# BED-TIME.

Going to bed to tumble and toss and dream; to pursue in vain the phantom sleep through long, weary hours, and rise to a new day unrefreshed. Consulting doctor after doctor and taking medicine constantly, yet without relief from the ceaseless pain. For such a sufferer life has nothing left. She has no part in its pleasures and is unfit to bear its burdens. That is the case of many a woman, who is tormented by the aches and pains resulting from female weakness, and other diseases of the delicate organs of woman. Dr. Pierce's Favorite Prescription was made to cure just such cases and it does what it was made for. It heals ulceration and inflammation, dries debilitating drains, cures female weakness, strengthens the body, soothes the nerves and enriches the blood. It gives lasting strength for the day and sound sleep for the night. There is no alcohol in "Favorite Prescription" neither does it con-

tain opium, cocaine, or any other narcotic. It is a purely vegetable remedy, suited to the constitution of the most fragile woman.

Do not accept anything else in place of "Favorite Prescription," if the cures by Dr. Pierce's medicine have given you confidence to try "Favorite Prescription.

#### "I Suffered Continually."

"For three years I suffered continu-ally," writes Mrs. L. J. Dennis, of 828 Rast College Street, Jacksonville, Ills. "I sought relief among the medical pro-fession and found none, until induced to try Dr. Pierce's Favorite Prescription. When I commenced taking this mediwhen I commenced taking this medi-cine I weighed ninety-five pounds. It built me up until now I weigh one hun-dred and fifty-six pounds—more than I ever weighed before. I was so bad I would lie from day to day and long for death to come and relieve my suffering. I had internal inflammation, a disagree able drain, bearing down pains and such distress every month. But now I never have a pain-do all my own work and am a strong and healthy woman."

### As Luck Would Have It."

"As Luck Would Have It." "I was troubled with falling of the womb for nearly a year, and doctored with our family physician," writes Mrs. W. B. Harter, of Buffalo, Wyoming, "Took several different kinds of medi-cine, some of which made me feel a little better at times, but did not cure me. I kept getting worse, and some days it was all I could do to walk across the room. I had to lie down some-times nearly all day. As luck would have it one of Dr. Pierce's little pau-phlets came to me with our mail, so phlets came to me with our mail, so I sent right away for a bottle of his 'Favorite Prescription,' and commenced taking it. I wrote a letter to Dr. Pierce, telling him of my illness, and he ad-vised me to take also his 'Golden Medivised me to take also his Golden Medi-cal Discovery.' Followed his directions and found relief even before the first bottle was gone. Six bottles cured me so that I could walk anywhere, and could ride forty miles in one day in a lumber wagon and come back the next day, and do my work"

Biliousness is banished by the use of Dr. Pierce's Pellets. They are small in size, easy to take, do not gripe, and never fail of the desired result.

### MR. EPIZOOT WILKINS. TELEGRAMS TERSELY TOLD.

He Predicts Trouble For the Demoernts In the New Congress and Finds That "the Old Issoos Air leans.

Mostly In a Stait uv Dissolooshun."

BURO UV INFERMASHUN, WASHINGTON, D. C. Tu the Editor:

We hey now reeched the time wen we hey got tu face an onplesant predicament and hey an onruly set uv kongressmen on our hands to handle in moar different waze than the wind kin blo in a yacht race. We hey got tu face all kinds uv music. We hev got tu heer all kinds uv peaches and lissen tu all kinds uv fool projecks wile our Dimicratic staitsmen pore forth their soles in noize and had grammar. Every mother's son uv em hez a different plan uv runnin the campane, and thare iz sum difference uv opinyun ez tu hoo shood run it and hoo shood hed the ticket.

Wen this Buro wuz born it wuz mi idee thet it cood be made the hedquarters uv the party fer sumthin moar than poker playin-a place whare we cood assemble and la out grate plans fer conductin the campane uv 1900, and wich wood land us a winner wen we found the end uv it. I return Tuesday. Each was given a gold hey not wholly given up thet idee yit, but 1 find as the kongressmen air beginnin tu drop in frum the south and west thet poker seems tu take precedence uv staitsmanship in sum instances. Wile it wood not seem like a Dimicratic hedquarters, without a poker layout, I hev tried tu diskurrij the idee uv makin the presidenshal campane upon thet game. Thare air tu menny oncertainties attendin it tu go before the kountry with it as the only issoo. I hey tharefore barred it out, except upon speshial occashuns, and hev made up fer it bi providin moar uv our enthoosiastic beverage, wich is applejack. With plenty uv thet on tap I am asshoored thet poker kin be mostly dispensed with, and Dimicratic staitsmanship git a fair chance to grapple with the current issoos

