SECOND "PEP" MEET

STEWART PRESIDED OVER THE AFTERMATH ASSEMBLAGE.

CHANCELLOR AVERY SPEAKS

Ewing Emphasized the Importance of the Victory—Doc Maxey Re-emphasized Its Importance.

The rally yesterday morning was attended by a fair number of students. As usual the team failed to put in an appearance, but the speakers who were there more than did justice to the occasion.

Cloyd Stewart presided over the jubilant gathering and ably introduced the speakers. Chancellor Avery spoke first. He told of how much the victory meant to the University—how glad he was that Nebraska won, and how proud he was of her team and her student body.

R. L. Ewing, formerly with Oberlin College football team, told how important it was that the students support the team. He explained that there was almost an effect about the cheering which encouraged the men to greater efforts than mere attendance was able to produce. He also told how disconcerting he had found it to be when the admirers of the winning team began to count the score. "It almost makes the losing side feel like giving up," he said.

The old reliable was then called upon. Dr. Maxey has become so well known and liked by the students that it is almost impossible to hold a meeting and refuse to permit him to speak. The Doctor never fails to please, nor was it an exception yesterday morning. It is rumored that some time the whole convocation hour will be turned over to him for use or abuse as he sees fit. Here's hoping.

OPENING OF SOCIAL SEASON ANNOUNCED

Maxixe and All the Latest Dancing Steps, it is Said, Will Appear.

The Seniors claim that the social season at the University of Nebraska will be formally opened at their hop Friday night, November 6. To add to the many other alluring features of a Senior Hop, this year's event will be in Rosewild Party House. This new ball room has just recently been finished and has already become very popular among the dancing fans. The music will be furnished by Scott's orchestra which adds the last circumstance to make the whole an unqualified success.

Regular nightly rehearsals are being held in the different fraternities' houses, acquiring grace and perfection in the latest dancing steps—the Maxixe, Fox Trot and all their fancy rivals. The first daring appearances of these latest additions are expected at the Senior Hop.

The committee announced last night that the tickets are going rapidly; it is expected that the entire number will be disposed of this week.

ENBERG SAYS THAT SCRAPS MUST STOP

Olympics Are to Take the Place of Class Scraps—Rule Broken This Year, But Must Be the Last.

In conversation with Dean Engberg, one of the reporters learned that the University authorities must make it understood that the Olympic games were to take the place of a free-for-all scrap. The student body has made an agreement with the faculty to expend their energies on that occasion. The breaking of this agreement by the Sophomores and Freshmen should not occur again, as it gives a bad name to the University in general. It is to be hoped that this matter will not come up again, say the authorities.

Union Hallowe'en Picnic.

The Union Society, instead of their regular Friday night meeting, will have a Hallowe'en picnic at Peck's Grove on Friday night of this week. This is one of the most picturesque spots about Lincoln, and incidentally it might be mentioned that it was the scene of some tragic happenings in the early days of Nebraska, which, of course, makes it an interesting place to visit on Hallowe'en eve. A weinie roast will have a place in the evening's entertainment. Everyone is invited to get a black cat and a broomstick and join the crowd at Thirteenth and O streets at 7:30 o'clock.

BIG RACE FOR TODAY

CROSS-COUNTRY MEN RUN ANNUAL ELIMINATION RACE

TWENTY MEN WILL COMPETE

Will Run Over the Old Belmont Course—Finish in Front of the Gym—Football Game at Three O'clock.

By H. I. Kyle.

Today, at 4 o'clock, is the time set for the race which will decide who are to represent Nebraska at the various cross-country meets, scheduled for this fall. The squad will start at the southwest corner of the athletic field and go north, over the Tenth street viaduct, then east to Fourteenth street, which they will follow to Belmont, from which point they will turn south and return by way of Ninth and Tenth streets. The finish will be in front of the gym, and is expected to occur about a half hour after the start.

The squad will probably number about twenty men, most of whom are in excellent condition. A few cases of over-training have been reported, and "Pink" Spohn has several blisters on his feet, that may worry him a trifle. "Pink" is at a loss to account for his blisters. "I don't know where I got them," he said. "I haven't been around anyone who had blisters, and I wear my own socks at all times."

The first five men to finish tomorrow, will constitute the varsity team, with the sixth as a substitute. This team will journey to Ames, November 7th, for the Missouri Valley Conference meet. The dope all points toward the Ames Aggies as winner of the classic again this year. Last year they won easily, and last Saturday they out-classed Missouri, in a dual meet, taking the first four places in the remarkable time of 27 minutes, 10 seconds.

Exhibition Game Today.

The regular mid-week exhibition game will be staged on the gridiron at 3 o'clock today. The husky Frosh eleven will expose the Ames plays they have learned from Assistant Coach Hoeffel to the attack of the regulars. Ames has several new and nifty formations, including a modified form of the famous "Minnesota Shift." An interesting game is in store for the fans, this afternoon.
