

"I want my house White-Leaded"

SAY that to your painter and he will know you want a quality job. The most durable paint in the world, and the one kind worth considering, is old-fashioned paint made of pure linseed oil, turpentine and

RED SEAL Pure White Lead

They should be mixed on the job by the painter after he has examined the surface to be covered. Paint made of pure white lead never cracks or scales off, but holds to the wood until it is actually worn away.

Send for our Free Painting Help containing color schemes, miscellaneous painting directions, and names of "Blue List Painters" in your community who use our white lead. Ask for Help No. B. TO PAINTERS: If you use our white lead send us your name for our Painters' "Blue List." Write for Circular No. B. It gives particulars.

TELEPHONE TALKS No. 7.

SOME RATE PROBLEMS.

The method of "trial and error" in computing telephone rates has thrown innumerable telephone companies into the bankruptcy court. Untold fortunes have been lost by incapable or unscrupulous promoters who have lowered rates below the danger mark.

For more than a quarter of a century, rate experts in the employ of this company have closely studied the problems that enter into rate making for both local and long distance telephone service.

You as a telephone user have a right to know why you pay the rate you do for service.

This company, appreciating your patronage, will, in following articles in this paper, explain the means by which telephone rates have been brought to a basis of absolute fairness for both the telephone user and the stockholder.

RAISES ADMISSION RULE

University Shuts Out Small Schools With Three-Year Courses.

Lincoln, June 5.—Standards of admission to the state university have been materially raised, according to the announcement of Registrar Harrison. By action of the university senate twenty-eight high school credits will hereafter be required for conditional admission to the colleges of arts and science, of engineering and of agriculture. Full admission requires thirty points, as heretofore, but in the future twenty-four points will not be accepted as sufficient high school experience for entrants who wish to become candidates for degrees.

The change in the rule strikes with the most severity students in towns where only three-year high school courses are provided. It will be impossible for such students to complete sufficient work in these schools to come directly to the university. Instead, they must take a supplementary course in a four-year accredited school in order to attain the required standing.

LANCASTER AFTER PLUMBERS

County Attorney Strode Considers Bringing Action.

Lincoln, June 5.—Alleging that the Master Plumbers' association of this city is an unlawful combination, the county attorney's office is preparing to bring an action which will terminate its existence. It is probable that the suit instituted will be in the form of an injunction.

A member of the association several days ago made complaint that the members of the organization had combined, and after effecting a tie-up with supply houses had been enabled in the past to drive non-members out of business because of their ability to buy supplies at lower prices.

Peony Grower Moves.

West Point, Neb., June 5.—J. F. Rosenfield, the noted peony grower, who has a ten-acre field of the city, has announced that this will be the last year he will engage in the culture of these flowers in Cuming county. He has bought a forty-acre tract of land near Omaha, upon which he and his son, Reno, have planted 55,000 peonies, which will be in bloom next season. Mr. Rosenfield ships his flowers all over the United States.

Beatrice Fights Light Charges.

Beatrice, Neb., June 5.—Manager Capps of the Beatrice Electric company was arrested on a complaint sworn out by M. F. Wolfe, charging him with violating the city ordinance relative to charging more than 12 cents for electric current. Capps gave bonds for his appearance in court next Thursday. This is the beginning of a long fight between the city and the electric company.

Arrested for Carrying Off Sister.

Lexington, Neb., June 5.—Frank Bellamy attempted to remove his eleven-year-old sister from the home of John Corkin. He started from town with her in his buggy when the screams of the girl attracted attention. Chief of Police Malcom, in an automobile, overtook them about a mile away. Bellamy was placed in jail. He will have a hearing today. The girl returned to the Corkin home.

Man on Tender is Killed.

Oxford, Neb., June 5.—An unidentified man was knocked off the tender of Burlington No. 6 by the water crane. He died without having fully regained consciousness. An inquest was held by Coroner C. E. Hopping. No blame was attached to any one. A card in the dead man's pocket said: "In case of accident, notify P. N. Winters, Webster, Kan."

Many Going to Convention.

Grand Island, Neb., June 5.—At a meeting of the local committee on the convention of the State Sunday School association, to be held this week, it was found that about 600 places for delegates have been found in the homes of the city, and that the prospects as to the attendance were never before better, though the registration at the Kearney convention was 1,100.

Engineer of Edgar Dies on Zone.

Edgar, Neb., June 5.—D. S. Warren, a construction engineer, died in the Panama canal zone. He was a brother of C. H. Warren of this city and was well known here, as he was for a number of years in the employ of the Burlington as construction engineer in building its lines in Nebraska.

New Cream Rule.

Lincoln, June 5.—Food Commissioner Jackson has promulgated a new rule in regard to the testing of cream throughout the state. It will become effective July 1 and will in substance mean that payment for cream will be delayed until the day after its delivery to all purchasing stations.

Chase Farmer Killed by Lightning.

