

UNI. WILSON CLUBMEETING HELD IN THE RED ROOM
OF THE CITY Y. M. C. A.**EMLEY THE NEW PRESIDENT**Thirty University Students Were
Present—Andrew Morrissey Was
Chief Speaker of the
Evening.

The Woodrow Wilson Club of the University held its first meeting of the year in the City Y. M. C. A. last evening. In spite of the threatening weather about sixty-five men turned out, half being students and the others Democratic candidates for state and local offices and their supporters.

The meeting was called to order by Robert Harley, the retiring president. The program consisted of songs by the Glee Club quartet and speeches by members of the club and candidates. Mr. Andrew Morrissey, secretary to Governor Morehead, made the principal address of the evening. He referred to the success of the present Democratic administration. He called attention to the tariff, and the new currency law, which took the banking system of the United States out of the hands of Wall Street and made impossible another panic like the one of the year 1907. He spoke of the income tax, the merchant marine and the trust question. He ridiculed the idea of one claiming to endorse the administration of President Wilson and still remaining a Republican.

After several speeches, a business meeting was held. The following officers were elected: President, A. M. Emley; vice president, Robert Harley; secretary, R. F. Swift; treasurer, W. E. Kavan; publicity manager, J. I. Oberfelder. An executive committee was appointed consisting of the following members: Munn, Metcalfe, Bryan, Ritchie, Beard, Harley, Kavan, Westover, Swift, O'Hanlon, Chambers, Oberfelder, Dennis, Miller. Resolutions were presented by Ted Metcalfe endorsing the National and State administrations.

President Sorensen of the Howell Club was present and gave a short talk when called upon. He endorsed the administration of President Wilson.

Dolly—Yes, but it is awful being engaged to one.—Yale Record.

**NEW INSTRUCTOR IN
PHYSICAL EDUCATION**Miss Hankey Takes Miss Park's Place
—Latter Fills Vacancy Caused
by Miss Gittings' Absence.

Miss Hankey, the new girls' instructor in Physical Education, graduated last June from the New Haven Normal School of Gymnastics. She fills the vacancy caused by Miss Gittings' absence, Miss Park having taken the latter's place. Miss Hankey has already become popular among the normal students in the department and such of the other girls as have met her.

No Noise in Colorado.

Noise is not school spirit. It is rather one of the marks by which school spirit is known. A college yell is not the highest form of devotion to a university, but it is pretty good proof that such devotion is present. There never yet was a loyal and spirited student body which could not on occasion convert portions of its spirit and loyalty into noise.

Colorado men seem to be stricken with throat paralysis if one is to judge by the brand of yelling dished up thus far. The noise made at the alumni game Saturday scarcely carried across the field and two or three times the girls in the opposite stand asked each other what the men were mumbling about.

Unless we expect to be utterly drowned out at the games in Denver, it is up to us to forget our natural modesty, put our hearts into our work, and instill a little life and ginger as well as volume into our yells and songs.—Silver and Gold.

**OLYMPIC CONTEST
NOW UNDER WAY**Will be Held the Twenty-Fourth—
Freshmen and Sophomores Get
on the Job.

As announced in yesterday's Daily Nebraskan the annual fight between the Freshman and Sophomores, called the Olympics, will be held Saturday morning the 24th of this month. Besides the big free-for-all there will be wrestling, boxing, and medicine ball fight. Several new features may be added to make this the best contest ever.

The newly elected presidents will appoint their Olympic committee as soon as possible and then it is up to these men to find the best material for each of the events. Tryouts are usually given those who desire to participate in any special event and the man that shows up the best is the man that the committee chooses to represent his class in that event. Now is the time to begin planning on this feature of the early school year.

**LAST OPPORTUNITY
FOR TENNIS MEN**Must Register Before 4:00 O'Clock
Today—May do so at Basement
of Administration Hall.

Today at 4:00 o'clock the entries for the coming Tennis Tournament will close. All men intending to take part must hand in their names before the above hour. There are at present fifteen entries and several good men are known to be in school who have not registered. This is an excellent opportunity for some player to win a letter and all men, no matter of what ability, should do their best to win this tournament. Those who feel that they have no chance at all should remember that the best place to learn the tennis game is in a regular tournament and the freshmen especially should remember that they have four years in which to compete in this line of activities.

The doubles tournament will not be held until next spring but many of the men are already picking their partners. Several trips will be secured for the winner of the doubles and letters will be granted the men if they win any match against any Missouri Valley or Chicago Conference team.

BAND IS IN OMAHAPLAYED IN THE ELECTRICAL
PARADE LAST NIGHT.**THIRTY-FIVE MEN PRESENT**For Seven Years Without Fail Has the
University Cadet Band Been
Called to the Omaha
Aksarben.

Thirty-five members of the University cadet band, accompanied by their director, C. B. Cornell, left Lincoln yesterday on a special train for Omaha where they will take part in the Aksarben celebration. The first appearance of the boys was last evening in the famous electrical parade. They will also furnish music today. The trip was the result of a special invitation to Prof. Cornell from the chairman of the music committee of Omaha's biggest "annual."

For seven years the university band has been one of the few chosen to obey the whims and caprices of "King Samson." Aggregations from the city have repeatedly tried to gain the recognition of the king's secretary, but equally as often have met the lord high executioner or some other worthy as cruel in his refusal.

Prof. Cornell and his men will return this afternoon.

