How the Dipper Saved the Farm. Father was sick and the mortgage on the farm vas coming due. I saw in the Christian Advocare where Miss A. M. Fritz of Station A. St. to make final proof in support of his claim, and Louis, Ma. would send a sample combination that said proof will be made before Register and dipper for 18 two cent stamps and I ordered one I saw that the dipser could be used as a fruit jar filler; a plain dipper; a fine strainer; a funnel; a stra per funnel; a silk room warming pan and a pint measure. These eight different uses makes the dipper such a necessary article that I went to work with it and it sells at very near every house, and in for months I paid off the mortgage. I think I can clear as much as \$200 per month. If you need work you can do well by giving this a trial. Miss A. M. Fritz, Station A. St. Lowis, Mo., will send you a sample for 18 two cent stamps. Write at once. JOHN G. N.

Wanted at Unce.

A Dandy Thing to Sell.

I have been doing so well this summer selling combination dippers that I think it my duty to tell others about it. I have not made as much money as some I read about, but I never make less than \$3 and often \$5 a day. The dipper can be used as a fruit jar filler; a plain dipper; a fine strainer; a funnel; a strainer innel; a sick room mand a sick room. warming pan and a pint measure. These eight different uses makes the dipper such a necessary article that it sells at nearly every house, it is so cheap. You can get a sample by sending as did 18 two cent stamps to pay postage, etc., to W H. Baird & Co., Station A. Pittsburg, Pa., and they will mail you a dipper and you can go right to work. Anyone can make \$3 or \$4 a day any-A READER

A Great Chance to Make Money. I want to tell you of my wonderful success. Being a poor girl and needing money badly, I tried the Dish Washer business and have clear ed \$200 every month. It is more money than I ever had before and I can't help telling you U.S.C.C.C. at Merriman Nebr., on Dec., 30th ever had before and I can't help telling you about, for I believe any person can do as well as I have if they only try, Dish Washer's sell on sight; every lady wants one. The Mound City Dish Washer Co., St., Louis, Mo., will give you all necessary instructions, so you can begin work at once. The Dish Washer does splendi I work; you can wash and dry the dishes in two or three minutes without putting your hands in the water at all. Try this business and let us know your success, 3 ELIZABETH C,

The New Hook Spoon Free to All. The New Hook Spoon Free to All.

I read in the Christian Standard that Miss. A.
M. Fritz, Station A., St. Louis, Mo., would give an elegant silver spoon to anyone sendind her ten 2-cent stamps, I sent for one and found it so useful that I shewed it to my friends, and made \$13,00 in two hours, taking orders for the spoon. The hook spoon is a household necessity. It cannot slip into the dish or cooking vessel, being held in place by a hook on the back. The spoon is something that, housekeepers have needed ever since spoons were first iners have needed ever since spoons were first in vented. Anyone can get a sample spoon by sending ten 2-cent stamps to Miss Fritz. This is a splendid way to make money around home.