I kin alreddy see thet we air in fer a lively time because we ain't agreed on nothin except thet we want tu lick the Republikins. The old issoos thet we used tu holler fer air mostly in a stait uv dissolooshun. In the face uv plenty uv work and good wages we kinnot collar a man and sa tu him, "Behold, the Republikin tariff hez bin yure rooin." He only laffs yu in the face wen yu du thet. The free silver issoo hez alreddy burnt our fingers, and we hev received orders tu side track it fer awile and let it alone ontil we see if we kin find ennything better. On the issoos growing out uv the Fillipeen war we air all the time skatein on thin ice. Every advance uv the Amerikin army and every victory scored agin the nimble Fillipeenoze is a whack at our posishun before the kountry, besides hurtin the feelins and moar frequently the carcasses uv our Aguinaldoo allies. Ez a last resort a steerin kommittee hez bin appinted fer the cumin kongress, and the members hev bin given full power tu steer the whole onrooly lot uv kongressmen hoo can't agree upon ennything. We hed grate trubble in makin up the kommittee-fer the candidates fer speeker thot tha wuz biger than the rest uv the members, and wanted tu dictate how things shood be run. This made the liteweights mad, who that tha ort tu be in the saim class, and tha voted down the ones hoo classed themselves as the hevyweights-or leeders. Then it wuz suggested thet we appint a kommittee uv seven patriotic and disinterested Dimicrats hoo didn't want enny offis, tu act ez steersmen. We knu thet thare were none in Washington, so we made the wires hot frum Maine tu Texas in huntin fer em. We never found em. After tryin all kinds uv waze tu form the kommittee and gittin nockt out every time, we finally conclooded tu maik it a square game uv chance. Thare wuz no prinsiple involved and if thare wuz it woodn't maik enny difference fer the party hez alwaze bin takin chances in monkeyin with publick questyuns, and generally landin on the onpopular side. We shook dice tu see hoo shood compose the kommittee tu act ez the party pilots durin the session, and tu tri tu keep the old Dimicratic ship aflote in the trubbled waters thet seem tu be bubblin all around her. It took a long time to finish the throws, but wen the job wuz dun it seemed tu be satisfactory fer the time bein, and we found we hed seven members uv kongress hoo air tu act in the capacity uv steersmen. or pilots, or hog drivers or whutever we conclood tu call em. Tha air tu hev excloosiv charge uv all bills tu be introdooced by the Dimicratic members; tu rite the resolooshuns thet will be introdooced fer the sole purpus uv embarrassin the Republikins, and tu revise and overhaul all Dimicratic speeches thet air tu be fired off in ritin. The names uv the members uv the kommittee ain't tu be made publick ontil sumbuddy gits mad wich, I predict, will be pretty soon after the sho begins. Mi own dooties will be tu act ez adviser and general pasifikater, fer I kin foresee thet thare will be a monkey and parrot mix up before kongress iz a month old. But the party iz awfully in need uv harmuny, and I shall la aside all predjoodice and tri tu furnish it whare most needed, and in enny wa it kin be used, wether in the shape uv good advice or in likquid form. Onless perfeck harmuny kin be abso lootly asshoored, the Republikins will hev us on the run before the fite begins; but if we kin only subdoo the Dimicratic instinck tu quarrel, fer the time bein, thare iz sum hope thet the party in kongress kin git tugether long enuff tu vote fer sum Bumkum legislatshun wich we propose tu introdooce. Of course we don't expeck tu git our bills passed. We shoodn't pass em ourselves if we hed a majority in kongress; but we air goin tu introdooce sum corkers, tu fool the laberin peeple, and maik em beleeve tha wood all be rich before tha cood swallow their breakfast if we only hed the power tu enact our bills intu laws. Then we kin pint tu the record uv the Republikins hoo will vote agin em and onload sum fiery speeches fer general sirculashun next yeer in the kountry deestricks. The plan iz one thet situated in Madison county, Nebraska; koncocted itself in mi fertile brane and Lot twelve (12) in block seven (7) of the not altugether new I hev sum idee Koenigstein's addition to the town of thet peeple kin still be fooled bi it. At Norfolk, lots thirteen (13) and fourteen enny rate the experiment iz well with (14) in block seven (7) and lot twelve tryin, and if it fales tu pan out we haint (12) and the south half of lot thirteen got nothin tu loze.
