"Ever since I was in the Army, I had more or less kidney trouble, and within the past year it became so severe and complicated that I suffered everything and was much alarmed—my strength and power was fast leaving me. I saw an advertisement of Swamp-Root and wrote asking for advice. I began the use of the medicine and noted a decided improvement after taking Swamp-Root only a short time. I continued its use and am thankful to say that I am entirely cured and strong. In order to be very sure about this, I had a doctor examine some of my water to-day and he pronounced it all right and in splendid condition. I know that your Swamp-Root is purely vegetable and does not contain any harmful drugs. Thanking you for my complete recovery and recommending Swamp-Root to all sufferers I am,
Very truly yours,
L. C. RICHARDSON.

It is learned with surprise that the Smithsonian institution has thought it necessary to send a man all the way to South American to discover the microbe of laziness.

A policeman who called a man a liar has been restored to duty in an eastern city. In some parts of the country the use of that term puts a man beyond restoration.

Alfred Austin has written a poem about the Russian-Japanese war. We take it from the swing of his verses that vodka and caviar do not set well on Alfred's laureated stomach.

With all his money and superior intelligence the English Astor could not marry off his daughter without blunders to mar the ceremony. They do things as well even in America.

In addition to the fact that we have grown older and more dignified, so that we no longer do it ourselves, we find it is just about as much fun to watch somebody else twist the lion's tail.

A thrifty Buffalo man wouldn't sue the city because if awarded anything he would have to pay back a part of it in taxes. So he thought, but he is not a financier, and suffers from conscientiousness.

A seven-inch hatpin was removed from the esophagus of a New York woman's 15-inch terrier the other day. Which reminds us that there really are occasions when it's better to have dogs than babies.

The strongest argument yet heard against vegetarianism is the case of the young theatrical man who won a bride with a ham sandwich during the great washout. Now can you possibly imagine a beautiful damsel flying to the arms of a man on the offer of a proteid outlet or a nutine stew?

A Brooklyn horse has the habit of starting on a run for the stable bell at the entrance to Greenwood cemetery at 6 o'clock every night. Apparently he knows as much as some men.

Lou Dillon's mile in 2:01½ is evidence that she has fully recovered from her attack of thumps, but the betting men who backed her against Major Delmar at the rate of 100 to 40 and saw their money vanish haven't yet got over theirs.

When it was predicted many years ago, that the time would come when steam cars would run at the rate of thirty miles an hour the wise men declared it impossible for human beings to travel at that speed and live. Make no rash predictions as to the future of ballooning.

Earl Grey, the new governor general of Canada, will sail for Montreal, Dec. 1, to assume the duties of his office. Having read Rudyard Kipling's poem, "Our Lady of the Snows," he will, of course, take his fur overcoat along.

The petrified body discovered in Vermont and said by scientific authority to date back to the time of a people that inhabited America before the Indians arrived, is that of a woman. In a way this is a reminder of the remark made by Daniel Webster, that in New Hampshire God made men, but that he made women in Vermont.

A London man was ejected from his lodgings recently for eating cat meat, which he claimed was just as clean and just as good as rabbit. But perhaps the landlord had cats.

ANOTHER LIFE SAVED.

Mrs. G. W. Fooks, of Salisbury, Md., wife of G. W. Fooks, Sheriff of Wicomico County, says: "I suffered with kidney complaint for eight years. It came on me gradually. I felt tired and weak, was short of breath and was troubled with bloating after eating, and my

limbs were badly swollen. One doctor told me it would finally turn to Bright's disease. I was laid up at one time for three weeks. I had not taken Doan's Kidney Pills more than three days when the distressing aching across my back disappeared, and I was soon entirely cured."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Between Wind and Water.

Not only will all the inhabitants of Chicago be crazy in 750 years, but in somewhat more than 3,000 years, according to a geological expert, the site of the present western metropolis will be covered with water. Let the Windy City begin now to prepare for its watery grave.—Boston Transcript.

An Honest Opinion.

Mineral, Idaho, Nov. 14th.—(Special.)—That a sure cure has been discovered for those sciatic pains that make so many lives miserable, is the firm opinion of Mr. D. S. Colson, a well known resident of this place, and he does not hesitate to say that cure is Dodd's Kidney Pills. The reason Mr. Colson is so firm in his opinion is that he had those terrible pains and is cured. Speaking of the matter he says: *

"I am only too happy to say Dodd's Kidney Pills have done me lots of good. I had awful pains in my hip so I could hardly walk. Dodd's Kidney Pills stopped it entirely. I think they are a grand medicine."

All sciatic and Rheumatic pains are caused by Uric Acid in the blood. Dodd's Kidney Pills make healthy Kidneys, and healthy Kidneys strain all the Uric Acid out of the blood. With the cause removed there can be no Rheumatism or Sciatica.
