Miss Gladys Kuhn, 1914, is teaching in Zillah, Washington.

Miss Helen Springer, 1914, is teaching at Genoa this year.

Miss Pearl Rolofson, 1914, is teaching in Gering High School.

Miss Leta Lynch, 1912, has returned for a year's work at the University.

Miss Winnifred Outhouse, 1914, is teaching Latin in the Ravenna High School.

Miss Luberta Dysart is teaching history in the Broken Bow High School.

Come out to the Y. W. C. A. vesper service when the big bell rings tomorrow night at 5:00 o'clock.

The English Club will suffer on account of the European war, as Professors Frye, Buck and Gass, the life of the club, will not be here for some time.

Miss Esther Stanett has returned from a six months' trip to Europe. She was detained in Paris two weeks, but reached home without any further difficulty.

Miss Gladys Bunt, Delta Gamma, is teaching in Minneapolis this year. She was very prominent in social affairs last year, being best remembered as president of the Black Masques, and Queen of the May.

The freshmen girls will be looking forward to the party Saturday afternoon, the first big party of the Girls' Club. Upper classmen be sure to get the name of a freshman girl to escort to the affair, and do it in time to send her a written invitation.

Miss Florence Frost and Mr. John Baird of St. Joseph, Missouri, were married this summer, quite unexpectedly. Miss Frost was a member of the Tri Delta sorority, and Mr. Baird, who attended the University only two years, was an Iron Sphinx.

Miss Esther Warner, 1912, and Miss Hazel Snell, 1913, have gone to Columbia University for a year's study. Both are members of the Delta Delta Delta sorority, and Miss Warner has been teaching since her graduation. The Saturday before they left, a

luncheon was given in their honor by Mrs. John Baird of St. Joseph, Missouri, formerly Miss Florence Frost of this city.

Miss Marian Pettis and Miss Madeleine Stivers spent the week-end at their homes in this city. Both came to be present on pledging day at the Alpha Phi house, returning Sunday night to the towns where they are teaching, Miss Pettis at West Point, Miss Stivers at Tecumseh.

The comments on the style of boys' hats this year are not at all flattering. A couple of sorority girls sat in the window of the Classical Library, passing remarks on the boys whom they saw crossing the campus, and the aforesaid remarks were anything but complimentary. Girls are not the only ones who must follow the styles.
