LAWS -- ENGINEERS

FIRST GAME OF DEPARTMENTAL LEAGUE TOMORROW

WRESTLE AND GYM LETTERS

Four Wrestlers and Three Gymnasts Awarded Varsity "N's"—Track Tryouts Tonight in Sprints, Broad and High Jumps

The first game on the Departmental Baseball League schedule, between the Laws and Engineers, is slated for Wednesday at three o'clock on the athletic field. Manager A. C. Lindstrom and Earl Hawkins, Engineers; V. H. Halligan and F. M. Sides, Laws, announce that the teams which will represent their respective departments are in fine fettle and anxious to start the league ball bounding.

Managers have been selected and teams are fully prepared for the commencement of the inter-departmental season. C. H. Gardiner and Bob Harley are "Ag" managers; R. L. Thiesen and I. T. Oberfelder are holding the managerial reins for the Academics; the Freshman managers are J. L. Giffen and I. G. Beede.

Twenty games are scheduled for the season, the last game to be held May 25. The Athletic Board has announced that ten honor sweaters will be granted to the winning team at the end of the season.

The regular meeting of the Athletic Board was held last night. Four men were granted their varsity wrestling "N's" and three letters were granted in gymnastics, as required by the Athletic Board. The men receiving wrestling letters were Bauman, 135 pounds, for first place in the Western Intercollegiate Gymnastic Meet; Otoupalik, 175 pounds, for first place in the dual meet with Iowa; Rutherford, 158 pounds, for first place in the W. I. G. A. meet, and Pascale, 125 pounds, for second place in the W. I. G. A. meet. Harkson, Drawing, and Southwick, Nebraska's representatives in the gymnastic division of the Western Intercollegiate Gymnastic Association, were awarded gymnastic "N's."

In preparation for the Wesleyan meet Friday, which will in itself be a general tryout meet, tryouts will be held this evening in the sprints, the four-forty and the half-mile, and the broad and high jumps. Competition for places on the first string of sprint men is keen, Nebraska having an unusually versatile squad of speed artists. In the broad and high jumps there has been evidenced a scarcity of men, although the men who have regathered have shown up to advantage. The hurdles and pole vault prospects strengthened materially with the work of Richard R. Rutherford in the former and Phil Southwick with the latter. Reavis, who has demonstrated his ability to clear the bar at over twelve feet, will probably prove the big noise in the valley in the pole vault, but before Southwick's appearance he had no running mate. The new vaulter is displaying real form and promises, before the active season starts, to develop into a valuable man.

Saturday evening the Omaha Alumni Association of Alpha Tau Omega gave a banquet in Omaha in honor of the active chapter.

UNIVERSITY STUDENT TO DELIVER ADDRESS

Wahoo Seniors Chose Rowland Cloud to Give Baccalaureate Address

Rowland N. Cloud, '16, was chosen by a three-fourths vote of the Senior class of the Wahoo High School to deliver the Baccalaureate address on Sunday, May 30. The commencement exercises will extend from that date until Wednesday.

ALPHA SIGMA PHI WON PRACTICE GAME

Final Score Was Eighteen to One—Victors Bid Well to Be Among the Best Teams

In a practice game of baseball, Sunday, at Twenty-second and J streets, the Alpha Sigma Phi's defeated the Phi Gamma Delta's by the overwhelming score of 18 to 1. This game was to put the teams in trim for the interfraternity games which will be played in the near future, and in which the Alpha Sigma Phi's are looked upon as strong contenders for the championship. Domeier, pitching for the victors, struck out seven men, and allowed but three hits.

STIEHM DESERVES A BIG HERO MEDAL

Much Credit Due the Coach Who Paved the Way for the More Timid

"Jumbo" Stiehm demonstrated his qualifications for the title of "a brave man" by appearing on the streets of Lincoln one day last week in a straw hat. Mr. Stiehm has won fame as a football specialist. He has oftentimes been accused of being somewhat of a pugilist. And when it comes to war, he can give the late General Sherman, himself, pointers. In other words, the coach of Nebraska athletics has always been considered anything but a coward. He surpassed all his previous records for bravery, however, when he got out his straw lid and appeared in public. The hat was very stylish in the summer of 1902, but has again appeared in the up-to-date styles this year. A movement is on foot to procure a Carnegie medal for Mr. Stiehm.

The annual informal spring party of Sigma Nu fraternity was given at the Lincoln hotel Saturday evening. Among the out-of-town members who came back for the dance were Lumir Sasarit, Lynn Miller, Fred Wyland, and Mr. Livingston, all of Omaha. The chaperones were Colonel and Mrs. J. G. Maher.

"OUR AGRICULTURAL HERITAGES" ON SLIDES

Professor Barber Will Give Illustrated Lecture Concerning Ancient Architecture

Prof. G. E. Barber of the department of Roman History and Literature will give an illustrated lecture, "Our Architectural Heritage," at Convocation at eleven o'clock today. Professor Barber has a large number of valuable and interesting slides showing various styles of ancient architecture, manners of life and customs, which he will use in his talk.

