

All Souls Church

A Free Religious Society
12th & H Sts.

Arthur L. Weatherly, Minister

Morning Service at 10:45

The Students' Liberal Religious Union meets every Sunday from 12:00 to 12:45 for the free discussion of religious problems.

A University opens wide its doors to all seekers after the truth. It binds its members by no formula of belief. Its face is not toward the past, but toward the future. It holds in honor those who discover new truth. It reverences the attainments of the past; but uses them to secure progress in the present. ALL SOULS' CHURCH seeks to realize this university ideal in the field of religion.

Opening Service of the year, Sept. 20th

Subject—"The Fundamentals of the Religion of Democracy,"
A Sermon for Youth

You Are Invited

Don't Get Lost In Your Books!

Perhaps there are some other things you ought to see and do while at the University. It may be that one of the best things you could do would be to take a special course in Shorthand, Typewriting, Bookkeeping, Banking, Higher Accounting, or Penmanship, with us. We have been of great assistance to other University students—why not YOU?

Students of the Commerce Course will find our courses of great benefit to them. Special hours can be arranged. Call and talk it over.

Another Student Married.

A. E. Emley, better known to the Laws as "Rip," and Miss Jean Taylor, senior in the University Conservatory of Music, were married at the home of the bride in Lincoln on June 2nd. Reverend Stuff performed the ceremony. Jack Emley, cousin of the groom, acted as best man and Miss Hazel Armstrong as maid of honor. The only guest present was Mrs. Carrie B. Raymond. "Rip" has been a prominent member of the junior law class. Everyone remembers his harrowing criminal speech as a lawyer in the "Laws' stunt" on University night.

They will live at 238 North Sixteenth street while finishing their respective courses.

REGISTRATION.

These college days are a joy indeed in the work that we see ahead; There are things to hear, there are books to read,
For our minds must be fairly fed.

And this thing and that an expense entails,

For the "freshy" as well as "grad,"
And the money passed over to Dr. Dales

Is a terrible strain on Dad.

Mrs. G. M. Seeman and Miss Margaret McHenry of Superior are visiting friends in Lincoln.

ROMER DIES.

Pete K. Romer, remembered by many students, died June 21 from blood poisoning. He was ill but a short time and his death came very unexpectedly.

Romer had just won his Phi Beta Kappa key and was taking summer school work to apply on his master's degree when death overtook him.
