**GOVERNOR MOREHEAD ENTERTAINS Y. W. C. A.**

Many Girls Enjoy Evening—Varied Program Given and Refreshments Finished Program.

The Y. W. C. A. was entertained at the home of Governor Morehead last Saturday evening. The party was in form an initiation of the new members of the association. A large crowd was present and all seemed to enjoy themselves.

As soon as the guests had assembled

they went up to the ball-room on the third floor where each one was given a small taper and a copy of the Y. W. C. A. hymn, "The Hymn of the Lights." Miss Graham talked to the girls. Then the Y. W. president, Miss Esther Bennett, gave a short talk. A large taper was lighted and the lights turned low, making a very effective picture, as the girls passed around and lighted their candles by the large one, signifying the individual lights which all work toward the one big purpose of the Y. W. C. A.

Following this ceremony, the guests went down stairs again, where the rooms were beautifully decorated, and refreshments were served. Miss Helen Snyder of Lincoln, then gave a short musical program.

**CHANCELLOR AVERY RECEIVES MAJORITY**

Tendered Nomination For President of State Teacher's Association—Doubtful is He Accepts.

At the recent meeting of the State Teacher's Association at Omaha, Chancellor Avery was nominated for president with a majority of 450 votes over those received by any other nominee in spite of the fact that he publicly announced that he would not under any condition accept the nomination if it were tendered him. It is not yet known whether the chancellor may be persuaded to accept the nomination.

Of the other four nominees all but one are alumni of the State University. They are: Earl Cline, ex-Law,

superintendent of schools, Geneva; Fred M. Hunter, '05, superintendent of schools, Lincoln; and C. M. Barr, '03, superintendent of schools, Hastings. One of these men will probably accept the nomination if the Chancellor does not.
