

# DO YOU WANT A HOME

DO YOU WANT to make and save money at the same time? Do you want to make an investment that will double in value--in a short time--if you do, see one of the Real Estate Firms mentioned below at once. We have a nice assortment of lots located in various parts of McCook for sale at bargain prices. Now, listen! \$150.00 and up for lots 50x140, well located. No, we did not steal them--just bought them right and with a small profit added we will give you a chance to make a dollar. \$350.00 for a lot in a fine neighborhood--only one other vacant lot in the block--all new houses in the block--and our lot is a corner lot facing the east--with sidewalk across the front--sidewalk connected to Main Avenue--and we have a lot of bargains just as good as this is. We will sell these lots small payments down and balance in monthly payments. Now, Mr. Moneymaker, or Mr. Homewanter, here is your chance! It will cost you nothing to investigate and may mean the starting of a Home or an Investment that will make you good returns on your money. With the great Irrigation Project about to be started north of McCook and the natural growth of McCook it will mean that these lots will double in value and will be picked up very fast. It's up to you--do you want to let Mr. Opportunity in--he is knocking right now at your door. He will not return. Save a few dollars and become a property owner.
