AROUND THE EARTH

OUR BIGGEST WHEAT YIELD.

This Year's Crop the Greatest in the History of Kansas.

Our combination of the United States Government, the State Government, and the various agencies of the county governments makes a handling of the wheat crop on the part of the people of Kansas equal to the conditions under which the crop was raised. The total of the crop is estimated at 125,000,000 bushels, of which 75,000,000 are in the wheat and 50,000,000 in the corn.
