TUESDAY, DECEMBER 15

Be sure you put your feet in the
right place, then stand firm.—Lincoln.

Don't long for "pull" or influence
with which to get a start in the world.
Self reliance, not leaning, develops
strength.

FOUR-FLUSHING

Four-flushing is a popular form of
fraud and deception. Cook and Fried-
mann are the well-known heroes of
this art. Their followers are many.

Four-flushing is possible because in
the whirl and rush of modern life peo-
ple necessarily have to judge one an-
other by outward appearances. To be
successful in this highly developed
art of appearing to be what you are
not requires skill and a knowledge of
human nature. That truism about
being true to yourself must be dis-
carded as out-of-date. It matters not
whether you have the gold or not just
so you have the glitter.

The one test of this form of chi-
canery is, "Did you get by with it?"
"Did you put it across?" The only
crime against the profession lies in
getting caught.

One who wished to write a thesis
on this subject could find a rich field
in the University. Wide-awake stu-
dents with not too high a regard for
sincerity have earned reputations of
being intellectual, of being rich, of be-
ing society favorites by four-flushing
and getting away with it.

BOARD OF REGENTS

INCLINED TO WAIT

**Not in a Hurry to Make Decision on
Buildings—Next Meeting on
Charter Day**

The University Board of Regents
seems less inclined to hurry its deci-
sion in the matter of the campus ex-
tension than professors and students
would wish them to do. The Regents
have returned from their trip to the
neighboring universities which they
visited to get some ideas for the future
campus of Nebraska, and perhaps are
resting for the meeting that will prob-
ably be rather strenuous. The date
for the next regular meeting is on
Charter Day, February 15. It is quite
likely, however, that the Regents will
convene in January a short time after
the opening of the session of the state
legislature.

That doesn't worry us a bit, but
ever since we read in the Journal that
dancing on roller skates is going to
be the thing, we have been working
on a parody to be entitled "The Face
on the Ballroom Floor."—Minnesota
Daily.

YOU judge a hoss's age by
his teeth, a tobacco's
by its lack of 'em.
Two years' agein'
takes the "teeth" out
of VELVET.

Velvet Joe

In the slow, careful curing of VELVET, The Smoothest
Smoking Tobacco, is seen the result of more than 30 years'
experience of the world's largest tobacco manufacturer.
This curing makes VELVET a slow burning, biteless
smoke, which combines the famous pipe qualities of
Kentucky's *Burley de Luxe* with an aged-in-the-wood mel-
lowness. 10c tins and 5c metal-lined bags.
