The Nebraska Alpha chapter of Alpha Omega Alpha was formally installed at the University Club in Omaha, Saturday, November 14, 1914. The chapter membership consists of the following members of the College of Medicine: Dr. William O. Bridges, dean; Dr. Oscar T. Schultz, Dr. Irving S. Cutter, Dr. Palmer Findley of Illinois Beta, who becomes a member of Alpha Omega Alpha; Dr. James Douglas Pilcher of Ohio Alpha (Western Reserve); Dr. Chester H. Waters of New York Beta (Cornell); Dr. Blaine A. Young, who was formally elected to receive the honor as representative of the class of 1914. Alpha Omega Alpha is a non-secret fourth-

year medical honorary society, membership in which is based entirely upon scholarship and scientific attainments. It was organized in 1903 by Dr. William W. Root, who is at present secretary and treasurer of the grand council. The society occupies the same place in colleges of medicine that Phi Beta Kappa occupies in colleges of arts. Election to membership will occur from the senior class shortly before commencement. No more than one-sixth of the membership of any class will be elected.

The Cedar Rapids (Ia.) Republic of November 8 has the following notice of the death of a former instructor in the University:

"Schuyler William Miller was born in Bushnell, Ill., in 1868, and grew to manhood on a farm near Hastings, Nebr. He received an A. B. in 1890, and later an M. A. from the University of Nebraska. He was a member of the Sigma Chi fraternity. Following his University career, he was principal of the high school at Schuyler, Nebr., where he remained three years. He then became a teacher of English in the English department of the University of Nebraska, where he taught for four years. After a year of study and travel in Europe, he returned to Lincoln, Nebr., where he was associated with the Aetna Life Insurance Company for three years. About 1904 he began his work for the International Correspondence Schools. He worked for the school in Colorado for two years. He was then made division superintendent of eastern Kansas for seven years, then he located in Des Moines, where he remained for a year, and then came to Cedar Rapids, where he had lived two years, and where he has been manager of the local branch of the International Correspondence Schools.

"Mr. Miller had been in very good health for a number of months until about two weeks ago, when he was operated upon last Saturday, and did not recover from the shock. He passed away Sunday, November 8. He is survived by a wife and one son, three sisters and three brothers. He was married to Gertrude Risley of Lawrence, Kas., April 11, 1911. Dr. E. E. Miller of Surprise, Nebr., and Miss Hattie Miller of David City, Nebr., are here to attend the short services which will be conducted at Beatty's undertaking parlors tonight by the Rev. Joseph Fort Newton. The interment will be at Hastings, Nebr."

FROSH MEET SCRUBS
 (Continued from Page One)

play that culminated in a thirty-yard forward pass, Hawkins to Caley, which put them in striking distance of the freshman goal. A moment later Hawkins charged through the line for a touchdown.

The yearlings then took the ball and, on straight football, scored a second touchdown. The famous Iowa spread play was not used much by the freshmen, seeming to indicate that Coach Hawley of the Hawkeyes has rather lost faith in it since the Cornhuskers mused it so thoroughly last year. Most of the plays used by the freshmen were off-tackle or around the ends, with an occasional forward pass.

The scrubs came right back and scored again themselves, principally by the use of forward passes to Caley, who proved a wizard at the receiving end. The scrubs gained close to one hundred yards by the air route alone in the half hour of play. The varsity men, who watched the game from the sidelines, are due to meet the freshmen today.