Imperial, Neb., June 5.—Charles A. Montgomery was killed by lightning during a rain and electrical storm. Mr. Montgomery was a prominent and well-to-do farmer of the southwest part of the county, being greatly interested in advanced methods of agriculture.

Road Building in Merrick.

Central City, Neb., June 5.—The two days' good roads building jubilee was concluded and a stretch of good road in Merrick county running from east to west along the line of the Union Pacific for forty miles is about completed.

THEY PLAY IRISH MUSIC

The Killarney Ladies' Orchestra a Dream of the Chautauqua Manager.

STARS OF TWO CONTINENTS.

Their Songs Stir Americans, English, Germans and Every Nationality—They Are Gorgeously Costumed.

The Killarney Ladies' orchestra is the result of a unique idea that came to Manager Horner of the Redpath Chautauqua System once.

Manager Horner may not be Irish himself, but he is exceedingly fond of Irish music.

"Irish music," he said once, "has always been more or less of a joke on the stage. The vaudeville has made it so. And there is no occasion for it."

"There is so much that is good in the music that comes from old Ireland that I am going to have a company organized that will specialize in Irish music, and the best Irish music."

And so Ralph Dunbar, the greatest talent organizing genius in the world, was given the task of organizing this great company.

It was a big dream that came true. Manager Horner and Ralph Dunbar have brought together stars from a dozen of the greatest musical companies both in America and Europe.

The result has more than exceeded the expectancy even of those who dreamed of great results.

The Killarney Ladies' orchestra plays and sings music from the simple Irish ballads to the great Irish classics.

They are gorgeously costumed in rich green costumes, and the stage decorations are all in green.

They are directed by Mr. I. Paul Weiss, a violinist of more than national fame.

It is the only great musical organization in this country that makes a specialty of music from the Emerald Isle.

And their music stirs Americans, Scotch, English, Germans and every other nationality, for there is a most fascinating charm in this old Irish music.

CORNETIST WHO IS MEMBER OF BOSTON LYRIC COMPANY

Flavel Jordan is the cornetist of the Boston Lyric trio that will appear here Chautauqua week. Mr. Jordan belongs to a company that boasts that all are individual artists; that each one could give an entire evening's concert without the other two. Besides Mr. Jordan is Miss Bertha Wells, the greatest woman trombonist of the Chautauqua world, and Mrs. Carolyn Jordan, pianist.

A BIG BAND IS FERRANTE'S.

It Leaves the Large Amusement Parks to Go Out on a Chautauqua Tour.

The best place in all the world for one to enjoy a band is at a Chautauqua. It's a great thing to sit in a cool, shady place on a hot day or a hot evening and hear a great Chautauqua band play. There is a band coming here this summer that is regarded as the best Chautauqua band in America. It is to play afternoon and evening one day of the Chautauqua. Ferrante's Royal Italian Guards band played last summer in the largest amusement parks in America, and it will be a great thing to have such a band play in our own "amusement park."

GRANT.

Peter H. C. Wesch, oldest son of Mr. and Mrs. August Wesch was born in Red Willow county, Nebraska, on August 7, 1898, died June 6th, 1911, age 12 years and 10 months. He leaves a father and mother, four sisters and two brothers to mourn his death.

The Heye brothers and sisters of Hastings, were over to be present at the funeral of their nephew.

The farmers around here are all working in their corn fields and killing the weeds.

Mrs. Henry Wesch is very low.

Mrs. Eva Maisel visited with her parents in Kansas over Sunday.

Roy Albrecht was putting up notices of the school meeting which will be held in district 51 Monday, June 26th to elect a new moderator.

Floor Manager Bennett and Ball Player Hawkins, the great pitcher for the Cedar Bluffs team, were in town Saturday.

John Wesch visited near Culbertson last Sunday evening.

Kidney Troubles Attack McCook Men and Women, Old and Young.

Kidney ills seize young and old. Come quickly with little warning. Children suffer in their early years—

Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman or child is to cure the cause—the kidneys. Doan's Kidney Pills cure sick kidneys—

Cure all forms of kidney suffering. McCook testimony proves it.

Mrs. Thomas Croughan, 412 B. Ave., McCook, Nebr., says "A member of our family suffered from backache, caused by disordered kidneys. This person also had headaches and got up in the morning feeling all tired out. Doan's Kidney Pills were finally used and they brought splendid results. I have observed the good work that Doan's Kidney Pills have done in many cases of kidney trouble and therefore I do not hesitate to recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Your Neighbor's Experience.

How you may profit by it. Take Foley Kidney Pills. Mrs. E. G. Whiting, 360 Willow St., Akron, O., says: "For some time I had a very serious case of kidney trouble and I suffered with backaches and dizzy headaches. I had specks floating before my eyes and I felt all tired out and miserable. I saw Foley Kidney Pills advertised and got a bottle and took them according to directions and results showed almost at once. The pain and dizzy headaches left me, my eye-sight became clear and today I can say I am a well woman thanks to Foley Kidney Pills." A. McMullen.
