DEFEATED BY SCORE OF 20-9.

Beaver City High School Football Team Does the Stunt.

Fighting gamely and against great odds, McCook lost to Beaver City, Saturday. The game was the hardest fought of any seen here this year. Beaver having lost only one game, was confident of winning by a big score. Outweighed 25 pounds to the man, the McCook team played the visitors to a standstill most of the time, but finally the weight would tell and they would push the lighter McCook boys back.

Beaver City made a touch down in about seven minutes after the kick off. With about three minutes to play in the first quarter, Wilson made a pretty drop kick from the 25-yd. line. McCook used forward passes and end runs to good advantage, this quarter. Beaver City was not able to gain thru the light McCook line. Hobson carried the ball for the Beaver's only touch down in the second quarter and Wilson added three more points for McCook by a nice kick from the 30- yard line. Amsden got away for a 30-yard run on a criss cross and Wilson and Schmidt and Milligan run the ends for good gains.

Beaver City came back strong in the second half and completely outplayed the McCook boys. They made two touch downs the third quarter. Hobson and Bickford got loose for long runs several times. Bickford's running thru a broken field was a feature. With splendid interference, the Beaver backs ran McCook's ends tle ones, Old Mother Hubbard, Her the last quarter. The ball see-sawed Dog, The King's Child, Fairy Queen, up and down the field, most of the time in Beaver's territory. Wilson made a pretty drop kick from the 35-yard line, making the final score

20 to 9. The game was exceptionally free rom rough and dirty playing. Both teams played hard, but the weight Episcopalwon out. Bickford and Hobson played a star game for the visitors. Beavruns, but failed to gain thru McCook's