**FOREIGN FLAG OVER,
UNIVERSITY HALL**Chinese Flag Waves in Honor of Mis-
sionary Campaign—Work Pro-
gressing Nicely.

A Chinese flag waves above University Hall in honor of the missionary campaign which is now on. It is the flag of the new republic and represents the awakening to new ideals in the East.

Three hundred and twenty dollars were pledged at the Dutch supper Tuesday night.

All workers are asked to meet at noon in the Association rooms where they will report results and receive directions for carrying on the work of the campaign.

**PHI ALPHA TAU
HOLDS MEETING**Howell and Morehead Discussed by
Sterling Mutz and W. L. Locke
—Prince Presides.

Phi Alpha Tau held its first meeting last evening, its subject for discussion being, "Nebraska Politics." Sterling Mutz, a local lawyer, and W. L. Locke, represented Governor Morehead and Mr. Howell respectively.

Mr. Mutz opened his talk for the candidacy of Governor Morehead with the statement that in order to support President Wilson and his policies the Democratic candidates in Nebraska should be elected. He declared that if the Lancaster county ticket and

Now It's the Pig Club.

The Pig Club is the latest addition to the list of Boys' and Girls' Clubs open for membership to the young people of the state. Membership rules will be much the same as for the corn and tomato clubs. The list of prizes that are expected to be offered—like the rules—have not been prepared. The leader in charge of the new club is J. G. McMillan. He is a graduate of the Iowa State Agricultural College and has been teaching agriculture in the high school at Holdrege. During the fall and winter he will appear on the program of a number of farmers' institutes and short courses to explain the nature of the work. The Pig Club, the same as all the Boys' and Girls' Clubs, is carried on co-operatively by the United States Department of Agriculture and the Nebraska College of Agriculture. Information concerning the club may be obtained from the Agricultural Extension Service, University Farm, Lincoln.

**COMMERCIAL CLUB
MEMBERSHIP BIGGER**First Event to be Held Tomorrow
Night—Will Get Acquainted and
be Entertained.

The final effort of the committee in charge of securing members to the University Commercial Club will be made today and Friday. The reports up to this time are favorable and those in charge of the propagation of this movement are confident that an enthusiastic organization will be doing things in the near future.

The first move of consequence that the club will make will be the "get acquainted" meeting to be held in the Faculty Hall of the Temple tomorrow night. This meeting will be for the specific purpose of having the new members, and all in fact, become acquainted with each other and the professors in the Commerce department of the university. Robertson and Loomis who are on the refreshment committee make the statement that no one will go hungry.

**GLEE CLUB WINNERS
ANNOUNCED TUESDAY**Final Tryout Will be Held This Week
—Many Candidates Trying for
Places.

The final tryouts for the Glee Club were supposed to have been held last Tuesday night but on account of the many candidates and the trouble of arranging practice hours another tryout was deemed to be advisable. Much interest is being shown this year and competition for the places is keen. The successful candidates will be announced in the Tuesday's edition of the Daily Nebraskan. Those students who are interested in trying out and who have not registered may do so by seeing Mrs. Raymond at once.

The Glee Club Quartet met for the first time last Monday at the Sigma Phi Epsilon house for rehearsal. They are showing the usual amount of class and can be expected to be even better than last year.

Just because you're invited before the board of deans, don't think you are being rushed for Phi Bet Kappa.—University of Washington Daily.

COYOTES TO COMESTIEHM RECEIVES A TELEGRAM
FROM S. D. ATHLETIC BOARD.**HUSKERS IN POOR CONDITION**Five Regulars Are Laid up With Minor
Injuries—Many Substitutes Will
be Used in the Game
Saturday.

By H. I. Kyle.

That the Coyotes will be here Saturday, is now almost certain. Coach Stiehm received a telegram from the South Dakota athletic board yesterday, informing him that a list of the men they expected to use against Nebraska would be sent to him at once. Such being the case, it is very probable that they will be allowed to send on their aggregation of Coyotes, Cubs, Curley Wolves, and Bears.

Regarding the strength of the team that he will offer, to tame this raging menagerie, the coach was dubious. "Because of the poor physical condition of so many of the regulars," said he, "the outlook is far from promising. It is quite probable that several of the most important positions will have to be filled by substitutes during a large part of the game. Rutherford, Howard, Hawkins, Norris, and Shields are all suffering from minor injuries, which, though probably not serious enough to keep them off the line-up, will certainly prevent them from playing their usual game, and will necessitate the using of subs for a large share of the contest.

A spirited exhibition game between the varsity second team and the freshmen took the place of the regular practice, yesterday afternoon. The ball see-sawed up and down the field for over two hours, each team scoring an occasional touchdown, until approaching darkness put a stop to the battle. For the yannigans, the work of Gross and Fouts shone out especially, while the stars of the embryo bunch were Coe's, Otoupalik and Gray. Every available man in both squads was given an opportunity to cover himself with mud. An exhibition game is scheduled for every Wednesday, during the remainder of the season, and rooters of both sexes are expected to attend.

**THE FIRST SENIOR
COMMITTEE ANNOUNCED**President Ganz Starting Things Right
Off—Norma Kidd, Chairman of
Cap Committee.

In order that the Senior caps might be procured earlier than usual this year President Ganz of the Senior class last night announced the following Cap and Gown Committee: Norma Kidd, chairman, Myrna Jones and Mildred Cuba.

Announcements of the other committee appointments will be made in the near future.
