Many Girls Out Daily in Hope That Records May Be Broken—Several Stars in the Hurdle Events

Several outdoor practices in preparation for the Girls' Track Meet a week from today are being held. All the contestants are working diligently so that many records will in all probability be broken.

Florence Simmons, '15, is trying to lower her own record of seven and one-fifth seconds in the 40-yard hurdles. Ruth Shumway, '18, a newcomer in athletics, is pushing the older contestants for honors. Grace Nichols, '18, has been doing unusually well in the hurdles.

The captains of the two baseball teams have been announced: Mildred Chapin, '18, for the Freshmen, and Eva Fisk for the Sophomores. The relay captains for the four teams are: Marie Clark, '15; Cornelia Frazier, '16; Betty Doyle, '17; Ollie Kirkwood, '18.

The Freshman team has lost one of their best players—Mary Means, who sprained her ankle while practicing.

Little Robert—"Ma, was Robinson Crusoe an acrobat?"

Mother—"I don't know, why?"

Little Robert—"Well, there it reads that after he had finished his day's work, he sat down on his chest."—Judge.

Our expert wood-finisher stains the frame to harmonize with the color of your picture. It costs US more, but it DOESN'T cost YOU more. That is just ONE reason why you should
