

LIKE A FLASH of lightning, sudden and startling, disease strikes down many a man. Yet there have been warnings upon warnings, unheeded. Food has lain like a heavy weight in the stomach after eating. There have been belchings, bitter risings in the mouth, nervousness, sleeplessness and growing irritability. Instead of listening to these warnings, recourse has been had to some of the nerve numbing palliatives that cover but never cure disease. Many serious diseases begin in a diseased condition of the stomach and organs of digestion and nutrition. The stomach is really the vital center of physical life. It furnishes the blood which nourishes the whole body, in brain as well as in bone. When the stomach is "weak," it is not equal to the work of supplying the blood upon which depends the strength and vigor of the body. Without this essential blood supply the body weakens in all its organs. The condition of the body when the blood stream runs low is the same as that of the mill when the mill stream runs low. There is not enough power to do the work. The heart feels the lack of power, the brain feels it, so do the lungs, nerves, liver, and all the vital organs. Dr. Pierce's Golden Medical Discovery, cures the weak stomach and other organs of digestion and nutrition, increases the activity of the blood-making glands and pours a tide of pure blood along the arteries and veins which nourishes every organ into strength. It is the great stomach-strengthening, nerve-nourishing, lung-healing, muscle-making remedy of the age. It contains no alcohol and is free from opium, cocaine and all other narcotics.

Doctors Disagree.
"About ten years ago I began to have trouble with my stomach," writes Mr. Wm. Connolly, of 535 Walnut Street, Lorain, Ohio. "It got so bad that I had to lay off quite often—two and three days in a week. I have been treated by the best doctors in this city, but got no help. Some said I had cancer of the stomach, others catarrh, others dyspepsia. Then I wrote to you for advice. You advised the use of your 'Golden Medical Discovery' and 'Pleasant Pellets.' These medicines I have taken as directed. I commenced to get better from the start, and have not lost a day this summer on account of my stomach. I feel tip-top, and better than I have for ten years."

Keep the bowels healthy by using Dr. Pierce's Pleasant Pellets. They don't grip. They are easy to take and sure to cure.

DOUBLE TRAGEDY AT OMAHA

Jealous Husband Shoots His Wife and Then Kills Himself.
OMAHA, March 8.—As a result of jealousy Frank Steele of 419 Walnut street shot his wife and killed himself at the home of Rev. A. F. Nelson at 2889 Cass street, last night.

Steele fired six shots, five of which took effect, three in the body of his wife and two in his own body.

Mrs. Steele was taken to the Clarkson hospital and the body of Steele was removed to the coroner's office, where it was found that he had shot himself in the center of the forehead and just below the heart.

Steele was formerly employed by the Swift Packing company of South Omaha, but for some time has been out of employment.

Decision in Telephone Case.
LINCOLN, March 8.—The supreme court yesterday for the second time, but in different cases, affirmed the constitutionality of the law giving the state board of transportation power to regulate telegraph and telephone rates. The Nebraska Telephone company sought an injunction preventing the board from acting on a complaint, and the district court of this county refused to grant it. On appeal the supreme court sustained the lower court.

Syrup From Sugar Beets.
FREMONT, Neb., March 8.—John W. Schadt of this city has succeeded in making a syrup from sugar beets which he thinks will prove a strong competitor with cane and other syrups and molasses for cooking purposes. It is of about the same consistency and a little darker in color than the best grade of New Orleans molasses and contains no granulated sugar in suspension.

Defeat Court House Proposition.
GRAND ISLAND, Neb., March 8.—The proposition to levy a tax for building a court house was defeated at the polls by a decisive majority.

Fourth Death from Missouri Pacific Wreck.

More Workmen Walk Out.
CHICAGO, March 8.—Two hundred and thirty men were yesterday added to the thousands of workmen out on strikes in this city, the buffers, polishers and brass workers employed by Turner Bros. and the L. Wolff Manufacturing company walked out in an effort to enforce their demands for recognition of their union and a 9-hour working day.

Flashlight View of Audience.
CLEVELAND, March 8.—The largest flashlight view of an interior yet taken was taken on the stage of the Empire theater last night during a performance of vaudeville, showing 1,700 faces, taken by a new process employing 120 simultaneous electric flashes. A proof awaited the audience in the lobby at the close of the performance.

Two Sets of Delegates.
WACO, Tex., March 8.—The expected split in the Republican convention of Texas developed at the opening of the second day's session of that body. Two sets of delegates will apply for seats in the national convention at Philadelphia.

It Carries the Current.
"If I were you, I wouldn't lean against that post. You might get hurt."

The speaker was a policeman, and the person to whom his words were addressed was a young fellow who stood under an iron awning with one hand resting on an iron post which helped to support the awning. The young man jerked his hand away quickly.

"What's the matter with the post?" he asked. "It looks all right."
"Yes, it does," responded the policeman, "and it may be all right. But it's iron, and its surface is wet from the rain that is falling. There are a whole lot of telephone and telegraph wires in the vicinity. One of them may be mixed up with an electric light wire some-

where and may also be rubbing up against some part of this awning. Understand? If it should be, the combination would be one that, with the water that is running down the post as a conductor, would be apt to put you out of existence. I've seen one man killed in just that way, and I really don't want to see another. That's all, Goodby."

Then the policeman walked off down the street, leaving the young fellow staring first at the post and then at the wires overhead. But as long as the saunterer remained under the awning he kept his hands away from the wet iron.—Philadelphia Inquirer.

Not Wanting a Job.
When the late W. E. Gladstone was chancellor of the exchequer, one day he was in the shipping department of the government office getting some information and figures for the coming budget. While thus engaged a Sunderland shipowner called to see Mr. Lindsey, the then member for Sunderland.

While waiting for Mr. Lindsey to come in the shipowner got his eye on Mr. Gladstone and was watching him closely. After doing so a little while he thus addressed him:
"Thou seemst a good writer and clever at figures. I'll give thee £100 a year, and that's an offer thou'll not get every day!"

Mr. Gladstone thanked him and said he would see Mr. Lindsey.

Just then Mr. Lindsey entered. Then Mr. Gladstone told Mr. Lindsey of the offer his friend had made him.
Mr. Lindsey said it was a very good offer, but he did not know if Mr. Gladstone could be spared. Anyway he had better introduce them. Turning to his friend, the shipowner, he said: "Allow me to introduce you to W. E. Gladstone, chancellor of the exchequer—Mr. So-and-so, Sunderland." The amazement of the shipowner cannot be described. The Grand Old Man laughed immoderately.—London Answers.
