

ACHED IN EVERY BONE.

Chicago Society Woman Who Was So Sick She Could Not Sleep or Eat, Cured by Doan's Kidney Pills.

Marion Knight, of 33 N. Ashland Ave., Chicago, Orator of the West Side Wednesday Club, says:

"This winter when I started to use Doan's Kidney Pills I ached in every bone and had intense pains in the kidneys and pelvic organs. The urine was thick and cloudy and I could barely eat enough to live. I felt a change for the better within a week. The second week I began eating heartily. I began to improve generally and before seven weeks had passed I was well. I had spent hundreds of dollars for medicine that did not help me, but \$6 worth of Doan's Kidney Pills restored me to perfect health."

Onions for Insomnia.

Onions are recommended as a good thing for insomnia. A favorite dish in England is one of the big sweet Spanish onions cooked in milk. Celery may also be used in the same way, stewed in milk. It is good for the nerves, and consequently for sleeplessness.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound will make every mother well, strong, healthy and happy. I dragged through nine years of miserable existence, worn out with pain and weariness. I then noticed a statement of a woman troubled as I was; and the wonderful results she had had from your Vegetable Compound, and decided to try what it would do for me, and used it for three months. At the end of that time, I was a different woman, the neighbors remarked it, and my husband fell in love with me all over again. It seemed like a new existence. I had been suffering with inflammation and falling of the womb, but your medicine cured that, and built up my entire system, till I was indeed like a new woman.—Sincerely yours, Mrs. CHAS. F.
