

SCHOLARSHIP IS UP

FRATERNITY RALLY IN LAW BUILDING.

CHANCELLOR AVERY SPEAKS

Guy Reed, Edgar Kiddoo, William Ritchie, Frank Perkins and C. A. Sorensen Make Short Talks.

In a rousing rally held in the Law Auditorium, the Greeks pledged themselves to better scholarship, more interest in school activities, and a more wholesome relation to their home communities.

Chancellor Avery opened the meeting with a most interesting talk on the German Corps. He pictured them as organizations from which the American fraternities could learn many valuable things.

Guy Reed followed him with a discussion of the obligations of the fraternity to its freshmen. He told the freshmen that they could expect to be trod on but that it would all be for their good. He went on to say that a freshman should be very careful not to injure the reputation of his fraternity.

Prof. P. M. Buck, president of the Inter-fraternity Council, spoke next. He told how while on a recent tour of England he saw a regiment of soldiers made up of students and professors from Oxford. He declared that American students were just as patriotic. He made a plea for co-operation among the fraternities in making the University the best possible.

Edgar Kiddoo made a plea for more system in study. He advised the freshmen to be obedient to the upper classmen.

William Ritchie, secretary of the Inter-fraternity Council, made a strong plea for scholarship. He said that as long as the scholarship average of the fraternity men continued to be lower than that of the non-fraternity men, the whole fraternity system would be held in low estimation by the general public. He went on to point out that although the grades of the fraternity man might be a little less than that of the non-fraternity man, yet the Greek learned how to mix with people and to use his ability to the best advantage.

TWENTY-FOUR MEN CHOSEN FOR BAND

Seventy-five Candidates Tried Out—Will Have Largest Band For Years.

Out of seventy-five students who tried out for the University band recently twenty-four of the more proficient ones were chosen. These twenty-four young men are musicians of more than ordinary ability. With this old men who are back this year, the band will consist of fully fifty pieces, the largest it has been in recent years.

The plan instituted by Director Cornell three years ago is showing the wanted results. His plan is to compel every man, when he joins the band to pledge himself to work with the band during his entire college career. Because of this, many of the stars of former years are back, making very few vacancies for the younger musicians.

Work is coming along in first class order, practice being almost every night. Following is a list of the new members: Chas. Miska, A. Zuchke, Edwin Young, H. W. Yung, H. F. Freidel, D. L. Yale, Glen Bessire, F. J. Creutz, Arthur Bohelg, Loyd Hagerman, D. Dillon, Fred Pharis, Roy Smith, Earl Wilson, LeRoy Melesinger, Dwight Thomas, E. E. Helledy, L. W. Ellis, H. N. Aldrich, Elmer Srablit, Marl Hartley, Arnold Anderson, Richard Lueke, Cecil Brachman.

WAS BIG PEP RALLY

THE OCCASION WAS ONE OF ENTHUSIASM AND EXCITEMENT.

MANY FRESHMEN PRESENT

Stewart Acted as Chairman—Stiehm, Reed, Condra, Howard, Halligan and Many Others Spoke.

Nearly seven hundred of Nebraska's loyal football enthusiasts crowded the chapel at convocation yesterday morning and made the rafters ring with the echo of old Number One at the "kick-off rally for Nebraska's fourth Missouri Valley championship," as Professor Condra expressed it. Aside from the speeches and the noise, the feature of the rally was the large number of first-year men present. The whole school from the "freshest" man to the head professor is behind the Cornhusker eleven with heart, soul and lungs, and the dress rehearsal yesterday morning was only an intimation of what will break loose on the gridiron Saturday.

Cloyd Stewart acted as chairman, and short speeches were made by Coach Stiehm, Guy Reed, business manager of University athletics, Prof. Condra, Dr. Maxey, Warren Howard and Vic Halligan. Each came in for his share of the applause and enough enthusiasm was manufactured in barrel quantities to last throughout the season.

GAME ON TOMORROW

AFTER MUCH SHIFTING ABOUT READY TO FACE ICHABODS.

WASHBURN TEAM IN TOWN

Those Who Attend the Game Are Certain to Witness a Close and Exciting Contest—Result is Doubtful.

By H. I. Kyle.

The campus is enveloped in an atmosphere of tense expectancy today. It is always hard to forecast the result of the opening game of the season, and doubly so this year because of the shifting policy adopted by Coach Stiehm the forepart of this week. The fact has at last impressed itself upon the student body that the Nebraska warriors are facing a grim, grueling struggle tomorrow, with only a fair chance for victory.

To those who have followed the scrimmage of the past week closely, it would not be surprising, if a large score were piled up by both sides. Nebraska, with her wonderful backfield, is almost certain to score several times, but with her line decidedly weak on defense, it is not unlikely that Washburn, too, will score often.

The line-up when the opening whistle blows tomorrow, will probably be:

Cameron, center.
Abbott, right guard.
Corey, right tackle.
Balis, right end.
Shields, left guard.
Norris, left tackle.
Amack, left end.
Howard, quarterback.
Halligan, right halfback.
Rutherford, left halfback.
Chamberlain, fullback.

Should the Cornhusker machine succeed in amassing a safe score in the early stages of the game several men on the waiting list will be given an opportunity to demonstrate their ability.

The Washburn team arrived from Topeka this morning. We have not seen them yet, but we understand they are a fierce blood-thirsty aggregation calling themselves the "Blue Devils," which sounds serious. Our final prayer is that their bluntness may be even more noticeable when they take their leave.

BUCK WILL SPEAK SUNDAY ON EUROPE

Just Back From Abroad—Will Address University Men at St. Paul's Church.

Prof. P. M. Buck will speak to the University men on the subject, "My Experience in Europe," Sunday morning at St. Paul's Methodist church. All men are invited and urged to be present. They will meet in the Epworth League room at 10 o'clock.

Prof. Buck should have a most excellent address since he had plenty of time to meditate upon it while marooned in London. He will have the latest on the situation in war-ridden Europe and those who are watching the struggle abroad should make it a point to hear him.
