

TUESDAY TOPICS.

E. Bonnen of Gordon was in the city yesterday. J. H. Brown was in the city yesterday from Pierce. Miss Austin was a city visitor yesterday from Wayne. Jas. A. Cline was in Norfolk yesterday from Minden. L. C. Pugh of Battle Creek was in the city yesterday. R. E. Benser of Winslow was a Norfolk visitor yesterday. Miss Maude Reynolds was in town yesterday from Wayne. Daniel Trapp was a city visitor from the county seat yesterday. Mrs. C. A. Staley of Pierce was shopping in the Sugar City today. Henry Slitt and C. H. Lee were Norfolk visitors yesterday from Silver Creek. Miss Helen Pyle of Wayne, who has been visiting Miss Batchelor, has returned to her home. Mrs. D. L. Avery of Fort Scott, Kansas, is visiting at the home of Mr. and Mrs. G. M. Thompson. John Krantz has added a new phaeton and a new rubber-tired trap to his livery barn equipment, both of which are very handsome vehicles. The republican central committee of the Ninth judicial district is holding a meeting in this city this afternoon arranging to call the convention. The party given at the home of Venus Nenow last evening, as a farewell to Ed Walters, was very largely attended and those present very thoroughly entertained until about 1 o'clock this morning. The Norfolk High School Alumni will hold a business meeting tomorrow night at 8 o'clock in the High school building. Every member is requested to be present as there is urgent business to transact. John Donner, aged 62, an old settler and substantial German farmer of this part of the country, died at Hoskins yesterday and will be buried tomorrow afternoon at 2 o'clock from the Lutheran church at Hoskins. Stanton Register: F. F. Miller, D. G. M. of the A. O. U. W. came down from Norfolk and is at work securing members for a new lodge of that order in this city. There are enough members of that order in and around Stanton to make a lodge and will be organized here in the first days of June. The High school commencement exercises will be held in the Auditorium on the evening of May 30. Admission to the gallery will be 10 cents—to the parquet and dress circle 15 cents. Those having the 15-cent tickets may take them to Leonard's drug store and have them reserved by the payment of an additional 10 cents. Ahlman Bros. have made an attachment with the aid of which a bicycle may be ridden on a railroad track with the consent of the railroad management. It serves to keep the bicycle balanced on one of the rails and it is said that very rapid time can be made. While in Missouri they disposed of seven of the attachments and one or two of the purchasers rode through to Wisconsin on them. Le Fair store today put up a novel and catchy sign for a shoe firm which they represent. The sign is printed on muslin and is attached to the string connected with a scientific kite which elevates it to a height of perhaps 100 feet, where it attracts attention from far and near. The lettering cannot be read with the naked eye at any great distance owing to the height and fluttering of the banner. The Culture class, an organization of the young folks of the Baptist church, held their regular meeting last evening. After adjournment Pastor Eaton and wife were detained at the church while the members went to their home and took possession enjoying a very pleasant social. A literary program was rendered, features of which were recitations by Miss Maude Tannehill and Miss Winnie Owen. The members took with them pound packages which they left with Mr. and Mrs. Eaton. The Norfolk lodge, Tribe of Ben Hur, held a very successful regular meeting last evening in G. A. R. hall. Four candidates were initiated into the mysteries of the order. After the work the ladies announced that supper was awaiting in the adjoining room and the membership took the opportunity of regal themselves without the necessity of a second invitation. After supper the officers, previously elected, were installed for the ensuing term. The lodge is in a prosperous condition and now has a membership of 86. The Huesner-Settle company present "Sapho" last evening to a fairly large audience. The company did its work well, as usual. The play was not particularly objectionable but it contained nothing to especially recommend it, and the opinion seems to prevail among those who heard it that but for the notoriety which has been attached to the piece by Olga Nethersole and her company there would be little to sustain it. The company, which is a good one, will undoubtedly appear to much better advantage this evening when they will present an original comedy, "Too Much Smith." The Auditorium will undoubtedly be crowded as everyone who have

seen them can testify to the merits of the company. W. N. Huse returned from Omaha at noon, where he was called by the chairman of the republican state central committee, who offered to place in his charge the press bureau that is to be operated in connection with the work of the committee, but he was obliged to decline for the same reason that he did not accept the nomination for auditor of state—lack of time. In all probability the press bureau will be placed in charge of a committee consisting of L. A. Williams, editor of the Blair Pilot, Bert Mapes of this city and S. J. Weeks of O'Neill. The state central committee is now comfortably installed at the Her Grand hotel, and from this time until the close of the campaign the active officers of the committee will be at headquarters ready to attend to business. The committee is officered as follows: Chairman, H. C. Lindsay of Pawnee City; vice chairman, Frank H. Young of Broken Bow; secretary, John T. Mallalieu of Kearney; treasurer, L. D. Richards of Fremont.

