GOV. A. C. SHALLENBERGER.  
Defeated for Renomination on Democratic Ticket.

a safe lead over Cady for governor, but each hour thereafter for one solid week the pendulum swung from Shallenberger to Dahlman and back again, with reports slightly favoring the Omaha mayor, until the situation became intensely exasperating.

The balance of the state ticket, both democratic and republican, was almost forgotten, no one but the candidates themselves, a few intimate friends, and the newspaper reporters taking any interest in any offices between governor and congressmen. It all focused on Shallenberger and Dahlman until, at this writing, the Omaha mayor seems to have a safe lead of less than 100 votes.

Governor Shallenberger is behind Mayor Dahlman just sixty-one votes. This comes after several corrections have been made. Sheridan county was found to be for the governor by thirty votes instead of 175, as reported. Rock county gave Shallenberger but seventy-three majority, instead of eighty-three; Thurston county gave Dahlman 153 votes instead of 103, as reported. Some slight gains have been made in Douglas county for Shallenberger, as the count progresses, but these fall by far to make up the difference.

ELMER E. BURKETT.  
Senior U. S. Senator, Renominated on Republican Ticket.

question are Adams, Cuming, Douglas, Lancaster, Otoe, Hall, Cedar, Howard, Dodge, Gage, Saline, Butler, Seward and Cass.

Governor Shallenberger has issued a lengthy statement in which he charges republicans with nominating candidates for both parties and condemns the open primary law which he approved. He says that there were a little more than 83,000 votes cast for the democratic and republican candidates for governor. At the primary held last week as near as can be ascertained without the official canvass, about 84,000 votes were cast for the candidates for governor on the democratic and republican tickets. Practically the same number of votes being cast for these offices at each primary. But in the 1908 primary the three democratic candidates received 32,577 votes in the democratic primary and Governor Sheldon without any contest whatever in his party received 52,282 in the republican primary. This shows that in the 1910 primary the total of votes cast is practically the same as for that of 1908, but a great body of republican voters moved over into the democratic column in order to determine who the democratic candidate should be.

**Democrats May Reject Amendment.**  
Returns from twenty-five counties indicate that on the constitutional amendment relating to the right of suffrage the republicans will accept it as party dictum by a considerable majority, but that the democrats will turn it down. The populists will also accept it. The vote of the democrats

Who will finally win? This question is the topic of conversation everywhere at present, and opinion is divided as to whether Shallenberger will finally be able to come up from behind and pass his opponent. The chances are against him. Starting out from Douglas and Lancaster counties with a handicap of almost 6,000 votes, the governor has slowly forged ahead, largely by the aid of the counties in the Fifth district and in the short grass country, and has finished neck-and-neck with Dahlman.

**Bryan to Support Hitchcock.**  
Lincoln, Neb.—W. J. Bryan will do everything in his power to assist in the election of Congressman Hitchcock to the United States senate.

GILBERT M. HITCHCOCK.  
Congressman Third District, Nominated for U. S. Senator on the Democratic Ticket.

statement given out by C. W. Bryan today. Mr. Bryan said: "Mr. Hitchcock has made an excellent record in congress, and I shall do all in my power to secure his election to the senate. He ought to have every democratic vote and enough insurgent votes to elect him."

**In the Big Sixth.**  
In the Sixth district, with about two-thirds of the reports at hand, Kinkaid has won over Beeman about three to one. The latest totals are: Kinkaid 4,235, Beeman 1,599. The latter did not carry his home county. On the democratic side it is still anybody's race, with Taylor of Custer and Dean of Custer in the lead far enough to insure that the race will be between them. Following are their totals: Taylor 1,313, Dean 1,385, Shumway 911. Ross and Wendt are away in the rear.

**WHAT CANDIDATES SAY.**  
**Mayor Dahlman**—"I will make the greatest fight for election that has ever been staged in Nebraska."  
**Governor Shallenberger**—"I am confident that I will be nominated, though by a small majority."  
**C. O. Whedon**—"My personal feelings sustained no disappointment."  
**Congressman Hitchcock**—"The size of my majority has surprised me."

CHARLES W. POOL.  
Editor Tecumseh Journal-Tribunal, Speaker of the House, Democratic Nominee for Secretary of State

Not only is the majority which the voters have given me surprisingly large, but it was very evenly distributed."

**R. L. Metcalfe**—"I find no room in my heart for vain regrets over defeat."

**Metcalfe Carried Omaha Ward.**  
Although R. L. Metcalfe was defeated in the race for United States senator, he had the satisfaction of carrying the Ninth ward in Omaha, his old home, over G. M. Hitchcock, who lives in that city. Metcalfe, in fact, had a majority over both his opponents there. The vote resulted: Metcalfe 522, Hitchcock 485, Reed 17.

## EMERANCE COLUMN

Conducted by the McCook W. C. T. U.

**Four Battles Royal.**  
Battles royal are about to be fought in four of the states of the Union in connection with the liquor traffic. Florida, Missouri, New Mexico, and Arizona are in the thick of mighty struggles.

Florida and Missouri are to decide at the November election on state-wide prohibition. New Mexico and Arizona, our two new states, are making strenuous efforts to put prohibition in their constitution.

As was to be expected the liquor interests of the country are concentrating their forces on these four states. They will do everything that is possible, fair or unfair, to win out. Our representatives, and by that we mean the forces of righteousness, of decency, and of law and order, must not be left to themselves. Help will be needed from the outside. Rightly understood these four battles royal are ours wherever we live, if only we are among those who believe in temperance and in all those virtues that make for the protection of the American home and nation.

In so far as the new states are concerned they are in reality just now facing an epochal crisis. The statehood enabling act passed by Congress provides for prohibition for the Indians. But about one-half of the population of these states is Spanish-American, which needs protection about as much as do the Indians.

Using the plow shares of riding plows as brakes does not improve the roads, brethren, but on the contrary makes pretty rough roads in places for travel. Don't do it. Keep your shares up if you travel the public highway.

**Keep the Laugh On Your Lips.**  
If the clothes-line breaks, if the cat tips over the milk and the dog elopes with the roast, if the children fall into the mud simultaneously with the advent of clean aprons, if the new girl quits in the middle of house-cleaning, and though you search the earth with candles you find none to take her place, if the neighbor you have trusted goes back on you and decides to keep chickens, if the chariot wheels of the uninvited guest draw near when you are out of provender, and the gaping of your empty purse is like the unfilled mouth of a young robin, take courage, if you have enough sunshine in your heart to keep the laugh on your lips. Before good nature, half the cares of daily living will fly away like midges before the wind. Try it.—Waterman's The Girl Wanted.

McCook People Should Know How to Read and Heed Them.  
Sick kidneys give many signals of distress.

The secretions are dark, contain a sediment.  
Passages are frequent, scanty, painful.  
Bachache is constant day and night.  
Headaches and dizzy spells are frequent.  
The weakened kidneys need quick help.  
Don't delay! Use a special kidney remedy.  
Doan's Kidney Pills cure sick kidneys, backache and urinary disorders.  
McCook evidence proves this statement.

Mrs. Elizabeth Kummer, 208 4th street E., McCook, Neb., says: "I was subject to backaches and headaches and I knew that my kidneys were weak, as the secretions from these organs were badly disordered.
