—our new Fall styles of Soft and Stiff Stetsons.

Style that you can recognize as far as you can see the hat, and quality that will bear the closest inspection under the magnifying lens.

The prevailing style tendency this year is the higher crown and narrower brim—and Stetson has certainly worked out a surprising range of different blocks based on this model.

Soft and Stiff Stetsons—including a very interesting display of Stetson Self-forming Derbies.

Professor Fordyce spent his vacation walking through Glacier Park with a company of some two hundred enthusiastic sportsmen.

Miss Grace Munson, assistant in the department of Education, and Miss Igerna Montgomery, 1913, attended Columbia University this summer.

Professor Robbins of the Law college and his family had a summer cabin up in the Rocky mountains near Buffalo Park during the entire vacation.

Leland Evans of Columbus, Sigma Alpha Epsilon, is spending this week visiting University friends. He expects to be in the University again next semester.

Miss Elizabeth Atkins and Miss Elizabeth Wittman, who received their Master's degrees last June, have returned to the University for additional work this winter.

Every girl in the University is invited to the Girls' Club party to be held in the Temple Theater, corner of Twelfth and R streets, on Saturday, September 26, from three to five. This party is to be given for the freshmen girls and upperclassmen are requested to draw names of freshmen in Miss Graham's office before Friday night. All freshmen are especially urged to come, whether their names have been drawn or not. Very enjoyable parties were held weekly during part of last year. It is hoped that these functions may be continued this year.

Tryouts for Cantata.
