FALLS CITY - NEBRASKA

Incredible as it may seem, there is no such place as Chow-chow on the map.

It's a wise husband who lets his wife make all the arrangements for the summer vacation.

Rev. Dr. Locke says that only the good are brave, but fortunately others besides the brave are good.

It is sad to hear that Bill Nye's widow is in want. That is too frequently the legacy of humorists.

We don't know where the fly has been all winter long, but it was somewhere where he got nicely rested.

After all is said and done the disease microbe still remains the most deadly implement of modern warfare.

In Korea they sell the offices to the highest bidder. They could hardly be expected to let them go to the lowest.

As no news is reported from Brazil or Peru, it is supposed that war is going on there in the same old monotonous way.

An English parish church has changed its hour of service to suit the golf players—including the parson, perhaps.

The eighteen miles between Nanshan hill and Port Arthur is generally recognized as the longest eighteen miles in all Asia.

One of the club women at St. Louis declared that "Good pies will not hurt any one," but she didn't add that she could make them.

A fashion journal declares that the summer girl this year will wear suspenders, but unfortunately neglects to say whose suspenders.

In Korea widows are not permitted to remarry, but there are no statistics to show what effect this custom has on masculine longevity.

An Ohio justice of the peace makes every couple he marries promise not to seek divorce. Don't have to "seek it"—it just comes natural.

A passenger brakeman who is around depots a good deal says no man is so ornery that somebody does not want to kiss him.

Why is it that every successful test of a flying machine ends with some disablement of the machinery that prevents further experimenting?

A Baltimore man has been fined \$100 for kissing his typewriter girl. The dispatches don't say how much it cost him to square it with his wife.

"In these days," said Prof. Burleigh, "too many society women bring up a child in the way the nurse girl says it shall go—when they bring them up at all."

In a New Jersey town the mayor recently cut out an appropriation to buy pocketknives for the aldermen. They probably found their own pocketbooks.

The General Federation of Women's Clubs has gone on record in opposition to divorces. This is a magnificent compliment to the husbands the ladies now possess.

A Baltimore preacher has been sued by his brokers for the "commissions" on a recent "flyer" in the stock market. What might be called a "high-flown" preacher.

DEATH TO UNIONS

NEW SLOGAN OF THE ALLIANCE AT CRIPPLE CREEK.

ACTION OF THE MINE OWNERS

Alliance Issues a Standing Threat to All Wage Earners in the District—The Recent Raid on the Victor Record Office.

CRIPPLE CREEK, Colo.—"Death to unionism in the Cripple Creek district" is the new slogan of the Citizens' alliance, which has sent a decree broadcast that every person connected with any union here must either sever his or her connection with such organization or leave the district.

The latest stand of the anti-unionists was vaguely hinted at two days ago, but the movement on the part of the alliance seemed so absurd to 3,000 or 4,000 unionists in the camp and its enforcements fraught with so many difficulties that it was not taken seriously.

Tyson S. Dines, a Denver attorney and one of the executors of the Stratton, estate, is here in conference with the Citizens' alliance, and it is announced that he is here preparing a form which will be presented to every merchant and business man and other employers of labor in the entire district, pledging them not to employ any person who is affiliated with a labor union.

No person who works for a living will be exempt and the absolute annihilation of unionism in this county is predicted by members of the Citizens' alliance, and the Mine Owners' association.

This is considered the most drastic step yet taken by the alliance since it secured the upper hold in the district and its enforcement will affect 3,000 men and women now affiliated with various unions. Among the unions that will be affected by the new movement are clerks, cooks and waiters, bartenders, carpenters, electricians, trainmen and stone and brick mason. The unionists assert they will fight the movement to a finish.

General Bell issued the following signed statement regarding the raid on the Victor Record office and the destruction of the newspaper plant:

"I cannot be too emphatic in my condemnation of this unamerican attack. Such action as this reflects upon the military, because martial law prevails. As military commander I am solely responsible for the clearing up of this crime if it is possible.

"I am aware that Editor Kyner was bitterly denounced and threatened and accused of selling out when his editorial appeared asking the Western Federation to call off the strike. The socialistic element of the federation were the ones who took the principal stand in this thing. However, whoever the perpetrators of this crime may be, they will land in the bull pen if apprehended."

To Fill Quay's Shoes.

PHILADELPHIA. — Philander C. Knox of Pittsburg, attorney general of the United States, was selected Thursday to fill the seat in the United States senate made vacant by the death of Matthew Stanley Quay. He will accept and serve by appointment of Governor Pennypacker until March 4, the date of the expiration of the late senator's commission.

Uncle Sam's Cash.

WASHINGTON—Tuesday's statement of the treasury balances in the general fund, exclusive of the \$150,000,000 gold reserve in the division of redemption, shows: Available cash balance, \$164,049,325; gold, \$68,357,886.

The Shah of Persia has made application to the Austrian government for the dispatch of twelve competent military officers to supervise the reorganization of the Persian army. The shah wants Austrian officers, because Austria has no political axes to grind in Persia.

Miss M. Cartledge gives some helpful advice to young girls. Her letter is but one of thousands which prove that nothing is so helpful to young girls who are just arriving at the period of womanhood as Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I cannot praise Lydia E. Pinkham's Vegetable Compound too highly, for it is the only medicine I ever tried which cured me. I suffered much from my first menstrual period, I felt so weak and dizzy at times I could not pursue my studies with the usual interest. My thoughts became sluggish, I had headaches, backaches and sinking spells, also pains in the back and lower limbs. In fact, I was sick all over.

"Finally, after many other remedies had been tried, we were advised to get Lydia E. Pinkham's Vegetable Compound, and I am pleased to say that after taking it only two weeks, a wonderful change for the better took place, and in a short time I was in perfect health. I felt buoyant, full of life, and found all work a pastime. I am indeed glad to tell my experience with Lydia E. Pinkham's Vegetable Compound, for it made a different girl of me. Yours very truly, MISS M. CARLEDGE, 533 Whitehall St., Atlanta, Ga."—\$5000 forfeit if original of above letter proving genuineness cannot be produced.
