NEBRASKA RANKS THIRD AMONG SCHOOLS IN CLASS "C"

## TEAM IN CLASS B NEXT YEAR

Yale Takes First Place, While Nebraska Is a Close Contender for Second Honors—Ten Institutions Compete

The final scores in the intercollegiate shooting contests conducted by the government show that Nebraska stands third in Class C. The colleges of the country who participate in this contest are divided into three classes, A, B, and C. The scores in Class C are as follows:

	Won	Lost	P. C.
Yale	9	0	91.68
Kansas	7	2	91.62
Nebraska	6	3	91.44
Michigan	8	1	90.51
Arizona	5	4	88.42
Mississippi Ag. and Mech.	3	6	84.45
Idaho	0	9	81.12
Lehigh	2	7	76.25
Washington	4	5	75.43
Rhode Island	1	8	17.97

The high percentage in Class A was 98.62, made by Washington State. Northern Georgia Agricultural School with a percentage of 96.62 finished first in Class B.

By reason of her high standing in Class C, Nebraska will be advanced to Class B next year, when they will have an opportunity of competing with the larger and higher class schools. In the contests conducted here by the military department, the results have been highly satisfactory to those in charge. The rifle range is situated in the basement of Mechanic Arts building, in which any student has the privilege of competing.

The men who are responsible for Nebraska's high scores are: Sharp, George, Gribble, Hall, Line, Dailey, Armstrong, Southwell, Temple, and Oleson.

## UNIVERSITY GLEE CLUB AT CONVOCATION

Have Charge of Program at Temple Yesterday Morning—Work of Club Exceptionally Good This Year

The University Glee Club, led by Mrs. Raymond and accompanied by Stanley Marsh, gave a concert in the Temple Theatre for Convocation yesterday. The room was well filled and the audience very enthusiastic, which speaks well for the club, since they furnished the second number of the University Week at home only last Saturday, and some members sang again at Tuesday's Convocation. The program was as follows:

"Estudiantina" and "Sleep My Love," by the Glee Club; a solo from Il Trovatore, by Mr. Bagley; "Water-lilies" and "Jim," by the club; "The Rosary," a brass quartet; "Death Chant" and "Barcarolle," the Glee Club.

The work of the Glee Club is unusually good this year and has been brought before the student public more frequently than in previous years, a fact which is greatly appreciated.

## FENCING CLASSES MAY BE ORGANIZED

Classes Will Be Held Three Times a Week if a Sufficient Number Are Interested

If enough people are interested in fencing, classes will be organized to meet three times a week under Eugene Wettling, who won second in the Western Intercollegiate Gymnastic Meet held here last week.

There will be a meeting to discuss plans next Tuesday at 11 o'clock in Doctor Clapp's office, when an informal organization will be formed, with a view to having a strong society next fall.

## SEAT SALE BEGINS MONDAY MORNING

Reservations for Dramatic Club Play at Oliver Will Begin the First of Next Week—Tickets on Sale

The tickets can be secured from any member of the Dramatic Club or at the desk at the Temple. Reservations can be made at the Oliver box office beginning Monday morning.

Owing to the low prices for the play this year, it is expected that the best seats will not last long. The prices are fifty cents for the lower floor, thirty-five cents for the balcony, and twenty-five cents for the gallery.

The members of the Dramatic Club are putting forth every effort to make this the biggest dramatic production of the year.

## "EIGENSINN" GERMAN DRAMATIC CLUB PLAY

Many Invited Guests Attended the April Club Meeting—Play by Benedix Was Presented

Benedix's "Eigensinn" was presented before the members of the German Dramatic Club and a large number of invited guests at the April meeting of the club in Faculty Hall on Wednesday evening. The play was presented by the following cast:

Emma ..... Miss Kimball  
Alfred ..... Mr. Naber  
Katharina ..... Miss Webb  
Ausdorf ..... Mr. Reimer  
Lisbeth ..... Miss Craft  
Heinrich ..... Mr. Radke

The work of the entire cast was highly commendable; the roles were well taken and the spirit with which the play was given reflect credit upon the individual players, and particularly upon Miss Craft, who coached the cast for this performance.

