Mrs. Helen Hamilton, who assisted in J. D. Sturgeon's concert, has been awarded a judgement in the courts at Hartington against the Woodmen accident association for \$2,023.42 for the death of her husband, Dr. Hamilton. The association claimed he died of Bright's disease and not by accident as alleged.

Mrs. E. H. Tracy received a telegram yesterday announcing the death of her friend, best known here as Mrs. W. W. Lillie, at her home in Kansas, which occurred at 10:20 yesterday morning. The dispatch was from a sister of the deceased. Mr. Lillie died here several years ago, and his wife has since made her home in Kansas, where she was married about a year ago.

The first days of vacation have inspired youthful breasts with an ambition to win glory and renown upon the base ball diamond, and yesterday the first game of the season was played between a club headed by Joseph Parker and another under the direction of Peter Stafford. The score ran up at a rate somewhat surprising to the thermometer which was not in high spirits at all, and Joseph Parker's team worsted their opponents to the tune of 24 to 20.

**Funeral of John H. Brown.**

The large attendance at the funeral of the late John H. Brown, held yesterday morning from the Church of the Sacred Heart, attested to the esteem in which he was held by his railway associates and fellow citizens.

The friends assembled at the family home on South Third street and from there proceeded to the church, an escort being formed by members of the order of Locomotive Engineers, A. O. U. W. and other lodges.

At the church there were very impressive services and Father Walsh gave a splendid eulogy to the memory of the deceased. The singing was appropriate and was led by Miss Nelle Gerecke.

After the services the body was escorted to the depot and taken east on the F. E. & M. V. passenger. Mr. and Mrs. A. J. Ryel and Mr. and Mrs. P. Stafford accompanied Mrs. Brown and children to Wisconsin, where interment will take place.

The floral offerings were very beautiful and were contributed largely by orders to which he belonged.

The obsequies were attended by all the trainmen making headquarters here who were not prevented by their duties or other reasons. Besides there were a number of railroad men in attendance from points both east and west. Among these was W. B. Alton, master mechanic at Long Pine and Mr. Cody, chief clerk in Master Mechanic Teal's office at Missouri Valley. Mrs. Dan Findley of Missouri Valley was also present.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is

catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.
