### A \$4,000,000 Fight.

A \$4,000,000 fight is being waged in Nebraska this fall at the farmers' institutes. It is the fight to eradicate the loss of \$4,000,000 annually due to hog cholera in the state. Never before was the slogan that "Hog Cholera Must Go" sounded so loud as this fall. Hog cholera lectures, hog cholera vaccination demonstrations, special hog cholera conferences in groups and in crowds are being given at the farmers' institutes. The work is in charge of the Agricultural Extension Service of the University Farm in co-operation with the United States Department of Agriculture and the Live Stock Sanitary Board.

## SEXOLOGIST NOT TO SPEAK IN HIGH SCHOOL

Board is Not Pleased With Offer—Speaker's Name Was Not Learned.

The University Y. M. C. A. is extending its activities. They recently proposed to furnish the Lincoln High School with a sexologist speaker. However, the Lincoln school board could not see it that way and at a meeting yesterday turned down the offer of the Y. M. C. A. Dr. Stevens waxed hot at the offer and is quoted as saying, "the schools are being sexed to death with sexologists until the pupils can't think of anything else. We don't want any more of it."

The name of the University Y. M. C. A. sexologist could not be learned.

## OLYMPICS TWO DAYS OFF.

Most of Arrangements Already Made—Betting Remains About Even Money on the Freshies.

With the Olympics only two days away, both Freshmen and Sophomores are getting their men into shape rapidly. The Freshmen are short of boxers in the heavy and light classes and any member of the class capable of protecting himself by this "manly art" should be at the Armory by 11 or 4 o'clock today to enter the try-outs for a place on the Freshman team.

## "PEP" UP FOR THE MICHIGAN AGGIES

Rally at 11:00 a. m. Friday in Memorial Hall—Torches on Sale at Noon.

Anything to beat Michigan Aggies, that's the sentiment in school now. Every night sees the bleachers crowded with spectators as the team goes through their gruelling scrimmage work. Now in order that the team shall not be the only ones ready for the contest Saturday a Rooter's Rally has been scheduled for Friday at 11:00 in Memorial Hall. New yells will be gone over, new songs sung and everything gotten in readiness for the liveliest exhibition of rooting at Saturday's game that Nebraska has ever put over. The Yell Leaders have a meeting at 11:30 today in the Nebraskan Office to concoct some new and novel features for the occasion. Don't miss the rally on Friday. Learn all about the even-parade and fireworks, and get a torch.

## WHEN A FRATERNITY IS NOT A FRATERNITY

Great Bunch of Fellows on South Eleventh Street—Been Together For Three or Four Years.

There is something new here at Nebraska, something so unusual that it has attracted considerable interest. On South Eleventh street there is a fraternity that is not a fraternity, a bunch of fellows who stay together because they like each other's company. There are many places in Lincoln where students stay together during the year, but this bunch differs from the rest. There are some of the bunch who have stuck together three or four years, and while they are not all frat men, they are all good fellows, and several of them are prominent in the university.

Another unusual thing about this bunch which has stuck together so long, is that it has shown no desire to encroach upon the privileges of a greek letter fraternity. In fact, they have no organization whatever, and are governed by no rules except the unwritten law which has to do with the attitude of a freshman towards an upper classman.

## YEAR'S BIG RALLY

TORCHES TO LIGHT THE WAY AND A BAND TO INSPIRE.

### PARADE STARTS AT SEVEN

Speeches Will be Made—Songs Will be Sung—Yells Yelled and the Juniors Will Pull the Wagon.

With ceremonies befitting the occasion the Michigan Aggie hoodoo spell is going to be placed on Nebraska Field. The band will be there to play slow music, the yell leaders will be there to chant the encantations, and every loyal Nebraskan—Fresh, Soph, Junior and Senior will be there to receive his or her portion of the big "Pep" Banquet, prepared especially to strengthen the rooters for Saturday's big game.

The plan for the evening is as follows: Promptly at 7:00 p. m., the procession leaves the campus, headed by the band drawn in a wagon by the Juniors. Four abreast the rooters will march over to Sixteenth and O, down O to Thirteenth, where a circle will be formed and speeches made. From here the march will continue to Government Square, around the square and back to Eleventh and O where another speech fest will be indulged in. The parade will then proceed to the Athletic Field, heralded by a salute of whistling bombs and a blaze of fire works. The band will play a few selections, the rooters will have a song and yell orgie, more fireworks and then the hoodoo spell will be cast over the field.

At noon Friday, following the big 11:00 o'clock rally, kerosene torches and colored light torches will be sold at ten cents apiece in the entrance of the Chapel. Every man in the parade should have at least one torch. Don't forget your dime!

All out for the biggest rally of the year!

Friday night, remember the date. At 7 o'clock, remember the time. On the campus, remember the place.

## GLEE CLUB HAS AN ELECTION OF OFFICERS

Jackson President, Haggart Secretary and Miller Librarian—Prospects Encouraging.

At a meeting of the Glee Club last night Earl Jackson was elected president. Virgil Haggart, secretary, and Arthur P. Miller librarian.

The prospects of the club look better this year than they have for some time, due to the fact, that every man had to go through a rigid try-out. Mrs. Raymond is very much pleased with the outlook of the club and thinks she will develop an organization that will be a credit to the school.