The club is at present preparing for the production of Schiller's comedy "Der Neffe als Onkel," which is to be a public performance, given in commemoration of the 110th anniversary of the death of the author. The cast is composed of some of the strongest members, who are working hard under the direction of Miss Amanda Heppner, whose work in connection with former presentations has received favorable comment from the German departments of some of the leading schools of the country.

Phi Delta Phi held their weekly meeting at the Delta Tau Delta house last night.

The Silver Serpents hope that the girls will become better acquainted than at the more formal reception.

## LECTURER TO TALK ON MILITARY DRILL

Professor Fraser to Lecture at Law Building Tonight—University Cadets Interested in Subject

Tonight at 8 o'clock, in the Law Building Auditorium, Prof. Leon Fraser of Columbia University will speak on "Organized Insanity, or Military Training for College Men." The University cadets are particularly interested in learning what Professor Fraser has to say as to drill. A large crowd is anticipated.

Professor Fraser is the third man sent out by the Carnegie Endowment for International Peace, the others being Dr. John Metz and Dr. George W. Nasmyth. Mr. Fraser is in the faculty of political science at Columbia University, but has been in Germany, France, and England since the war broke out.

## STUDENTS PUBLISH WAR SUPPLEMENT

McGill University Paper Contains Pictures of Students Who Are Now Fighting at the Front

The undergraduate students of McGill University have issued a supplement to their daily paper. It is a special war contingent of sixty pages containing very interesting material. It contains the pictures of many of the McGill students who are now at the front fighting for their Alma Mater. The medical faculty of the university is providing the personnel for a general hospital on the lines of communication. This is the first hospital corps to be made up entirely of university teachers, students, and nurses, who are indeed proud of the honor.

The supplement contains an excellent review of J. A. Cramb's "Germany and England," by Chas. W. Colby. It also provides a lengthy reading list of literature dealing with the development and progress of the war. Anyone interested in the war would find this reference list very valuable.

The military organizations in Canadian universities do not seem to be as complete as they should be, as only about half of the men enrolled are receiving military training.

We note from the supplement that McGill University has a Christian Association, which, like the university itself, is feeling the hardships of the war and longing for its speedy end.

President Wilson has received season passes to all games played in the National, American and Federal Leagues. More inducements to fans.

## THE RELAY CARNIVAL

ANNUAL RELAY RACES AT DES MOINES

## 5 MEN REPRESENT NEBRASKA

Strongest of the Western Colleges Will Compete for Honors—Largest Relay Meet in the West

The Nebraska relay teams will meet the Western universities at the annual relay carnival in Des Moines tomorrow afternoon.

Captain Zumwinkle, Scott, Deering, and Bates composed the one-half mile team, while Clark takes the place of Deering in the mile relay. The half-mile race will be run first, so that the men who run both races will be fresh for the longer.

Nebraska's strongest competitors will be Drake, Chicago, Illinois, Kansas, Wisconsin, Minnesota, Iowa, Missouri, and Colorado. The event is without doubt the biggest relay carnival in the west. The only one ranking ahead of it in America is the annual Pennsylvania carnival, where 381 teams will compete this spring.

The Nebraska men will leave at 4 o'clock this afternoon over the Rock Island, arriving in Des Moines at 9:30 this evening.

Guy Reed will accompany them, while in his absence Herbert Reese will be in charge of the other track artists.

Due to the recent track rally, a large number of men have been working daily, so Coach Reed is optimistic concerning Nebraska's chances this spring. Everyone will be given an opportunity of seeing the men in action when the Wesleyan aggregation meet the Cornhuskers next Friday afternoon.

Registrar in Omaha  
The Registrar was in Omaha, Wednesday, attending to business in connection with the College of Medicine.
