What We Have for Gift Seekers

It is time to know now what there is for holiday giving, whether you are ready to buy or not. Our ample stock is on display, and we are anxious to show you how well we have provided for gift seekers. It's a splendid stock, bought early while there was best choice, and it includes many desirable items that will not be found elsewhere this year. The brief outline below gives but a meager idea of what is really here. Come and see our goods and settle your gift problems early. Our prices will help you to decide.

Real Cigars

Every brand of cigars in our stock is good. Any smoker will be pleased with any you may choose here.

All our cigars, whether in fancy holiday packages or put up in regular form, are our staple brands, the choicest the market affords.

Ladies' Hand Bags

An entire new stock of this season's goods. Whatever you select here will be right and the style. Our assortment includes bags in all the most desirable leathers.

These goods are made for service as well as beauty.

Smoker Sets

Many unique ones in our assortment.

If you have a smoker friend who hasn't a smoker set, here's a gift for him. China, metal, brass and burnt wood sets.

Kodaks

are superb gifts, one of those that you can not go amiss on. Every normal human being likes pictures, and likes to make them. Amateur photography is an educational diversion; it gives pleasure and it pays. Kodaks are especially suitable for young folks; they can be given with a certainty of making the recipient happy.

The range of price is so great that any requirement as to cost can be met, while even the smallest and cheapest cameras do good work.

We have kodaks from \$1.00 to \$65.00.

IT IS IDLE TO SPECIFY, for there are hundreds of items to choose from. Here is where you get desirable presents; get the most for your money; get the widest possible choice. You cannot be sure that your money has done it's best unless you see our line of holiday goods and get our prices. Those who come to look are as welcome as those who come to buy.

Toilet Articles

This line takes in a wide variety of gift goods—hand, stand and triplicate mirrors, brushes of all kinds, combs, traveling cases, brush and comb sets, etc., etc. These are the latest style, and are sure to please anybody you may favor. Just what you want at the prices you want to pay.

Post Card Albums

We have them bound in cloth and leather in the various sizes, styles and colors. Quite the popular gift for the souvenir post card craze.

The largest showing of these goods we have ever made.

Magnificent

So largely is our stock of beautiful pictures increased this year, and so taking are the subjects, that it is hard adequately to present them. You should see them, and see them soon, before the assortment is broken.
