The Kaiser and the Sergeant. Emperor William's kindness of heart is well known and recently at the parade at Stettin he gave proof of it to a former sergeant of his under whom he had served when he was crown prince. He recognized the veteran standing among the crowd of spectators and summonded him. For some minutes he chatted pleasantly with the man and then dispatched an orderly to bring a horse for his former sergeant that the latter might be able to ride about and see the review at his ease.

Carrie's Sharp Reply.

Several invitations of a more or less farcical nature have been sent to Mrs. Carrie Nation regarding a New York visitation. The latest was a suggestion that she try her hand at reforming the Four Hundred, reference being made to the burlesque saloon smashing act at Senator Clarke's valentine ball. She replied, "The society people of New York probably need reformation as badly as any class of people in America, not excepting saloonkeepers. If they want to burlesque me when I am trying to save men's souls I do not care. They had better employ their time driving vice out of their own city."

What Will the Girls Get?

An Englishman who recently died had three children, one son and two daughters, and he mentioned all of them in his will. The first clause is, ". leave my piano to Mary Elizabeth when Arthur has done with it." The other clause is, "To Susan Jane-she may take whatever Arthur wishes to give her." There is no doubt of Arthur's standing in the document, but the pointed question is raised, "Are Mary Elizabeth and Susan Jane beneficiaries under the will?"

Mrs. Doty, of Highland, Iowa, Restored to Health-A Miraculous Case-Her Husband Is Cured of Bright's Disease by Same

Means. Highland, Ia., March 4.- (Special.)-Friends of Mrs. W. H. Doty are very much pleased to notice the wonderful improvement in her condition. For eighteen years she has been a sufferer from rheumatism, and the torture she has endured during this time is past all description. Mrs. Doty tells the following story:

"I have suffered for the past eighteen years with Kidney Trouble and Rheumatism. I have tried doctors, patent medicines, plasters, liniments, electric treatments, and nothing did me any good. I had nearly lost all faith in anything, when I sent for six boxes of Dodd's Kidney Pills. I said to my husband I expected that it was some more money thrown away, but when I had taken them a week I could see that they were helping me. The lameness I had suffered with for so long is nearly all gone. It is not a quarter as bad as it was. For years I had to wear a warm bandage around my forehead to prevent the pain. Since using the Pills I have been able to remove this altogether.

"I cannot find words to express my heartfelt thanks to Dodd's Kidney Pills for their wonderful cure of my case. My husband has suffered from Kidney Trouble for years. Last spring a doctor said he had Bright's Disease, and treated him, but he received no benefit, and he kept growing thinner and weaker all the time. When I got Dodd's Kidney Pills he commenced taking four a day. He has taken them three months and is nearly well. His strength is increased, and the improvement in his case is almost miraculous. Dodd's Kidney Pills have certainly been a God send to us."

It is just cases like those of Mr. and Mrs. Doty that have made Dodd's Kidney Pills so very popular in Iowa.

They are 50c a box, six boxes for \$2.50. Buy them from your local druggist if you can. If he cannot supply you, send to the Dodd's Medicine Co., Buffalo, N. Y.

Edward Gardner Found Guilty of Murder of Herman Zahn.

A VERDICT IS GIVEN AT MIDNIGHT

The Will of Judge Maxwell Placed for Probate in Dodge County-Tenor of Its Provisions-Miscellaneous Matters in Nebraska.

FREMONT, March 2.-Edward Gardner was convicted here of the murder of Herman Zahn, the Snyder saloon keeper, and was sentenced to imprisonment for life.

At precisely 12 o'clock the jury knocked on the door of its room and announced that it had agreed upon a verdict. Judge Grimison was in the court room and at once sent the bailiff for the clerk and attorneys. The defendant was brought in handcuffed to haggard. His face was pale and there and medium weights at \$5.271/2 and \$5.30. were dark circles under his eyes, which were fixed upon the jurors as they filed past him to their seats in the box. It was nearly 1 o'clock before the clerk statue, only occasionally turning his eyes toward the judge or directing them to the floor. An intense stillness pervaded the dimly lighted court room. There were about twenty-five people present who had stayed up to hear the

At. 12:45 Foreman J. W. Nation handed the verdict to the bailiff. The bailiff passed it to Clerk Cruikshank, who read in a firm voice:

"We, the jury duly impanelled and sworn in the above entitled case, do find the defendant, Edward Gardner, guilty in manner and form as charged in the information, of murder in the first degree, and we do further find, say and determine that the defendant, Edward Gardner, be punished by imprisonment for life.

"J. W. NATION, Foreman." As Clerk Cruikshank read the verdict the defendant's face grew paler, his eyes stared anxiously, but not a muscle of his face changed. His hands trembled slightly as Sneriff Kreader fastened on the handcuffs and with his maimed left hand he put his hat on his head.

THE LIVE STOCK MARKET.

Latest Quotations from South Omah"

SOUTH OMAHA. Union Stock Yards-Cattle-There was another liberal run of cattle and buyers started out to get their supplies at lower prices. Beef steers, in particular, were slow and it is safe to call the market on steers 5@10c lower than yesterday. There were over 50 cars on sale and the Chicago market was none too good, all of which worked against the selling interests and gave buyers an opportunity to bear the market. The cow market started out in fairly good shape and sales were made at right around steady prices. As the morning advanced; however, the market seemed to weaken. At no time was trading as active as was the case yesterday and the market lacked the tone and snap of yesterday. The downward tendency of the steer market is naturally having a depressing effect upon the feeder trade, but, as the supply at this point has been limited, prices have held up in good shape. Anything choice that has not been on corn meets with ready sale at very satisfactory prices, but there are so few of that kind of cattle coming that warmed-up cattle are selling better for feeders than for beef.

Hogs-There was another fairly liberal run, but the market opened a shade stronger. One thing, however, that makes the market look better today is the fact that there were a number of prime heavy hogs here today which were considerably better in quality than anything received yesterday. The bulk of the early sales went from \$5.271/2 to \$5.321/2, and as high as \$5.35 was paid. The heavy hogs sold Sheriff Kreader. He looked tired and mostly at \$5.30 and \$5.3216, and the light Sheep-There was not a very heavy run here, and receipts were composed largely of ewes and lambs, very few wethers being offered. The ewes were in fairly good dmand and sold at steady to strong prices, as high as \$3.75 being paid. The and attorneys appeared. During this lamb market, however, was very slow, time Gardner sat in his chair like a and packers did not seem to be at all anxious for more supplies this week. The feeling was very weak and not much changed hands until late in the day,