REGIMENTAL PARADE

THREE COMPANIES WITH BAND ARRIVE FROM FARM

PERSHING AND WORKIZERS

Pershing Rifles Win First Place—Governmental Inspection of the Troops Held Next Friday

Joint parade of the Farm Regiment and the City Regiment and the annual competitive drill between the Pershing and the Workizer Rifles was held on the Athletic Field yesterday afternoon. The Pershing Rifles won the competitive drill by a very small margin. The judges were Captain H. F. Kramer of the Nebraska National Guard, formerly a cadet colonel of the University, and Lieut. W. C. Stoll of the United States Infantry. Lieut. S. M. Parker, Commandant of the Military Department of the University, was the officer that reviewed the two regiments.

The Farm regiment, consisting of two battalions of three companies each and a band, were on the campus at 4:30 o'clock. At 4:50 o'clock the University regiment proper marched from the Armory to the Athletic Field. The two regiments stationed themselves along the south end of the field and marched in review along the north side where the reviewing officer was stationed. After passing in review, the City Regiment was marched back to the Armory and dismissed so that the cadets could witness the competitive drill between the Pershing and Workizers Rifles. The Workizers took the field first and scored 421 points. The Pershings then took the field and after going through their prescribed schedule had 424 points to their credit.

This is the first time in the last four competitive drills that the Pershings have won this honor. Credit is due to Captain Allison, who has worked all year to fit the Pershings for this event. The bleachers on the north side of the grounds were well filled with students.

The United States Government will inspect both the Farm and City regiments next Friday. Careful attention will now be given by both regiments in preparing for this event. The work for the remainder of the year will be preparation for the annual competitive drill which takes place May 30.

TEZAS PUBLICATION HAS FINE MATERIAL

"The Magazine," a Monthly Published by University Students, Contains Short Stories and Poems

The April number of "The Magazine," a monthly publication published by the students of the University of Texas, has been received at the Daily Nebraskan office.

The magazine is purely literary and contains several short stories and poems. Some of the stories show real ability on the part of the youthful authors. Prizes are offered by the management for the best articles submitted.

SIGNERS ON HANDBALL TOURNAMENT

Seventeen Faculty Men and Students Have Indicated Their Intention to Play

Seventeen faculty men and students had signed up for the basketball tournament when entries closed Friday night. Drawings for places will be made today and the tournament will get under way Wednesday. The drawings will be made according to the Bagnell-Wilde system, which eliminates all of the byes in the first round. The first two rounds must be played by Wednesday of next week.

There are three courts on which the games may be played, and the contestants must agree upon which one they will use in each match. There must be an umpire for each match, which will be decided by two out of three games. A time will be set for the games and if any contestant fails to appear the match will go to his opponent, unless he arranges some other time before Wednesday of next week.

Chancellor Avery returned home Sunday from a short trip to Chicago. While there he has been in consultation with Architect Charles Hodgdon in regard to the proposed University buildings, and has also attended a meeting of a special committee on college organizations.

JUNIOR DANCE WILL BE HELD AT BEACH

May 7 Has Been Set for Date of the Junior Dance—First Party to Be Held at Capital Beach

The Junior dance will be held at Capital Beach on May 7. Arrangements have been made to open both ends of the pavilion so that the dancers may dance completely round. This will be the first University dance held at the Beach this spring. Scott's orchestra has been secured to furnish the music.

PLAY AT THE OLIVER

CAST WORKING HARD FOR PERFORMANCE SATURDAY

THE ADVANCE RESERVATIONS

Big Sale Yesterday—Dramatic Club Play Promises to Be Best of the Season—The Costumes Here

The cast for "Monsieur Beaucaire," the Dramatic Club play which is to be presented at the Oliver Saturday evening, are having daily rehearsals and are putting forth every effort to make the play a success.

"Monsieur Beaucaire" is generally considered to be one of Booth Tarkington's best works. It is written in five acts and deals with the adventures of a French nobleman who appears in fashionable society in Bath, England. His fine manners attract the ladies—one in particular—for which the gentlemen come to feel rather unkindly toward him. The plot thickens. A duel and sword fight complicate matters still more. The play is full of interesting scenes which are made still more unique by the elegant costumes which are typical of the time of the scene of the play. The costumes are being furnished by an Omaha firm and the one worn by Beaucaire is a facsimile of the one worn by Richard Mansfield when he appeared in that play. During his engagement in Omaha his costume was damaged and Mr. Lieben was secured to make another. He made two exactly alike and the one retained by the costumer is to be used on this occasion.

A large number of seats were sold yesterday. The reservations will be thrown open to the public tomorrow morning and students who wish to take advantage of the advance reservation should purchase their exchange tickets today and have them reserved. Exchange tickets can be secured at the University Book Store, at the desk at the Temple or at the tables on the campus. The prices for this performance are twenty-five, thirty-five, and fifty cents.

SENIOR GIRLS TO SELECT MAY QUEEN

Each Senior Girl is Privileged to Indicate Her Choice of the Member to Be Honored

A mistake was made in the first announcement of the May Queen election, which stated that "no candidate had declared themselves." This is not an election in which candidates declare themselves, but rather one in which the Senior girls declare their candidates. Class and society politics in no way enter into this election. Each Senior girl decides upon and votes for the girl she considers most worthy of the honor of May Queen, and the honor comes unexpectedly to the recipient. At the first election each girl votes for the one she considers most fit for the position, and at the second she votes for one of the girls who received the largest number of votes at this first election.

Since the election is kept secret and no one knows until Ivy Day who has secured the coveted place, the voting has always been very quiet, and there has been little campaigning.
