

NEW LAND OPENED

Irrigated by the Government
BIG HORN BASIN

The Government will open for entry 6300 acres of choice irrigated farm land at Powell, Wyoming, on April 22nd, 1912; on the ten payment plan without interest.

The Government now allows graduated payments, requiring only a small part of the total, during the first five years; thereby giving the settler a chance to improve his farm before paying very much of the water charge.

A NEW FOLDER telling all about this opening and containing a map of the Shoshone Project, showing lands filed on and lands to be opened on April 22nd, will be sent free upon request. Don't fail to get this. If you prefer a 320 acre Free Mondell homestead send for our new Free Government Lands folder.

Plant moisture this year; now is the time to get a farm. Write today.

Is Eating Green Things.
Charlie Jacobs writes us a few lines from Long Beach, California, where he arrived on March 23rd:
"Find quite a change from old Nebraska. Here flowers in full bloom, oranges and lemons being picked, garden stuff ready for the table. Took dinner today with F. D. Burgess' folks. Had green stuff from their own garden; informed me they raised it every month in the year."
This is a beautiful city of about 20,000 and a floating population of 10,000 to 25,000. Three or four beautiful parks are worth seeing thousands of miles to see, in fact after one comes here his great regret is that he did not come sooner.
Hoping this finds McCook somewhat warmer than when I left and wishing success and prosperity to all there, I will close this brief but somewhat rambling letter.

Orchard, Vineyard, Field and Barn And even the hives of your cattle and sheep can be kept free from pests, vermin and disease germs by means of **The Standard Spray Pump**

It will spray the tallest tree in your orchard from the ground. It will spray your vines and potato plants as fast as you can walk. Whitewash poultry houses, disinfect the breeding pens and spray the live stock with sanitary dip.

McCOOK HARDWARE COMPANY

NO CAUSE TO DOUBT
A Statement of Facts Backed by a Strong Guarantee

We guarantee immediate and positive relief to all sufferers from constipation. In every case where our remedy fails to do this we will return the money paid us for it. That is a frank statement of facts, and we want you to substantiate them at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies are unsurpassable and ideal for the use of children, old folks and delicate persons. We cannot too highly recommend them to all sufferers from any form of constipation and its attendant evils. That's why we back our faith in them with our promise of money back if they do not give entire satisfaction. Three sizes: 12 tablets 10 cents, 36 tablets 25 cents, and 50 tablets 50 cents. Remember, you can obtain Rexall Remedies in McCook only at our store, the Rexall Store, L. W. McConnell.

—Trains from the east are badly delayed, and have been for the past two or three days, by unprecedented floods in Eastern Nebraska. The bridge over the Platte east of Ashland being entirely out of commission is the most serious drawback at present, and trains have to be detoured; but in other points there are delays and embarrassments to traffic, making a situation in rail-roading in Eastern Nebraska almost without precedent in recent years.

he thinks of locating here.
In the early 80's probably 1881 the creek was out in March as it is now and frozen more so it could not be crossed. Mr. Helm, Amos Buck and Mr. Taylor made a raft and Mr. Amos broke the ice so that teams could go through. The bridge on the main road was impassable and wagons went through Mr. Taylor's pasture to his bridge, by his going before them on the raft and with a long pole guiding through the shallowest places. The teacher is staying at Bert Helm's while the water s out. The creek has gone down now but the mud in the roads is very bad.
When Mr. Waddell's children, with some of their little neighbors were driving from school on Thursday, the spring wagon was stuck in the mud, the singletree broke and the horses ran off, fortunately, no one was hurt.

TO AILING WOMEN.
A Little Sound Advice Will Help Many a Sufferer in McCook.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the secretions when the kidneys are well, are retained in the body when the kidneys are sick. Kidneys and bladder become inflamed and swollen and worse troubles quickly follow. This is often the true cause of bearing down pains, lameness, backaches, etc. Uric poison also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that has cured thousands of such cases. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a McCook woman tell you about Doan's Kidney Pills.
Mrs. H. A. Rough, 212 E Fifth St. McCook, Neb., says: "I have seen what Doan's Kidney Pills will do in cases of kidney complaint and therefore feel justified in recommending them. A member of my family took this remedy when suffering from backache and soon received entire relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
