NEW TANGO CLUB HAS A MERRY TIME

Event Took Place at Rosewild Hall the Other Evening—To be Held Every Two Weeks.

There was revelry by night at Rosewild Hall Wednesday evening when Terpsichorean fans of Greek origin made merry at the inaugural ball of the new Tango Club. Old Terp himself with eighty of his camp followers graced the floor and the fun was fast and furious. The noise and the band for the new inter-fraternity club is furnished by Ed Killen, promoter. The dances occur semi-occasionally, in other words, on alternate Wednesday evenings. The next being scheduled for November 4th.

Minnesota Awgwan.
The Minehaha Magazine will make its debut to the University public tomorrow. The staff promises that the stock jokes of "misplaced eyebrows," "nobody home" and "you 'no' me Al" have been rejected and will under no circumstances be regarded as fit material for the elevation of the freshmen academics. Further, it promises entertainment even to those who find their ideals in the hazy clouds of misdirected genius. Among the wealth of material there is a work of art entitled "Sheep Returning Home after a Hard Day's Labor in the Fields"; another one, "Giving Her the Once-

Iowa Receives Book.

The university library has just received a copy of a book by the former librarian Malcolm G. Wyer. The work is entitled "Bookplates in Iowa with a chapter on the Pleasures of Collecting by Henry T. Foster. The edition is limited to 100 copies and published by the Torch Press of Cedar Rapids. Mr. Wyer has been interested in collecting bookplates for a number of years. He has investigated the history of the device and has made a thorough study of the noted designers and the various methods of reproduction. He has made a special effort to acquaint himself with the bookplates of Iowa people and has found a surprisingly large number. The book is attractively gotten out and copiously illustrated with reproductions, the two plates of Dr. Henry Albert being of local interest.—Daily Iowan.

REGENT HALLER ON THE WAR SITUATION

Speaks to a Council Bluffs Audience—Subject Was "Germany and the Germans."

Notwithstanding many other public meetings and attractions last night, a large audience assembled at the Ham-mill business college, in Council Bluffs, to listen to the address of F. L. Haller on the subject of "Germany and the Germans." It was a representative audience with a perceptibly less num-

ber of German-Americans than the ratio might easily have been. Mayor Snyder and nearly all of the members of the council were present.

Mr. Haller spoke as a German-American who had in no degree abated his intense love of the fatherland. He characterized Germany's motive in the present war to be not one of aggression, but of defense. He denied emphatically that there was such a thing as a military party in Germany. He said there was only one party, and that was the German party. He said every German loved the kaiser and the kaiser loved the Germans, and that Germany was the most united nation on earth today.

Mr. Haller will address the Hanscom Park Improvement club at the Windsor school Thursday evening.—Omaha Bee, October 21.

SATURDAY'S CROWD WELL PLANNED FOR

Fifty Cadets Trained For Ushers—Plans Better and More Adequate Than Ever Before.

Arrangements, which have been going on for the past week, for handling the immense crowds that will be in attendance at the game Saturday, are now complete. The various sections of the stands and the courses which lead to them have been placarded.

The athletic department has been drilling a squad of fifty cadets for ushers, and they are now thoroughly acquainted with the stands. Handling crowds at big games has always been a problem for the management, and they have tried to make their plans more adequate and complete than ever before.