There has been some discussion among business men regarding the advisability of celebrating the Fourth of July. Some are in favor of observing the nation's birthday with appropriate exercises while others prefer to wait until fall and then make two or three days of it at a street fair or other sort of entertainment. The people in the country surrounding Norfolk have come to look upon this city as their metropolis and from it as such they expect occasional amusement features. For several years past this city has done nothing to supply this demand and it certainly would not lose materially by doing something along that line. The fall entertainment suggestion is a good one but if it is carried out preliminary steps should be taken at once and an entertainment provided that will be satisfactory to those who may attend, give them the worth of their money and furnish an inducement to come to future entertainments. Many of the small towns surrounding Norfolk are preparing to observe the Fourth and if Norfolk people would turn out and help them to do so they would feel the more inclined to participate in a fall festival here. Such an entertainment should not cost a vast amount of money and three days might profitably be observed. One devoted, say to speaking, another to sports and one to music with band concerts or contests as a feature, with fireworks each evening, and the town decorated, would make attractions which people could not afford to miss. These are merely suggestions and others may have better ideas in regard to the matter. Usually in the fall there is a lull in farm work when nearly everybody has some time and money which they can spare for enjoyment and it would be quite the proper thing for Norfolk to meet these desires. The NEWS would be pleased to have the matter discussed and will devote some space to short communications pertinent to the question. Norfolk will probably be a great political center this fall and with the aid of a three-days' entertainment there should be no reason why it could not have the crowds that for years past have been going elsewhere.

Congressman Sulzer, one of New York's democratic leaders, predicts that the republican majority in that state this fall will be larger than any yet given to that party. In 1896 the republicans carried New York by 268,000 votes and any considerable gain will make it practically unanimous. The NEWS' job department is complete in every particular.

WEDNESDAY WRINKLES. Miss Mollie Fricke is sick at the sanitarium. Judge Harris of Madison is a Norfolk visitor. Ed Walters departed this morning for Humphrey. F. J. Hale of Battle Creek was a city visitor yesterday. Mr. and Mrs. Zahn of Pierce were shopping in this city today. F. W. Horst and A. W. Gross were over from Madison yesterday. M. C. Walker departed today on a trip to Omaha and Plattsmouth. Mrs. N. A. Rainbolt is entertaining the Kaffee Klatch this afternoon. Rev. F. P. Wigton of Osmond was in the city yesterday greeting friends. J. F. Boyd and Henry Torpin of Oakdale had business in Norfolk yesterday. O. B. Manville and Misses Nora and Hanna Nelson were city visitors yesterday from Tilden. Mrs. Kirkpatrick of Pierce is visiting with Mrs. G. F. Keiper at the Norfolk hospital for the insane. Judge Barnes came in from Clay Center last evening and will depart today for Ogalala on legal business. The elegant thunderstorm this afternoon removed all apprehensions of a possible drouth and laid the dust in good shape. The front of the Auditorium is now about completed and the outside appearance of the building has been much improved. The announcement of the commencement exercises in last evening's paper read May 30 when it should have read the 31st. The class sermon to the graduates of the Norfolk High school will be delivered next Sunday evening at Trinity Episcopal church by Rev. J. C. S. Weills. Herman Christoph came up from Lincoln yesterday to pay a short visit to his son, George. He will depart tomorrow for his home in New Hampton, Iowa. Superintendent D. C. O'Connor will deliver the address to the graduating class of the Petersburg High school on Friday and the people of that city may rest assured that it will be something fine. Workmen are engaged in filling in with dirt in front of the Pacific block preparatory to putting in a new sidewalk—an improvement which will be commended by ten out of nine of the citizens of Norfolk. One of the leading events of the season in educational lines will be the musical commencement exercises at the new Auditorium next Monday evening. People from all the adjoining towns will be in attendance as well as several who take part in the program. The lady friends of Mrs. Christina Klentz gave her a surprise party last evening at her home on South Fourth street, the occasion being her 71st birthday. There were about 30 guests present and a very enjoyable evening was passed, refreshments being served. Ed Harter, formerly of this city was married this afternoon at 3 o'clock at Naperville, Ill., to Miss Phebe Alsopugh, a popular young lady of that city. They leave this evening for a trip through Colorado, California, and other western states and may stop here on their return. The mail pouches for Battle Creek, Meadow Grove, Tilden and Oakdale which have heretofore been made up at the Norfolk postoffice in the morning are now made up at 9 o'clock in the evening and people having mail business with either of these towns will govern themselves accordingly. Manager W. H. Baird of the Norfolk sugar factory and Miss Lulu Hitzel of Grand Island will be united in marriage in that city tomorrow morning at 9 o'clock. Those who have gone down to attend the ceremony from this city are: Mr. and Mrs. J. N. Bundick, H. A. Wildmaring, E. H. Gerecke and J. B. Barnes, jr.

