, and remember this is one of the few real dramatic treats of the entire season. Prices, 25c to 75c.

**W. C. T. U. COUNTY CONVENTION.**

**Report of County Convention, Held by the Women's Christian Temperance Union, in the M. E. Church, McCook, Aug. 22.**

Convention was called to order by Mrs. Birdie Dodge, county president. The morning was given over to executive business and election of officers.

The following officers were elected: President, Mrs. Birdie Dodge of Marion; vice president, Mrs. Carrie Hoppe of Bartley; corresponding secretary, E. Alice Pepper of Marion; recording secretary, Dora B. Callen, McCook; treasurer, Mrs. Lavina Moore of McCook; superintendent parliamentary work, Mrs. Stilgebouer of Bartley.

There were present six local officers and seventeen delegates. In the afternoon the different departments were represented by papers read by the following ladies. The papers showed thought, study and care in their preparation and were presented in a very acceptable manner.

"Evangelistic," Mrs. Wimer, McCook; "Franchise," Mrs. Nilsson, Marion; "Sunday School Work," Mrs. Olmstead, Bartley; "Health and Heredity," Mrs. Dimmitt, Marion; "Jail and Prison," Mrs. Inglis, McCook; "Flower Mission," Ella King, Bartley; "Law Enforcement," Clara Rodabaugh, Marion; "Mother's Meetings," Mrs. Hoppe, Bartley; "Domestic Science," Mrs. Callen, McCook.

After the papers were read they were discussed by the members of the convention and words of help and cheer were given the members by Mrs. Daily, state vice president.

The convention decided to hold an institute in the spring, in Marion, and the next convention will be held in McCook a year from this date.

In the evening an informal reception was held for Mrs. Daily, giving all an opportunity to meet her. All union workers were well pleased to have her presence at the convention.

She gave a very pleasing and instructive talk at the Baptist church on Sunday night and gave a talk in the M. E. church, Monday night, which was the closing feature of the convention.

While the convention did not measure up in attendance as well as the workers had fondly hoped, it was a good convention, full of interest and helpful suggestions, and filling the workers with a determination to go home and endeavor to do better and more effective work in their unions.

The following resolutions were adopted:

Resolved, that we, the members of the Woman's Christian Temperance Union, are everlastingly opposed to the open saloon, and that we declare our allegiance to our principles, for the prohibition of the sale, manufacture, exportation and importation of alcoholic liquors as a beverage and the utter extinction of the drink habit.

Resolved, that we, as members of the McCook W. C. T. U., have received great benefit and inspiration from their convention.

Resolved, that we extend our heartfelt thanks and appreciation to our state vice president Mrs. S. K. Dailey for her presence and helpful and encouraging words.

Resolved, that the McCook union have greatly enjoyed the visiting delegates, their papers especially being very helpful.

Resolved, that we extend a vote of thanks to trustees of the M. E. church for use of the building.

Mrs. Belle Inglis, Mrs. Lavina Moore, Mrs. Dora Callen, Committee on Resolution.

**One Dollar**

does not make a fortune anymore than one swallow makes a spring. But one dollar deposited as a start on a bank account may mean a fortune in time, just the same as the one bird indicates that spring is coming.  
After you have made the start it is only necessary to adopt a rule of saving a certain part of your income REGULARLY, to lay by a substantial sum. Suppose you decide to save one-fourth or one-fifth of every dollar that comes into your hands, wouldn't that give you an excellent start in a year or less?  
We would courteously ask you to consider this bank when selecting a depository for your money. We will be glad to see you at any time and explain any points that you do not understand.

**The Mantle of Mephisto!**  
"Faust" and Mr. Louis Morrison as Mephisto have been for years the synonyms of excellence. Mr. Morrison, however, has been called to that other and better world, and it is generally conceded that the mantle of Mephisto, which he can wear no longer, has fallen on the shoulders of Mr. Sanford Dodge. This young actor has an entirely new conception of the great role, making the character more humorous and likeable than any other actor has ever succeeded in doing. Don't miss seeing this splendid production of "Faust" at the Temple theatre, McCook, Sept. 1, second day of race meet.
