**THE FORUM**

From Mr. H. I. Kyle's Forum article in the Nebraskan Monday we take it that he considers our views on patriotism all wrong. Owing to the fact that we seemed to have made ourself clear in our article on April 21,—that is, clear to most people—we will not attempt to answer his question. "If these acts of 'saluting' or 'standing' are indications of patriotism and things for good, why should there be any reason for abandoning them after the army and navy have been done away with?"

However, we might mention the fact that sometimes the truth hurts like everything.

**ONLY FOURTEEN MORE  
NIGHTS OF DRILL**

**Captains Look Forward to Competitive  
Drill With Hopes of Their Com-  
pany Winning Honors**

Fourteen more nights of drill is the story that interests the cadets. Thirteen more nights of drill before "compet" is the story that interests the captains. They realize the facts and are doing their best now, working hard to straighten out the most obvious defects and to get their men in the spirit of the work. They are calling their officers together for special orders impressing upon the corporals especially, as the commandant had at the first of the spring drill, the value of the efficiency of the small unit to the efficiency of the whole. The captains have entertained their companies in an effort to instill in each man the spirit of the work and to solicit his best efforts.

The captains will have three nights a week in which to drill their men the fourth night being given over to battalion drill and parade. Government inspection is over now, as well as all the extra drill and interruptions in the regular routine so the captains can now get down to solid routine work and get their companies into fighting shape.

**INTER-FRATERNITY**

**BASEBALL LEAGUE**

Alpha Sigs Beat D. U.'s 10 to 0 and  
Alpha Thets Beat Delta Chis  
16 to 7

Alpha Sigma Phi defeated Delta Upsilon in the inter-fraternity baseball tournament by a score of 10 to 0 yesterday morning on the athletic field. Domeier and his speed ball got by without a single connection while the Alpha Sigs were able to solve Harney's delivery.

Batteries. Alpha Sigma Phi—Domeier and Zuhke. Delta Upsilon—Harney and Claar.

Alpha Theta Chi won from Delta Chi by a score of 16 to 7 last night on the athletic field. Heavy hitting by both sides with the odds in favor of the Alpha Thets marked the contest.

Batteries: Alpha Theta Chi—Hartman and Spear. Delta Chi—Mann and Johnson.

**LAWS CELEBRATE**

**ANNUAL BARBECUE**

Will Spend Tomorrow at Capital Beach  
—Final Rest Before Preparation  
for Examinations

Everything is now in readiness for the annual law barbecue, which will be held at Capital Beach tomorrow. The laws of course will receive a holiday.

Inter-class baseball games, races of all descriptions, the annual declamatory contest between Dr. Maxey and Edwin Maxey, Dip. D., and various other lines of outdoor sports will constitute the entertainment for the day. The committee have set the price of the tickets at fifty cents. The laws have not responded as well as in former years and a large number of tickets remain to be sold. They may be secured from the members of the committee any time today.

State Bank Bldg.

**Verified Statements**

The girls at Colorado University objected strenuously because the Engineers didn't dress or shave, according to their wishes, that is, neatly and without courdarois and beards. Me thinks that we should send a committee of Nebraska Engineers to Colorado, Warner, Craig, Allen or Norris for instance. Even at this school they are not dreamed of as being engineers. They would surely be popular with the co-eds there.