The Huesner-Settle company was greeted by a fair-sized audience at the Auditorium last evening when they rendered "Two Much Smith," a very laughable comedy. Those present enjoyed the performance very thoroughly and many spoke in high terms of the attraction. This evening another comedy is on the boards—"Confusion or Pug and the Baby," which attained a fine reputation in the east through Nat Goodwin. The audience tonight should be a large one. Arrangements for base ball this season under the management of A. J. Keonigstein are progressing nicely and lovers of that sport are promised some interesting games this summer. The sale of season tickets has been quite satisfactory and steps are being taken to arrange the Olney grounds into a suitable park. The old fair ground fence has been purchased with which to enclose the grounds and a portion of the grand stand will be moved in. The management hopes to be ready for a game soon—perhaps on Decoration Day. A dispatch to the World-Herald from Sioux City says: "Dispatches here today announce the federal supreme court's refusal to grant a rehearing in the case against Frank Dorsey, charged

with wrecking the First National bank of Ponca, Neb., several years ago. Dorsey was cashier of the institution. He was convicted in Omaha and sentenced to six years imprisonment but has been fighting for a reversal ever since. He was in business here for several years after the bank failed and is now operating a brokerage establishment at Colorado Springs." The Ancient Order of United Workmen in Nebraska sets aside a day known as Floral day each year when the membership pay their respects to the memory of deceased members. The day set aside for that purpose this year is Sunday, June 10, and at its meeting last night Norfolk lodge No. 97 made arrangements to observe it. On invitation of Rev. W. H. Eaton of the Baptist church they will attend services in a body at that church in the forenoon and in the afternoon will proceed to the cemetery, where they will decorate the grave of the late Frank Wise, who was a member of the order. Protection lodge No. 101, Degree of Honor, will be invited to participate in the observance of the day.

ENVOYS CALL ON PRESIDENT Cordially received, but informed the Statement of Secretary Hay Was Final. WASHINGTON, May 23.—Messrs. Fischer, Wessels and Woolmans, the three Boer envoys, visited the white house yesterday, according to previous arrangement, to pay their respects to the president. No official status was given the visitors and they presented no credentials. The envoys were received in the blue parlor, no one being present but themselves, the president and Secretary Cortelyou. At first the conversation touched upon a variety of subjects. The Boers talked about Washington, told how they admired the city, and the president escorted them to the porch at the rear of the executive mansion, where a splendid view is obtainable of the Washington monument and the Potomac river. President Kruger's name finally was mentioned and the visitors then stated their purpose in coming to this country. They said they understood that what Secretary Hay told them Monday was final and that the position of the United States was that this country could not interfere in the present struggle in South Africa. The president confirmed this view. He said that the action he took some time ago, when, at the request of the government of the Transvaal that this government should intervene, he offered his good offices to England to bring about peace, he did it with great pleasure in the hope that it might possibly bring the conflict to an end. This offer had been declined by Great Britain and, he said, there was nothing further that the United States could do in the premises. The envoys intimated that they were glad to feel that they had friends in this country and then bade the president good bye.

SPOONER DEFENDS HIS BILL. Makes a Plea in the Senate For Retention of the Philippines. WASHINGTON, May 23.—In the senate yesterday Spooner (Wis.) made a notable speech in favor of his bill providing that upon the suppression of the insurrection in the Philippines the government of the islands shall devolve upon the president until such time as congress might direct otherwise. Spooner was almost too ill to stand, but he defended with characteristic vigor and eloquence the policy of the administration in the Philippines, maintaining that no other policy in the circumstances was possible and that none other could have been adopted without dishonor to the country. Later in the afternoon Senator Carter of Montana presented the credentials of Senator Clark of that state. They will lie on the table for the present. Wellington presented the resolution adopted by the meeting held in this city Sunday evening last to welcome the envoys from the South African republics. He gave notice that on Monday he would speak on the subject. Alaskan Code Bill in House. WASHINGTON, May 23.—The house devoted the entire day to the Alaskan civil government bill. Slow progress was made, only 24 pages being disposed of. A senate bill was passed to reserve certain lands in Hawaii for cemetery purposes. Knox (Mass.), in explaining the bill, said: "In this cemetery the kings and royal families of the islands lie sleeping, unconscious that they have been annexed to the United States." "I trust there will be no objection on this side to the passage of the bill," interrupted Wheeler (Ky.). "A few kings dead or alive is all that is necessary to complete the policy of the present administration."