### Dann on Symphony.

Professor Dann will speak at Convocation today in Art Hall. His talk will be an analysis of Beethoven's Second Symphony. Those who have enjoyed the symphony concerts in the past will enjoy them more in the future if they know something concerning their make-up. Professor Dann, as everyone knows, is very capable of speaking of this.

## UNITED AGRICULTURAL SOCIETY

Will Hold First Meeting at State Farm—Open to Both Men and Women.

The United Agricultural Society will hold their first meeting of the year at the State Farm, Saturday evening, November 7, at 8 o'clock. This is the only organization in the Agricultural College that is open to both men and women and all agriculture students are urged to come out to this first meeting and get acquainted. A short program has been prepared and light refreshments will be served.

## SENIOR HOP DATE DEFINITELY SET

Mapes Decides That November Sixth Should Be the Time—Make Schedules Accordingly.

Don Mapes, chairman of the Senior Hop, announced officially yesterday that November 6th had been selected as the date of the hop.

From now on extensive preparations are to be made for the staging of this event and "fussers" are at liberty to arrange their schedules accordingly.

Misses Dorothy Scott, Annie Barnes, Jean Berger, Effie Cleland, Minnie Johnson, Ruth Peters, Gladys Shamp, Gail Charles, Selma Anderson, and Olga Anderson of Omaha will attend the football game next Saturday. They are delegates from the University of Omaha to the territorial convention of the college Y. W. C. A. at Wesleyan, Friday and Saturday.

## SOPHOMORES NOW READY FOR FROSH

Wrestlers and Boxers as Well as Push Ball Men and Tug of War Crew Chosen.

The fact that the Sophomores are not sparing any efforts to win the Olympics this year was shown when they held a meeting in the Armory last night and began to make further plans for the conquest of the Freshman. The event had been heralded out to every loyal Soph and it was with grim determination that they assembled and listened to the exhortations of their leader, President Harney. Each Soph present hoped only to get a chance at the Frosh heroes on next Saturday morning. A great deal of interest has been shown in regard to the coming Olympics, each class is making the best effort and showing the greatest spirit that has been shown in recent years. The men who will represent the Sophomores are: In light weight wrestling, Helzer, who defeated Flaherty; and Shimerda was awarded the honors by having no opponent in heavy weight wrestling.

The boxing was the best feature of the evening as four men went out for the light weight honors after several very hard rounds Hoadley defeated Purney and Tolle defeated his opponent. In the finals of this division Hoadley won over Tolle after several hard rounds. In the heavy weight division Van Meter won over O'Brien. This was a very good match but Van Meter's ability to mix gave him the decision.

The list of men for the push ball contest is nearly complete and the tug of war crew is also picked out. All together the Sophs are ready to do bloody battle with the Frosh element.

## Varsity---Freshmen

FRESHMEN USE FORMATIONS OF MICH. AGGIES WITH SUCCESS.

### REGULARS WERE ALL OUT

Varsity, Playing Entirely on the Defensive, Solve the Wierd Attack of the Freshmen After Some Trouble.

By H. I. Kyle.

Yesterday the freshmen, using plays and formations as nearly like those of the Michigan Aggies as possible, were pitted against the varsity, in the big scrimmage of the week. The varsity team started with all the regulars in their places. The kids kicked off and Doyle, for the varsity, punted on the first play. Then the freshmen uncorked some of the wierd Michigan Ag-gies that Coach Hoefel has been drilling them in, for the past two days.

The snapping of the ball was a signal for the whole frosh team to yell, and that's exactly what they did, dear reader, yell; not like educated civilized college rooters, with rhythmic, buoyant, undulating cadence, but with short, sharp, Pi-Utical, Comancheese, yelps, like seven coyotes on a hill-top, struggling for expression. Suddenly, out of the howling mass of backfielders, a figure would dart, only to be overwhelmed immediately by the whole varsity line. Meanwhile, the man with the ball would be sneaking up the other side of the field, like a greasy dum-dum. Maybe Howard would get him and maybe it would be Rutherford or Potter. Once no one got him.

After about fifteen minutes of that kind of stuff, the regulars got wise to (Continued on page 2)

Y. W. C. A. and Y. M. C. A.

The University Y. M. C. A. and Y. W. C. A. will hold joint meeting in the Temple next Saturday evening at 8 o'clock. Last year there were several hundred who attended this meeting and bigger preparations are being made this year than ever before. Everything, including refreshments, will be served free so the chances are that the Temple will be crowded. Many classy stunts have been arranged. Edna Froyd is chairman of the girls and Charley Hauptman chairman of the young men's committee.

## ALEXANDER GIVES SECOND LECTURE

Gives Second Lecture on European War—Good Audience Listened With Rapt Attention.

Before a well filled room of students, Dr. Alexander delivered his second lecture upon the European War. His subject was "The War and the Educational World." The lecture was very interesting and held the attention of all present, every moment of the time. Many new and interesting points concerning the war and the relation of these to the educational side of life were brought up.

Dr. Alexander will give his third lecture of the series in the near future. The Daily Nebraskan will announce the date.