Quiet Day at St. Louis. St. LOUIS, May 23.—Yesterday was the most quiet day of the strike, there being no disturbance worth mentioning. There were one or two small fights between union and nonunion men, but nobody was hurt and there was nothing throughout the day that approached the dignity of a riot. The transit company is making steady progress in opening its lines. Twenty-four were in operation and on nine of them the full complement of cars was running. Corn for Sufferers in India. TOPEKA, May 23.—A special train will leave here tomorrow composed of a cargo of Kansas corn consigned to the sufferers in India. The train will be made up of 20 or more cars loaded with Kansas corn to their fullest capacity and containing over 20,000 bushels of corn. Safe Blowers in Depot. ULYSSES, Neb., May 23.—The safe in the U. S. M. depot at this place was blown open last night. The robbers secured 47 1-cent revenue stamps and no money.

He was convicted in Omaha and sentenced to six years imprisonment but has been fighting for a reversal ever since. HERRIED WILL BE NAMED. Has No Opposition in Republican State Convention at Sioux Falls. SIOUX FALLS, May 23.—The republican state convention will be held here today. Fully 800 delegates are in the city. Charles N. Herried of Eureka will be nominated for governor by acclamation and there is no opposition to the nomination of Charles H. Burke and E. M. Martin for congressmen-at-large. Some opposition has developed to the endorsement of the candidacy of Congressman Robert J. Gamble for the United States senate, on the ground that it should be left to the legislature. An attempt will be made to indorse Bartlett Tripp of Yankton for the republican nomination for vice president. An audience of 4,000 people last night listened to addresses by John L. Webster of Omaha, Judge Bartlett Tripp, ex-congressman John A. Pickler and others. Bucket Shopping Case Dismissed. CHICAGO, May 23.—The McLain case, in which five prominent board of trade brokers were charged with using the mails to carry on a bucket shopping scheme to defraud their customers, was taken from the jury by Judge Kohlsaat in the United States district court yesterday and a verdict of "not guilty" entered for the defendants. Judge Kohlsaat allowed the defendants to go free because it was not made sufficiently clear in the evidence that it was the intention of the defendants to convert to their own use the money sent them by their customers for proper investment. Kansas Democrats Meet. WICHITA, Kan., May 23.—The town is filled with delegates to the Democratic state convention, which meets here today for the purpose of electing 20 delegates to the national convention. No fight is expected in the convention, as all the district divisions have been settled in caucus. Senator Hugh Farrelly will be temporary chairman, and W. H. L. Popperell, temporary secretary. This organization will be made permanent. The delegates-at-large will be J. H. Atwood, Dave Overmeyer, J. H. Johnson, Dr. Brandenburg, James Fike and Harry Stewart. Leavenworth Bridge Sold. LEAVENWORTH, May 23.—The Missouri and Kansas bridge, which spans the Missouri river two miles north of Leavenworth, was yesterday sold at auction by a master commissioner appointed by the United States district court. It was knocked down to Simon Stern for \$10,000, the upset price. There was but one bid. The bridge was built in 1876 at a cost of \$900,000. February last a suit to foreclose a mortgage for \$583,000 given in 1880, was filed by J. H. Shanklin, trustee for the bondholders. McPartland Gets the Decision. NEW YORK, May 23.—Kid McPartland had an easy time with Billy Ernst at the Seaside Sporting Club, Coney Island, last night. Young Starr of Philadelphia, who was to have met McPartland, failed to appear and Ernst, who was billed to go on in the preliminary, was substituted. They were to have gone 25 rounds at catch weights, but the referee stopped them in the sixth and awarded McPartland the decision. Ernst had no chance at any time. Maggie Shea Found at Last. OMAHA, May 23.—Maggie Shea, the demented young woman, who for eight days was wandering in the woods near Florence, was found and taken to her home Tuesday night. This closes a case remarkable in many ways, for the young woman has been searched for almost constantly, has never been outside of the northeastern corner of Douglas county and yet, as far as known, was seen but twice during her absence.
